DOH will pay Snohomish County to perform activities in Exhibit A Statement of Work. The Statement of work will be issued subsequent to the execution of the contract and modified on a regular basis.

Duration: January 1 , 2025 – December 31, 2027

Fiscal Impact: ☐ Current Year ☐ Multi-Year ☒ N/A

There is no exchange of funds when establishing the master Consolidated Contract.

Authority Granted: Ordinance 24-114 authorizes the County Executive to sign the Consolidated Contract with the Washington State Department of Health and further grants the Snohomish County Executive authority to execute a subsequent Exhibit A outlining the statement of work and any amendments thereto.

Background: The Health Department receives the majority of its grant funding through a consolidated contract with the Washington State Department of Health. This funding is used for many different public health services including maternal and child health block grant, recreational shellfish activities, tuberculosis control, and many more.
