Chair Wright,

I confirmed with Ken, and they do want it held for two weeks. I spoke with Debbie, and since this hasn't been introduced yet, it would be best from a procedural standpoint if you could revoke your approval for introduction. That way we can just withhold it and if it needs to be changed again, it will be much simpler. So, if that meets your approval, please let me know by return email that you would like to revoke your introduction, I will forward that to Debbie, and we will be set.

Thanks,

Jim Martin

I believe Ken wants to hold the first item— will you please confirm?

Green fleet— would you see if Megan wants that in her committee? Thanks
