

Snohomish County Council

Committee: Public Works and Infrastructure

ECAF: 2022-0023

Proposal: Motion 22-027

Analyst: Deb Evison Bell

Date: January 18, 2022

Consideration:

The Executive's Office requests Council consider approving proposed Motion 22-0027, which would accept receipt of the annual end of year inventory report.

Background:

Snohomish County Code requires Council consideration and approval of an annual inventory of personal and real property (4.46.121, 4.46.125 and 4.46.161) and requires that it be submitted to the County Council by February 15th of each year (4.46.125 and 4.46.161). RCW 36.32.210 requires that the approved inventory be filed annually with the Auditor's office by the first Monday of March; For 2022, that date is March 7, 2022.

SCC 4.46.121 requires that each department submit to the Property Office an inventory report of all capitalized assets for inclusion in the report; Each item must include a property description, the date acquired by the county, original purchase cost, the estimated life, a county identification number and the date of departmental acquisition and/or disposition.

SCC 4.46.125 identifies the date of submission to the County Council.

SCC 4.46.161 requires that all county real property include a parcel description, acreage, date and cost of acquisition, improvements, whether the property is a tax title property and the current custodial department. With respect to property disposed of during the previous calendar year, the report shall provide a parcel description, date of sale, purchaser, and the amount paid.

A complete copy of the inventory is located at Facilities Management, Property Management Division for anyone that wishes to view the inventory while the original report is recorded with the Auditor's office. If an individual requests to receive a complete copy of the inventory, the cost will be \$.25 per page. The inventory report is accessible through the Snohomish County Auditor's website under the public records search.
