Why would you like to serve on this board/commission? I have been working in solid waste for over two years and believe volunteering on SWAC will deepen my knowledge and since WM services so many communities in the county, SWAC may benefit from my participation and deep engagement. _____

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

For the last few months, I have been with the Public Sector division of WM in the Puget Sound. I manage several municipal contracts in King, Snohomish, and Skagit Counties. I regularly meet with city staff, attend city/council meetings and am getting up to speed on learning and managing municipal solid waste contracts. I am also learning what keeps solid waste staff and elected officials "up at night" and I hope to work to provide them clarity on their contracts and help them to create a more sustainable city. I am a problem solver and look forward to serving on SWAC to learn more about solid waste issues as well as Snohomish County issues. I hope to be of service to the County while learning more to help me reach my full potential in the solid waste industry.

Please list community involvement/volunteer activities. _____

How did you learn of this opportunity? My manager, Robin Freedman, Senior Manager,
Public Sector Services, WM
