Snohomish County, Washington

MOTION NO. 21-281

APPROVING AWARDS OF SMALL CAPITAL PROJECT PARTNERSHIP (SCPP)
GRANTS IN 2021

WHEREAS, Snohomish County Council recognizes the value of small neighborhood park and activity centers; and

WHEREAS, the County Council also recognizes that it is difficult for certain small capital projects to compete for funding; and

WHEREAS, the criteria includes obtaining a partnership with a city or school district with a capital plan that includes the project; and

WHEREAS, to date the Council received five (5) applications for this funding in, 2021; and

WHEREAS, Council staff has reviewed the applicant projects and recommends Council include funding for:

1. Monroe School District for Elaky EZH2O Bottle Filling stations (\$2,500);
2. City of Sultan for Pedestrian Safety Improvements (\$7,500)

NOW, THEREFORE, ON MOTION, the Snohomish County Council approves the recommendations for the Small Capital Project Partnerships and directs staff to prepare agreements with the successful applicants.
