

# CHANGE ORDER

Construction for  
New Start Center of Everett  
1602 SE Everett Mall Way  
Everett, WA 98208

Contract # PW-24-027SB  
Dated: November 2024

CO Number: 04  
Date: 4 June 2025

Contractor:  
Marpac Construction LLC  
1225 S. Weller Street; Suite 500  
Seattle, WA 98144

The Contract is changed as follows:

Pursuant to part 17 of the General Conditions the contractor shall:		
31 toilet flanges have been discovered as broken and require repair. The building does not have any valves on the water supply line to isolate areas. The contractor has suggested adding isolation valves to aid in future maintenance issues. Door hardware has been ordered, unfortunately, there were tariffs in place as the time of ordering. The tariffs changed the pricing on approximately 5% of the door hardware – manufactured in Mexico. A PTAC unit is being relocated due to a fire-resistant rated wall issue.

Re: New Start Everett

BHS Project# 25013

Dear Wilson,

I am writing to inform you about the recent tariff charges that have been applied to the door hardware being supplied for your project. Due to changes in international trade policies, certain tariffs have been imposed, resulting in increased costs for these materials.

Please find the attached letter from our manufacturer giving a detailed breakdown of the tariff charges along with our increased expense due to these added fees. I will be sending specific costs for your project in the next week or so.

If you have any questions or require further clarification, please do not hesitate to contact us. We value your business and appreciate your understanding during this time.

Thank you for your attention to this matter.

Sincerely,

Erin Mott

RE: Notice of Updated Tariff Surcharges

Valued Allegion Customer,

As previously communicated, we have continued to monitor market conditions related to tariffs affecting the Americas region. Recently, the United States imposed additional tariffs on raw materials, components, and finished products from all countries while also increasing tariffs previously announced on China. As we continue our efforts to mitigate the impact to you, it is necessary we announce an update to our current tariff surcharge rates. The new rates below will supersede previous tariff surcharges established on Monday, March 17, 2025.

The following tariff surcharges are effective Monday, April 28, 2025:

- 1) Allegion will apply a tariff surcharge on all new orders received on or after the effective date as follows:
  - Locks & Access Solutions
    - Schlage & Falcon Commercial Locks: 4.5%
    - Dexter Commercial Locks: 8%
    - Schlage Commercial Electronics (Elocks, Credentials/Readers): 4.5%
    - Schlage ECS (Maglocks & Power Supplies): 8%
    - Locknetics: 8%
  - Exits
    - Von Duprin & Falcon Exits: 4.5%
    - Dexter Exits: 8%
    - Von Duprin Electronic Accessories (6000 series, Power Supplies): 8%
  - Accessories
    - GJ, Zero: 4.5%
    - Ives, SOSS: 8.0%
    - Trimco: 0.0% (Previously announced 4.5% list price effective 4/1/2025)
  - Door Controls
    - LCN Cast Iron: 4.5%
    - LCN & Falcon Auto Operators: 4.5%
    - LCN 4050: 8.0%
    - LCN, Falcon & Dexter Aluminum: 12%
    - LCN Magnets: 12%
  - AD Systems: 4.5% (for all orders that have not been released for production on or before 4/28/2025)
  - Residential
    - Schlage Mechanical/Electronics: 4.5%
    - J Series & Dexter: 8%
    - Builders Hardware: 12%
- 2) The increased tariff surcharges apply to all order types including project quotes and buy program orders and will supersede (not incremental to) prior tariff surcharges.
- 3) All orders received prior to April 28, 2025 will maintain the original surcharge amount effective on March 17, 2025

- 4) For additional resources regarding specific family series of products and the relevant tariff surcharge rate, please visit the Allegion customer portal at <https://360portal.allegion.com>.

We will continue to monitor market conditions and will take any appropriate actions to keep you informed. If you have any questions regarding these updates, please reach out to your Allegion sales representative.

Thank you for your continued support, business, and partnership with Allegion.

Sincerely,

Dave Ilardi

## Question

Hello Dan/Mia,

MEP drawings call out PTHP - 1 at unit 108(Wellness room), Building elevations(North elevation) doesn't call out an opening for the unit. Can you please confirm the presence of the unit.

Thanks.

<p><b>Lance Meinhold</b> added a response: There currently is not a unit in the north wall. Further, the north wall is only 3'-7" from the property line. Thus introducing a PTAC unit at this location would also require the installation of a fire damper, which is not possible with a PTAC unit. Locate the PTAC unit in the east wall of the room. This will need to be a new unit and a new opening.</p>	<p><b>Lance Meinhold</b></p>	<p>Apr 15, 2025, 10:40 AM PDT</p>
