MEMORANDUM

To: Council Chair Nate Nehring
From: County Executive Dave Somers
Re: **Reappointment of Angie Sievers to the Planning Commission**

I am pleased to nominate Angie Sievers for reappointment to the Snohomish County Planning Commission. This will be Angie's second term in the at-large position. Per SCC 2.08, appointment to the Planning Commission for the at-large position may be made by the County Executive.

The Snohomish County Planning Commission serves as an advisory body to the Council and Executive, performing the functions of a planning commission set forth in RCW 36.70.

Angie has skill and experience serving the community in the areas of land use planning and workforce development. Angie has contributed her talents and time to many local partners, including the Everett Charter Review Committee, Everett Salary Commission, Everett Public Schools Fiscal Advisory Community, and Snohomish County Community Advisory Board.

Pursuant to SCC 2.03.030, I urge the Council's confirmation of Angie Sievers' appointment to the Planning Commission to complete a vacated term that expires July 1, 2029, and with eligibility to serve an additional four-year term.
