Why would you like to serve on this board/commission? In PTA, I worked to include those kiddos who were living in precarious housing situations. That experience led me to being on the East County

Board of Housing Hope. Now as Mayor, I want to ensure that small cities can provide needed housing.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission. As a PTA mom, City Councilmember, Mayor, and member of the Board of Health, I have seen how housing is central to educational, social, mental, and physical well-being. I have advocated for affordable housing policies at the local and State level.

Please list community involvement/volunteer activities. PTA, Snohomish Food Bank, Housing Hope East County Board, Leadership Launch Mentor, Leadership Snohomish County, Lions Club

How did you learn of this opportunity? Chris Collier
