BRIEF DESCRIPTION:

The Departments of Correction and Information Technology respectfully request authorization to engage in a "piggyback" or "cooperative purchase" arrangement under SCC 3.04.22. This would involve utilizing a competitive bid process conducted and awarded by Kitsap County. An Interlocal Agreement (ILA) between Snohomish County and Kitsap County, which authorizes cooperative purchases, was previously approved by the County Council under Motion 18-365 and is currently in effect.

Kitsap County initiated a competitive solicitation, identified as RFP-2021-129 for Incarcerated Persons Communications, on June 16, 2021. Following a rigorous evaluation process, this RFP was successfully awarded to Smart Communications Holding, Inc. The awarded contract encompasses the provision of Telephone services, Remote video visitation, and Tablet usage.

We believe that Snohomish County's utilization of this awarded contract from Kitsap County will address the current inefficiencies in our communications system. By adopting this approach, we aim to improve the effectiveness of our communications infrastructure, particularly for incarcerated individuals.
