Why would you like to serve on this board/commission?

I would like to serve on the Snohomish County Tourism Promotion Area Advisory Board because I am passionate about the continued growth of tourism, hospitality, and community engagement throughout Snohomish County. Through my work in hotel sales and marketing, I have seen firsthand the positive economic impact that tourism, sports travel, entertainment, meetings, and local events bring to our region — not only for hotels, but also for restaurants, retailers, venues, and small businesses.

As someone who works closely with event organizers, sports teams, corporate clients, and community partners, I believe strongly in the importance of strategic tourism investment and collaboration. Snohomish County has a unique opportunity to continue growing its visibility as a destination for meetings, events, sports tourism, arts, and entertainment, while also supporting local businesses and creating memorable visitor experiences.

I would be excited to contribute both industry insight and creative perspective to the board while helping strengthen partnerships between hospitality organizations, local attractions, community stakeholders, and tourism agencies. I am especially passionate about supporting initiatives that drive overnight stays, encourage economic development, and showcase the unique identity and energy of Snohomish County.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I currently serve as the Director of Sales & Marketing for Delta Hotels by Marriott Seattle Everett, where I oversee group sales, business development, tourism partnerships, and strategic marketing initiatives for one of the region's full-service convention-style hotels. In this role, I work extensively with sports organizations, corporate groups, entertainment clients, meeting planners, airlines, and community partners to drive overnight hotel stays and visitor engagement within Snohomish County.

Throughout my hospitality career, I have held leadership roles in hotel operations, sales, and general management across multiple Marriott and Hilton properties. My background includes experience in front office operations, revenue-focused sales leadership, event planning, client relations, and destination partnership development. I have worked directly with regional organizations, universities, sports teams, entertainment venues, and local businesses to attract group business and promote the Everett and greater Seattle market as a travel destination.

In my current role, I have also focused heavily on community collaboration and local activation efforts, including partnerships with entertainment organizations, sports tourism initiatives, and locally driven events designed to bring visitors into the market while supporting local vendors and businesses. My experience gives me a strong understanding of the challenges and opportunities facing the hospitality and tourism industry in Snohomish County.
