

SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

NOTICE OF ENACTMENT

NOTICE IS HEREBY GIVEN, that on February 21, 2024, the Snohomish County Council approved Ordinance No. 24-002.

ORDINANCE NO. 24-002

APPROVING AND AUTHORIZING FORM AGREEMENTS FOR AFFILIATION
SCHOOLS AND SNOHOMISH COUNTY

Summary: The ordinance approves form agreements for affiliation between Snohomish County and schools wishing to place student interns and promote public health as a career path. Prior to the Snohomish Health District's integration into Snohomish County they entered into affiliation agreements with schools wishing to place student interns and would like to continue these partnerships. The Snohomish County Health Department recognizes that internships provide the student with practical experiences in health-related, safety, and emergency management settings under appropriate supervision and gives students the chance to explore public health as a potential career path. Internships in public health allow students to develop essential skills in real-world applications, such as data analysis, research methodology, communication, teamwork, and problem-solving.
