

## Memorandum

---

**TO:** Snohomish County Council and Executive Somers

**FROM:** Josh Weiss & Annika Vaughn

**CC:** Lacey Harper

**DATE:** January 9, 2022

**RE:** Legislative Report – Week 1

The 2022 Legislative Session will begin on Monday, January 10<sup>th</sup> for a 60-day session. It is the second year of the legislative biennium, and a “short” legislative session. All bills introduced in 2021 will continue to be under consideration in 2022. Additional bills began being [pre-filed](#) December 1<sup>st</sup> and will continue to roll in as the legislative session begins.

In addition to policy discussions, the legislature will make amendments to the 2021-23 operating, capital, and transportation budgets that adopted during the 2021 session by adopting supplemental budgets. During the first week of the legislative session, the legislature will hold public hearings on the Governor’s budget [proposals](#). For more information, see our previous report from December with budget details.

### **Legislators Scrap Hybrid Format, Opting for Virtual Session Instead**

In response to the sharp increase in COVID case numbers, legislators have announced that they will abandon the “hybrid” format that was announced earlier this year and will be conducting the session almost entirely virtually. Both the House and Senate will be conducting hearings remotely and will re-assess the most appropriate format every 2 weeks.

The House will limit the number of members on the floor to 5 vaccinated, boosted, and masked legislators with only critical staff allowed in the chamber. Public galleries will be closed except credentialed press who can verify vaccination status. There will be no public access to member offices.

Similarly, the Senate will limit the number of members on the floor to 15 – 8 Democrats and 7 Republicans, with 3 staff members allowed in the wings. Members and staff must have a negative covid test. Members of the press may view floor action from the galleries after providing negative covid test. Members will not be holding any in-person meetings and there will be no public access to Senate facilities.

### **Cutoff Deadlines**

The legislative process has key deadlines that bills need to meet to remain under consideration. Below is an outline of the deadlines for this year’s legislative process:

### Session Cutoff Calendar

February 3, 2022	Policy Committee Deadline
February 7, 2022	Fiscal Committee Deadline
February 15, 2022	Chamber-of-Origin Deadline
February 24, 2022	Opposite Chamber Policy Committee Deadline
February 28, 2022	Opposite Chamber Fiscal Committee Deadline
March 4, 2022	Opposite Chamber Deadline
March 10, 2022	Session adjourns - Sine Die

The legislature will begin session by meeting in committees and evaluating legislative proposals that have been [pre-filed](#) for consideration. All committee meetings will be conducted virtually. For details on how committee hearings will be conducted, click [here](#) to view the protocols for House Committees, and [here](#) for the protocols for the Senate Committees. [Click here](#) to view the full committee hearing schedule.

### Legislative Priorities

#### Increase Counties' Share of Marijuana Revenue for Behavioral Health and SUD Treatment

Snohomish County requests that the legislature increase counties' share of marijuana revenue to be used for behavioral health and substance use disorder treatment programs. We will inform the County of any opportunities to support budget proposals or legislation aligning with this purpose. At the County's Legislative Briefing on Friday, January 7, Rep. Emily Wicks (D- Everett) and Sen. Keith Wagoner (R- Sedro-Wooley) affirmed their commitment to working with the County on this issue. Rep. Wicks indicated that there will be discussions around utilizing marijuana revenue this legislative session to advance social equity initiatives, possibly reworking the distribution formula. Rep. Wicks indicated that she will be asking for an increase of city and County share of marijuana revenue to be included in these proposals.

#### Support the Lynnwood Recovery Center

The City of Lynnwood is putting forward a capital budget request to establish a Community Recovery Center, expanding behavioral health capacity to both inmates and the public. The County will look for opportunities to support the City's request. We have asked Rep. Lauren Davis (D- Shoreline), who is leading the request, to provide an update at the County's legislative delegation call on Friday, January 14.

#### Regional Apprenticeship Pathways Program

Snohomish County's Regional Apprenticeship Pathways Program (RAP) received \$1.5 million in both the 2019 – 21 biennium and in the 2021-23 biennium; however, the County has not been successful at securing ongoing investment of \$1.5 million/biennium to support the program. Over the interim, GTHGA worked with bill sponsors, County, and RAP staff to determine our next steps for this project. We worked on securing additional legislative support from our delegation and other key members, including House College and Workforce Development Chair Rep. Vandana Slatter (D- Bellevue),

hosting a program Open House and funding discussion at the Marysville School District. With the support of Rep. Slatter, we also met with Superintendent of Public Instruction Chris Reykdal to determine whether the agency would be willing to include ongoing funding for the RAP program in their next agency decision package. OSPI agreed to include an ongoing investment of \$1.5 million/biennium for RAP in their 2023 agency decision package. Meanwhile, GTHGA will be looking for potential opportunities to advance our goal this legislative session. We will also be looking for chances to support expansion of apprenticeship programs statewide.

Sen. Karen Keiser (D- Kent), Chair of the Senate Labor, Commerce, & Tribal Affairs Committee, introduced legislation to expand registered apprenticeships statewide: [Senate Bill 5600](#). It may be possible to amend the bill to include ongoing funding for RAP. Staff at Workforce Snohomish has reviewed the bill and indicated that there are some concerns with the current draft. Workforce Snohomish is providing the Senator with their comments. We will continue to monitor the progress of this bill, which is scheduled for a hearing in the Senate Labor, Commerce, and Tribal Relations Committee on Thursday at 8:00 a.m. Meanwhile, we will continue to coordinate with Sen. Keiser on the need for ongoing RAP funding.

#### Senate Bill 5575 – Adding Superior Court Judges

Snohomish County supports [Senate Bill 5575](#), funding 2 additional superior court judges in Snohomish County. This bill is brought forward by the Administrative Office of the Courts on the County's behalf and is sponsored by Sen. John Lovick (D- Mill Creek) and Sen. June Robinson (D- Everett). This bill will be heard in the Senate Law and Justice Committee on Thursday, January 13, at 10:30 a.m. The County has reached out to Superior Court Judge Administrator Andrew Somers to confirm he is testifying in support of the bill at the hearing. Additionally, GTHGA will testify at the hearing to inform the Committee of the County's funding commitment for these positions in the County's 2022 budget. WSAC will be signing in support of the bill. We have relayed this plan to AOC's legislative liaison.

#### Blake Funding

Snohomish County supports additional, ongoing funding provided to counties for *Blake* response, including legal financial obligation (LFO) reimbursement. Legislators have indicated they will make additional investments in *Blake* response in the 2022 legislative session, though the substantive policy is unlikely to change. We anticipate these funding conversations to continue throughout budget development. WSAC will be testifying at the hearing on the Governor's proposed operating budget in the House Appropriations Committee on January 10, at 3:30 p.m., requesting additional funding for *Blake* impacts for counties.

#### Transportation

Maintaining existing investments and funding new transportation infrastructure continues to be a high priority for Snohomish County. GTHGA and County staff have engaged with legislators over the interim on the County's 2022 Regional Priorities List in preparation for a potential special session; however, as previously reported, interim negotiations never culminated in the passage of a revenue package. In December, GTHGA and County staff met to discuss our strategy for the 2022 legislative session, especially in light of our new Senate Transportation Chair, Sen. Marko Liias (D- Lynnwood). **GTHGA and Public Works staff will be meeting with Chair Liias at 10am on January 18 to discuss County priority projects and strategy for the next session. Please let us know if you**

**would like to join this meeting.** Meanwhile, GTHGA, County Public Works staff, and the Cities of Lake Stevens and Everett continue to coordinate on messaging for the US 2 Trestle.

### *Transportation Revenue Package & New Senate Chair*

Revenue package negotiations are resuming after negotiators failed to agree on a solution for a special session in the fall. Transportation leaders on both sides of the aisle have now ruled out a funding solution for transportation in 2022 that includes a gas tax increase. However, there is growing interest in developing a stopgap investment package to address immediate needs utilizing a combination of funding sources, including federal funding, and operating budget transfers. Reportedly, House and Senate operating budget leadership continue to disagree on the preference of a one-time transfer vs. ongoing investment out of the operating budget, with the House favoring a one-time transfer and the Senate favoring an ongoing investment.

Negotiators are also adjusting to the change in Senate Transportation Chairmanship, with Sen. Liias replacing former Chair Sen. Steve Hobbs (D- Lake Stevens). Sen. Liias has taken a different direction than Sen. Hobbs, voicing a preference to pass what he calls a “bridge” proposal this session to fill funding gaps, while working to develop a larger, multi-year package that invests in new infrastructure. Senator Liias is considering multiple revenue streams for this package, including transportation fees, Climate Commitment Act dollars, federal ARPA funds, and a transfer from the operating budget, with the intent to prioritize funding relief for key megaprojects (including I-405, SR-520, the Columbia River Bridge, US 2 Trestle, and Gorst), maintenance and preservation needs, and the ferry system. Sen. Liias has also indicated a desire to allocate Climate Commitment Act money to invest in transit, electrification, and bike and pedestrian projects.

As the transportation committees begin to meet during session, it is expected that negotiations will continue around short-term and long-term solutions to address the ongoing transportation budget deficit.

### ***Other Items***

#### Clarifying Police Reform Proposals

During the interim, Democrats were firm that they would not roll back any police reform bills approved by the 2021 legislature, however, they have agreed to advance proposals to further refine and clarify those new laws. The same legislators that led the 2021 police reform efforts (Rep. Roger Goodman (D- Seattle), Rep. Jesse Johnson (D- Federal Way), Sen. Manka Dhingra (D- Redmond)) will also lead the clarification efforts. There are three bills that are scheduled for a public hearing during the first week of session:

- [House Bill 1726](#), sponsored by Rep. Roger Goodman (D- Kirkland), would allow an officer to use physical force when there is reasonable suspicion that the person has committed, or is committing a violent offense including: 1st, 2nd, 3rd, and 4th degree assault, 1st, 2nd, 3rd, and 4th degree assault of a child, or domestic violence. Use of force is justified to protect the safety of the officer or potential victim. It is unclear whether there is adequate support within the House to advance this bill. Law enforcement has indicated that this adjustment could result in confusion and does not address property crimes. The public hearing on the bill will be important in discerning how or whether this bill advances.
- [House Bill 1735](#), sponsored by Rep. Jesse Johnson (D- Federal Way), clarifies that officers can continue to perform community caretaking activities. It would clarify that deadly force may be

used in the face of an immediate threat of serious injury against the officer or another individual. Physical force would be allowed under limited circumstances to ensure the safety of officers when taking a person into custody for civil or forensic commitment, taking a minor into protective custody, and executing and enforcing court orders.

- [House Bill 1719](#), sponsored by Rep. Dan Bronoske (D- Lakewood), clarifies that bean bags can be used as a de-escalation tactics.

In addition to the bills scheduled for a hearing, there are many others that have been introduced addressing this issue, but they are not scheduled for a public hearing this week.

#### Update on Changes to the Long-Term Care Act

In 2019, the legislature enacted the Long-Term Care Act to provide long term care benefits to Washington workers, funded through a .58% payroll tax that went into effect on Jan 1, 2022. Overwhelming public objection has prompted Democratic leadership to advance bills in the 2022 legislative session to delay implementation and make amendments to the Act. Two pieces of legislation are being heard the first week of session and are likely to advance quickly to the Governor's desk to be signed into law. Here are details on the two bills:

- [House Bill 1732](#) delays the implementation from January 1, 2022 to July 1, 2023 (18 months). This bill also addresses near retirement age workers by allowing a person born before January 1, 1968, who has not met the duration requirements, including payment of the premium, to be eligible for the program at the percentage of years paid into the program. It also provides that any premiums collected from the employee prior to July 1, 2023, shall be refunded to the employee within 120 days of the collection of the premiums.
- [House Bill 1733](#) allows disabled veterans, spouses or domestic partners of active-duty service members, nonimmigrant visa holders, and Washington workers who hold residence outside of the state to seek exemption from the program. The bill stipulates that should the status qualifying a worker for the exemption change for any of the groups outside of disabled veterans, their exemption will be discontinued.

Republicans continue to call for a full repeal of the Long-Term Care Act and have introduced several proposals along those lines. However, none of them have been scheduled for a public hearing.

#### Redistricting Update

With the legislative session about to begin, the redistricting process may finally be coming to a close. On Thursday, January 6, the state Supreme Court declined two lawsuits that sought to invalidate the maps. The lawsuits argued that the redistricting map are invalid due to a violation of the State's open meeting laws in the final hours of deliberation on Nov 15<sup>th</sup>. Both lawsuits will now go to Thurston County Superior Court, where they were originally filed. The maps will go into effect 30 days after the start of the legislative session. Click [here](#) to read more.

#### Microtrenching

[House Bill 1722](#), sponsored by Rep. Matt Boehnke (R- Kennewick), and companion [Senate Bill 5775](#), sponsored by Sen. Lisa Wellman (D- Mercer Island) serves to expand broadband internet service by using a technique that makes small excavation cuts - less than 4 inches in width and between 12 and

26 inches in depth - to existing roadways that allow telecom companies to install fiberoptic conduit lines. Microtrenching minimizes the time and cost of installation of fiberoptic lines, and decreases traffic disruptions during excavation and installation.

This bill has broad support from telecom companies and bi-partisan support from legislators seeking to quickly supply broadband internet to residents.

There are, however, concerns from Public Works departments and local leaders due to the bill superseding a city's permitting requirements, digging safety, interference with future public works projects, bypassing franchise agreements, unrestricted use of public rights-of-way, the cost of maintenance and upkeep, and long-term structural safety.

#### Senate Bill 5514 – Meetings Outside of County Seat

[Senate Bill 5514](#), sponsored by Sen. Perry Dozier (R- Walla Walla) would allow counties to hold regular meetings outside of the County seat monthly, rather than quarterly. We recommend signing in to support the bill at the hearing in the Senate Housing and Local Government Committee on Tuesday, January 11, at 8:00 a.m.

#### Senate Bill 5528 – Sound Transit Authority

[Senate Bill 5528](#), sponsored by Sen. Jamie Pedersen (D- Seattle) and Sen. Marko Liias (D- Lynnwood) would allow Sound Transit to establish “enhanced service zones” within certain parts of the RTA, allowing for additional financial investment to fund additional system improvements. County staff is reviewing this bill for any concerns. The bill will be heard in the Senate Transportation Committee on Thursday, January 13, at 4:00 p.m.

#### Senate Bill 5597 – Expanding the WA Voting Rights Act

[Senate Bill 5597](#), sponsored by Sen. Rebecca Saldana (D- Seattle), would expand the Washington Voting Rights Act. Changes include:

- Expanding who can bring a VRA action to allow organizations who have members in the jurisdiction, rather than individual voters.
- Allowing a plaintiff can make a claim for attorney's fees if the jurisdiction changes their district boundaries or takes other action to remedy the claim, without a court ruling that the plaintiff was prevailing (i.e.: in a settlement). See page 8, line 8.
- Certain jurisdictions, including those with a minority group who composes at least 10% of the voting age population, must seek court approval before taking a number of actions including: changing district boundary lines, moving ballot boxes, and any change to the “jurisdiction's plan of government.” See pages 10-13.

The County has sent this bill to staff for feedback. This will be a politically contentious proposal and WSAC will be leading on this issue.

#### House Bill 1663 – Methane Emissions from Landfills

[House Bill 1663](#), sponsored by Rep. Davina Duerr (D- Bothell), would require entities with landfills over 450,000 tons of waste in place to do a variety of actions to reduce methane emissions. Currently, the bill does not provide funding to implement the legislation. County staff is reviewing this bill for feedback on potential impacts. WSAC will be engaged in this issue.

#### House Bill 1616 – Prohibiting Weapons at Elections Offices

[House Bill 1616](#), sponsored by Rep. April Berg (D- Mill Creek), would prohibit weapons at elections offices and facilities, bar limited exceptions for law enforcement and security personnel. Snohomish County Auditor, Garth Fell, will be testifying in support of this bill at the hearing on Wednesday, January 12, at 10:00 a.m.

#### House Bill 1643 – Exempting REET for a Transfer of Property for Affordable Housing

[House Bill 1643](#), sponsored by Rep. David Hackney (D- Seattle), would exempt a sale of transfer of real property for affordable housing to a nonprofit, housing authority, public corporation, county, or municipality from the state portion of REET. County Finance and Human Services staff have reviewed this bill and found no negative impacts; we are recommending that the County support the bill at the hearing on Thursday, January 13, at 8:00 a.m.

GTHGA is monitoring the following priority items on the County's behalf. We will provide updates on these items as legislative action occurs. We will continue to be in contact with you on legislative proposals relevant to these items.

#### Address Local Culverts

Snohomish County urges the legislature to establish an ongoing funding source to address local culverts. We will seek opportunities to convey the County's position on this item and identify budget proposals working toward this goal.

#### Fund RCO Grants

In 2023, Snohomish County will be applying for project funding through the Recreation and Conservation Office competitive grant programs, including the Aquatic Lands Enhancement Account (ALEA) and Washington Wildlife and Recreation Program (WWRP). Though these programs will not be funded until the 2023 legislative session, we will continue to express the County's support for RCO's grant programs, familiarizing legislators with the County's priority projects.

## **Upcoming Events**

### **Environment & Energy (House) - Virtual - 1/11 @ 8:00am**

HB 1663 - Public Hearing - Reducing methane emissions from landfills.

### **Housing & Local Government (Senate) - Virtual - 1/11 @ 8:00am**

SB 5514 - Public Hearing - Increasing the frequency of county legislative meetings at alternate locations. **We will be signing the County in support of this bill.**

### **Civil Rights & Judiciary (House) - Virtual - 1/11 @ 10:00am**

2SHB 1202 - Public Hearing - Addressing meaningful civil remedies for persons injured as a result of police misconduct, including by allowing for an award of attorney fees in addition to damages and injunctive and declaratory relief.

2SHB 1412 - Public Hearing - Concerning legal financial obligations.

### **Environment, Energy & Technology (Senate) - Virtual - 1/11 @ 10:30am**

SB 5585 - Public Hearing - Setting domestic wastewater discharge fees.

### **Civil Rights & Judiciary (House) - Virtual - 1/12 @ 10:00am**

HB 1618 - Public Hearing - Prohibiting weapons at election-related offices and facilities subject to limited exemptions for law enforcement officers and security personnel.

### **Local Government (House) - Virtual - 1/12 @ 10:00am**

HB 1337 - Public Hearing - Concerning accessory dwelling units.

HB 1660 - Public Hearing - Concerning accessory dwelling units.

### **Housing & Local Government (Senate) - Virtual - 1/12 @ 10:30am**

SB 5593 - Public Hearing - Concerning urban growth area boundaries

SB 5621 - Public Hearing - Concerning intergovernmental tax charges and conflict resolution regarding water and sewage facilities.

### **Housing & Local Government (Senate) - Virtual - 1/13 @ 8:00am**

SB 5514 - Exec Session - Increasing the frequency of county legislative meetings at alternate locations.

### **Labor, Commerce & Tribal Affairs (Senate) - Virtual - 1/13 @ 8:00am**

SB 5600 - Public Hearing - Concerning the sustainability and expansion of state registered apprenticeship programs.

### **Environment, Energy & Technology (Senate) - Virtual - 1/13 @ 10:30am**

SB 5722 - Public Hearing - Reducing greenhouse gas emissions in buildings.

### **Law & Justice (Senate) - Virtual - 1/13 @ 10:30am**

SB 5575 - Public Hearing - Adding additional superior court judges in Snohomish county. **We will be signing the County in support of this bill.**

### **Higher Education & Workforce Development (Senate) - Virtual - 1/13 @ 1:30pm**

SB 5764 - Public Hearing - Concerning apprenticeships and higher education.

### Public Safety (House) - Virtual - 1/13 @ 1:30pm

HB 1507 - Public Hearing - Establishing a mechanism for independent prosecutions of criminal conduct arising from police use of force.

### Transportation (Senate) - Virtual - 1/13 @ 4:00pm

SB 5528 - Public Hearing - Concerning the imposition of additive revenue sources within a regional transit authority area.

### Civil Rights & Judiciary (House) - Virtual - 1/14 @ 8:00am

2SHB 1412 - Exec Session - Concerning legal financial obligations.

## Bill Summaries

Outlined below are relevant bills GTHGA is tracking for the County. Bills that are in the “lobbying” category are those that GTHGA is taking action to either advance or stall; bills that are marked as “monitoring” are those that GTHGA is keeping track of but not actively lobbying.

### Lobbying

<u>Bill Details</u>	<u>Status</u>	<u>Sponsor</u>	<u>Position</u>
<a href="#"><u>SSB 5182</u></a> <b>Advisory votes</b> Concerning advisory votes.	S Rules X	Kuderer	Support
<a href="#"><u>SB 5575</u></a> <b>Snohomish county/judges</b> Adding additional superior court judges in Snohomish county.	S Prefiled	Lovick	Support
