Why would you like to serve on this board/commission? I am an avid community volunteer and want to provide my experience and knowledge to this important board.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission. I am a 40 year retired Boeing Employee. My work was in the Facilities organization and included management, planning, finance, material handling, construction activities. These are excellent skills for a Public Facilities District board member. I have served on multiple Snohomish County boards and am familiar with the processes and procedures that must be followed, including the open meeting requirements. My service has been recognized by county council members and the Planning Department managers over the years.

Please list community involvement/volunteer activities. I have served two times on the Snohomish County Planning Commission for a total of about 16 years. I am currently on the Snohomish County Boundary Review Board, Snohomish County Urban Center Design Review Board, and City of Mill Creek Design Review Board. I have also served my neighborhood HOA for over 30 years. I also volunteer at the Museum of Flight Restoration Center in Everett restoring a 1953 Piasecki helicopter. In the past I was involved with the Boy Scouts (leader and coaching Eagle Scout projects), Little League and coached high school seniors on their culminating projects.
