3 SNOHOMISH COUNTY COUNCIL
4 Snohomish County, Washington

5
6 ORDINANCE NO. 25-016
7

8 RELATING TO GROWTH MANAGEMENT; ALLOWING WAREHOUSE AS A
9 PERMITTED USE IN THE PLANNED COMMUNITY BUSINESS ZONE; AMENDING
10 SECTIONS 30.22.100 AND 30.22.130 OF THE SNOHOMISH COUNTY CODE
11

12 WHEREAS, the Growth Management Act (GMA), chapter 36.70A RCW,
13 establishes planning goals to guide development and adoption of comprehensive plans
14 and development regulations for those counties and cities planning under the GMA,
15 including Goal 5 related to Economic Development (RCW 36.70A.020(5)); and
16

17 WHEREAS, the Countywide Planning Policies (CPPs) guide development of
18 local plans, including CPP DP-42 which provides that the county “should conserve
19 designated industrial land for future industries and related jobs by protecting industrial
20 land from encroachment by incompatible uses”; and
21

22 WHEREAS, the GMA requires Snohomish County (the “County”) to adopt a
23 comprehensive plan and implementing codes and regulations related to land use and
24 development within the County’s jurisdiction that are consistent with the CPPs and the
25 local comprehensive plan; and
26

27 WHEREAS, the County’s Growth Management Act Comprehensive Plan
28 (GMACP) contains policies that guide the codes and regulations adopted in title 30 of
29 Snohomish County Code (SCC); and
30

31 WHEREAS, the GMACP says for the Urban Commercial plan designation, that in
32 the Maltby Urban Growth Area (UGA), “the implementing zoning is limited to the
33 Planned Community Business Zone”; and
34

35 WHEREAS, on June 4, 2024, the County Council received testimony during its
36 Planning and Community Development Committee discussion of the 2024
37 Comprehensive Plan Update requesting that Warehouse should be a permitted use in
38 the Planned Community Business (PCB) zone within the Maltby UGA; and
39

40 WHEREAS, the testimony received on June 4, 2024, discussed a large vacant
41 parcel that has split zoning including PCB, non-conforming General Commercial (GC)
42 zoning and Industrial Park (IP) zoning; and
43

1 WHEREAS, the PCB zone allows both residential and non-residential uses but
2 does not currently allow Warehouse as a permitted use; and
3

4 WHEREAS, SCC 30.21.025(1)(c)(ii) states that the intent and function of the
5 PCB zone is to “provide for community business enterprises in areas desirable for
6 business but having highly sensitive elements of vehicular circulation, or natural site and
7 environmental conditions while minimizing impacts upon these elements through the
8 establishment of performance criteria. Performance criteria for this zone are intended to
9 control external as well as internal effects of commercial development. It is the goal of
10 this zone to discourage ‘piecemeal’ and strip development by encouraging development
11 under unified control”; and
12

13 WHEREAS, the GC zone allows warehouse as a permitted use; and
14

15 WHEREAS, the GC zone has different building bulk regulations than the PCB
16 zone; and
17

18 WHEREAS, the scenario of split zoning with different development standards on
19 each part of a parcel makes it difficult to achieve the “unified control” part of the purpose
20 of PCB zoning; and
21

22 WHEREAS, warehouses are a type of community business enterprise consistent
23 with the purpose of PCB zoning; and
24

25 WHEREAS, on July 24, 2024, the County Council through Motion 24-299
26 referred to the Snohomish County Planning Commission a proposed ordinance to add
27 warehouse as a permitted use in the PCB zone; and
28

29 WHEREAS, County Council staff briefed the Planning Commission on August 27,
30 2024, on the proposed ordinance, and
31

32 WHEREAS, on September 24, 2024, the Planning Commission held a public
33 hearing to receive public testimony concerning the code amendments contained in this
34 ordinance; and
35

36 WHEREAS, at the conclusion of the Planning Commission’s public hearing, the
37 Planning Commission recommended adoption of the code amendments contained in
38 this ordinance; and
39

1 WHEREAS, on [REDACTED], 2025, the County Council held a public hearing after
2 proper notice, and considered public comment and the entire record related to the code
3 amendments contained in this ordinance; and
4

5 WHEREAS, following the public hearing, the County Council deliberated on the
6 code amendments contained in this ordinance;
7

8 NOW, THEREFORE, BE IT ORDAINED:
9

10 **Section 1.** The County Council adopts the following findings in support of this
11 ordinance:
12

- 13 A. The foregoing recitals are adopted as findings as if set forth in full herein.
14
15 B. This ordinance will amend provisions in SCC 30.22.100 and 30.22.130 to allow
16 Warehouse as a permitted use in PCB zoning when in the Maltby UGA and subject
17 to the bulk regulations of GC zoning; and
18
19 C. In considering the proposed amendments, the County considered the goals and
20 standards of the GMA. The proposed amendments are consistent with:
21
22 1. GMA Goal 5 – Economic Development. Encourage economic development that
23 is consistent with adopted comprehensive plans.
24
25 This ordinance encourages employment growth in the Maltby UGA by allowing
26 greater flexibility in uses in an area designated for employment.
27
28 D. The proposed amendments will better achieve, comply with, and implement the
29 CPPs, including policy CPP DP-42 by allowing warehouse uses on PCB-zoned
30 property adjacent to industrial land, thereby reducing the likelihood of additional
31 residential development which may not be as compatible with industrial uses as
32 warehouse development would be.
33
34 E. In considering the proposed amendments, the County considered the goals,
35 objectives, and policies of the Snohomish County GMACP. The proposed
36 amendments will work to support and implement the following policy in the GMACP:
37

38 Policy ED 3.A.5 – Snohomish County shall support existing industry by planning
39 for compatible adjacent land uses.
40

1 The amendment proposed by this ordinance would allow for warehouses in the
2 PCB zone. Warehousing would be a compatible use adjacent to industrially-
3 zoned properties.

4
5 F. Procedural requirements.

- 6
7 1. State Environmental Policy Act (SEPA), chapter 43.21C RCW, requirements with
8 respect to this non-project action have been satisfied through the completion of
9 an environmental checklist and the issuance on February 13, 2025, of a
10 Determination of Non-Significance (DNS) for this non-project proposal to amend
11 title 30 of the Snohomish County Code (SCC).
12
13 2. The proposal is a Type 3 legislative action pursuant to SCC 30.73.010.
14
15 3. Pursuant to RCW 36.70A.106(1), a notice of intent to adopt this ordinance was
16 transmitted to the Washington State Department of Commerce for distribution to
17 state agencies on June 24, 2024, and assigned material number 2024-S-7165.
18
19 4. The public participation process used in the adoption of this ordinance complies
20 with all applicable requirements of the GMA and the SCC.
21
22 5. The Washington State Attorney General last issued an advisory memorandum,
23 as required by RCW 36.70A.370, in October of 2024 entitled "Advisory
24 Memorandum: Avoiding Unconstitutional Takings of Private Property" to help
25 local governments avoid the unconstitutional taking of private property. The
26 process outlined in the State Attorney General's 2024 advisory memorandum
27 was used by the County in objectively evaluating the regulatory changes
28 proposed by this ordinance.
29

30 **Section 2.** The County Council makes the following conclusions:

- 31
32 A. The proposed amendments are consistent with the goals, policies, and objectives
33 of the MPPs, CPPs, and GMACP.
34
35 B. The proposed amendments are consistent with applicable federal, state, and
36 local laws and regulations.
37
38 C. The County has complied with all SEPA requirements with respect to this non-
39 project action.
40

D. The regulations proposed by this ordinance do not result in an unconstitutional taking of private property for a public purpose.

Section 3. The County Council bases its findings and conclusions on the entire legislative record, including all testimony and exhibits. Any finding which should be deemed a conclusion, and any conclusion that should be a finding, is hereby adopted as such.

Subject: Warehouse as a permitted use in Planned Community Business (PCB) zoning.

Scope: Ordinance 25-016 would adopt code amendments in Section 30.22.100 SCC and 30.22.130 SCC, allowing Warehouse as a permitted use in PCB zoning subject to limitations.

Fiscal Impact: ☐ Current Year ☐ Multi-Year ☒ N/A

Authority Granted: None

Background:

Ordinance 25-016 would adopt a proposal sponsored by Councilmember Low that would allow warehouse as a permitted use in the PCB subject to conditions. This proposal was referred to the Planning Commission by passage of [Motion 24-299](#).

The ordinance responds to a specific request to allow warehouse as a permitted use in the PCB zone during public comment on June 4, 2024. This comment was in the context of briefings on the comprehensive plan update. Rather than move the ordinance to hearing as part of the plan update, the Council as a body instead directed staff to include the proposal in a motion to the Planning Commission to allow for a full public process. In addition to making Warehouse a permitted use in the PCB zone, the original public comment suggested restricting the application to PCB-zoned properties within the Maltby Urban Growth Area (UGA). The comments also described a large parcel with zoning split between PCB, General Commercial (GC), and Industrial Park (IP). The commentor requested that a warehouse in PCB zoning be subject to the bulk regulations of the GC zone.

The Planning Commission recommended approval of the ordinance without any amendments. Since the Planning Commission made its recommendation, other unrelated ordinances that have modified the same code sections. Ordinance 25-016 reflects these recently adopted ordinances.

Ordinance 25-016 also assumes passage of Ordinance 25-015 (day care facilities) without any amendments to the day care ordinance. Now that both ordinances have received numbers, staff requests verbal approval to fill in some blanks on Ordinance 25-016 that need to refer to Ordinance 25-015.

Appendix A provides analysis of the proposed ordinance. Appendix B provides a map of the part of the Maltby UGA that has PCB zoning. Appendix C includes a map of a recent boundary line adjustment involving the parcel that was the subject of public comment.

Request:

Set time and date for a public hearing on Ordinance 25-016.

Suggested: March 19, 2025, at 10:30 a.m.

Appendix A: Section-By-Section Analysis

Sections 1 to 3 of the proposed ordinance provide findings and conclusions to support the substantive changes in later sections.

Section 4 amends SCC 30.22.100 to make Warehouse a permitted use in the PCB zone, subject to a new Reference Note 142.

Section 5 amends SCC 30.22.130 to add a new Reference Note 139 which would read:

(142) Warehouses shall only be permitted in the PCB zone within the Maltby Urban Growth Area and are subject to the bulk regulations in SCC 30.23.030 for the General Commercial zone.

Section 6 is a standard severability and savings clause.

Appendix B: Zoning Map

The Maltby UGA has PCB zoning in two locations, north of Maltby Road and north of Paradise Lake Road. See Figure 2 below.

Appendix C: Boundary Line Adjustment AFN 202404110068

The map below shows the current parcel lines of the split-zoned parcel as of April 11, 2024. The lines changed by Boundary Line Adjustment (BLA) permit file number 23-113707 BLA which recorded as Auditor File Number 202404110068. The commentor was discussing Lot A of this BLA. Lot B also now has split zoning; however, Lot B was reconfigured to accommodate an 85-unit townhouse project under permit file number 21-111696 SPA. These new lot lines do not appear in Figure 2 on the previous page because it typically takes the Assessor's office a few months to update the parcel data that Figure 2 relied on.

Report Date: August 12, 2024

Briefing Date: August 27, 2024

Subject: Staff Report on Warehouse in Planned Community Business Zoning

Introduction

By [Motion 24-299](#), the Snohomish County Council is requesting review and recommendation by the Planning Commission on proposed code amendments that would allow Warehouse as a permitted use in the Planned Community Business (PCB) zone. As proposed, the warehouse use would have restriction to only when in the Maltby Urban Growth Area (UGA). Warehouses in PCB would also be subject to the bulk regulations of the General Commercial (GC zone). County Council staff is providing this staff report to the Planning Commission for a briefing on August 27, 2024. The Planning Commission could potentially hold its public hearing on September 24, 2024.

Background

The intent and function of the PCB zone is to:

provide for community business enterprises in areas desirable for business but having highly sensitive elements of vehicular circulation, or natural site and environmental conditions while minimizing impacts upon these elements through the establishment of performance criteria. Performance criteria for this zone are intended to control external as well as internal effects of commercial development. It is the goal of this zone to discourage 'piecemeal' and strip development by encouraging development under unified control. ([SCC 30.21.025\(1\)\(c\)\(ii\)](#))

The County Council received a specific request to allow Warehouse as a permitted use in the PCB zone subject to limitations described in this staff report during public comment on June 4, 2024. While the comment was in the context of briefings on the Comprehensive Plan Update, the request would involve a code amendment rather than any changes to the comprehensive plan.

Sponsored by Councilmember Sam Low, a draft ordinance was prepared to make the requested code amendment and attached to Motion 24-299. The Council passed the motion on July 24, 2024. The motion transmits the proposed ordinance to the Planning Commission for review and recommendation back to the Council.

In addition to making Warehouse a permitted use in the PCB zone, the original public comment suggesting restricting the application to PCB-zoned properties within the Maltby UGA. The comments also described a large parcel with zoning split between PCB, General Commercial (GC), and Industrial Park (IP). The commentor requested that a warehouse in PCB zoning be subject to the bulk regulations of the GC zone.¹

The next section describes the proposed ordinance. There is also a map of the part of the Maltby UGA that has PCB zoning to show where the changes would apply. The final map is of a recent boundary line adjustment involving the parcel that was the subject of public comment.

Proposed Ordinance

This ordinance would amend SCC 30.22.100 (Urban zone categories use matrix) and SCC 30.22.130 (Reference notes for use matrices).

Ordinance Sections 1 to 3 include findings and conclusions to support the substantive changes in later sections.

Ordinance Section 4 amends SCC 30.22.100 to make Warehouse a permitted use in the PCB zone, subject to a new Reference Note 139.

Figure 1 – SCC Table 30.22.100 (Relevant Part)

Ordinance Section 5 amends SCC 30.22.130 to add a new Reference Note, shown as 139, which would read:

(139) Warehouses shall only be permitted in the PCB zone within the Maltby Urban Growth Areas and subject to the bulk regulations in SCC 30.23.030 for the General Commercial zone.

Ordinance Section 6 is a standard severability and savings clause.

¹ Warehouse is already a permitted use in GC and IP zoning, see Figure 1 next page. Only a small part of the parcel has IP zoning. The IP zoned part is likely to be involved in a separate road realignment project, so there is little need to coordinate bulk regulations with the part that has IP zoning.

Zoning In Maltby

The Maltby UGA has PCB zoning in two locations, north of Maltby Road and north of Paradise Lake Road. See Figure 2 below. Warehouse would become a permitted use in all PCB-zoned parcels in Maltby, subject to the General Commercial bulk regulations.

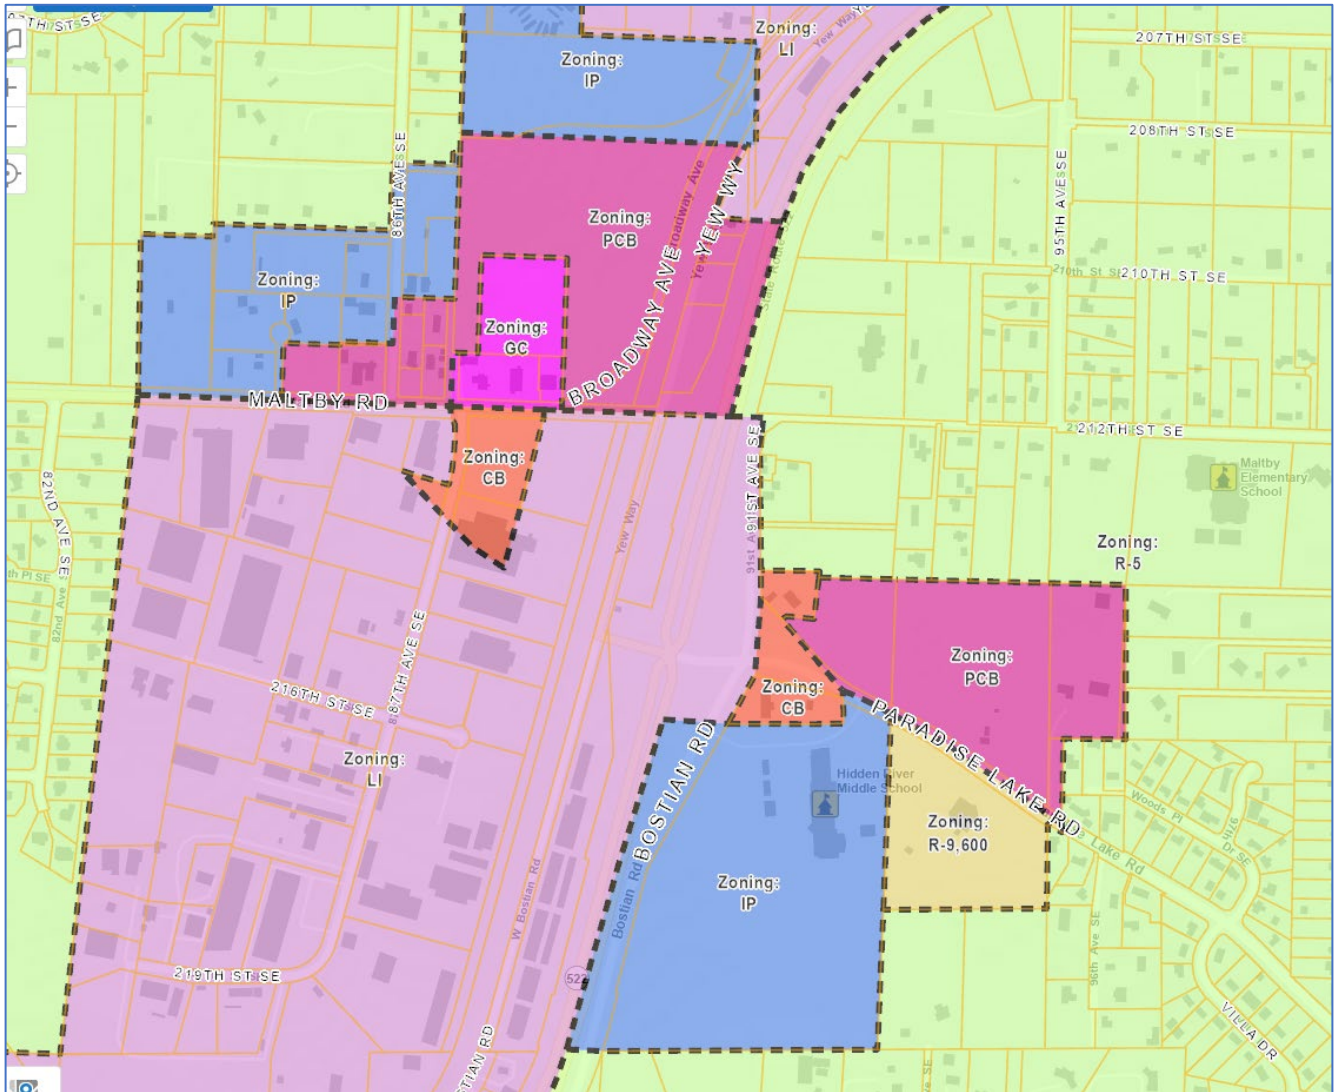

Figure 2 – Portion of Maltby UGA with PCB Zoning

Parcels with Split Zoning (GC and PCB)

Figure 3 on the next page shows the current parcel lines of the split-zoned parcel as of April 11, 2024. The lines changed by Boundary Line Adjustment (BLA) permit file number 23-113707 BLA which recorded as Auditor File Number 202404110068. The commentor was discussing Lot A of this BLA. Lot B also now has split zoning. Lot B was reconfigured to accommodate an 85-unit townhouse project under permit file number 21-111696 SPA. These

new lot lines do not appear in Figure 2 on the previous page because it typically takes the Assessor's office a few months to update the parcel data that Figure 2 relied on.

Policy Analysis

The proposed changes would increase employment based development options in the Maltby UGA. Although the intent of the PCB zone is to “discourage ‘piecemeal’ and strip development by encouraging development under unified control”, the inconsistent zoning across some parcel boundaries makes this more difficult. Allowing warehouses to use the General Commercial bulk regulations means that such buildings may be taller (GC has a 45-foot maximum height vs PCB with a 40 foot maximum).

Parcels with split PCB/GC in Maltby cannot simply rezone the PCB part to GC. For the Maltby UGA, Snohomish County’s comprehensive plan includes policy LU 5.B.8 which prevents rezoning. The relevant part of this policy reads, “The Urban Commercial plan designations within the Maltby UGA shall be implemented through the Planned Community Business zone.” Although adoption of this policy occurred in 1996, implementation never been happened. The GC zoning in this area predates the policy, having existed since 1977. Rezoning never occurred to implement the policy. The proposed code amendments would allow development under unified zoning controls despite the non-conforming nature of the zoning in the area.

Procedural

Environmental Review

A State Environmental Policy Act Checklist and a threshold determination will be issued prior to County Council consideration.

Notification of State Agencies

Pursuant to RCW 36.70A.106, county staff transmitted a draft of the ordinance to the Washington State Department of Commerce on June 24, 2024.

Action Requested

Council Motion 24-299 requests that Planning Commission hold a public hearing, consider the proposed code amendments, and provide a recommendation to the County Council by December 2, 2024. The Planning Commission can recommend approval of the proposed ordinance with supporting findings of fact as proposed or modified, deny the proposal with findings, or amend the proposal with appropriate findings.

**EXHIBIT A – PROPOSED CODE REVISIONS
ALLOWING WAREHOUSE AS A PERMITTED USE IN THE PCB ZONE**

SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

ORDINANCE NO. 24-

RELATING TO GROWTH MANAGEMENT;
ALLOWING WAREHOUSE AS A PERMITTED USE IN THE PCB ZONE;
AMENDING SECTIONS 30.22.100 AND 30.22.130 OF THE SNOHOMISH COUNTY
CODE

WHEREAS, the Growth Management Act (GMA), chapter 36.70A RCW, establishes planning goals to guide development and adoption of comprehensive plans and development regulations for those counties and cities planning under the GMA, including Goal 5 related to Economic Development (RCW 36.70A.020(5)); and

WHEREAS, the Countywide Planning Policies (CPPs) guide development of local plans, including CPP DP-42 which provides that the county “should conserve designated industrial land for future industries and related jobs by protecting industrial land from encroachment by incompatible uses”; and

WHEREAS, the GMA requires Snohomish County (the “County”) to adopt a comprehensive plan and implementing codes and regulations related to land use and development within the County’s jurisdiction that are consistent with the CPPs and the local comprehensive plan; and

WHEREAS, the County’s Growth Management Act Comprehensive Plan (GMACP) which contains policies that guide the codes and regulations adopted in Title 30 of Snohomish County Code (“Title 30 SCC”); and

WHEREAS, the GMACP says in part that the “Urban Commercial plan designations within the Maltby UGA [Urban Growth Area] shall be implemented through the Planned Community Business (PCB) zone; and

WHEREAS, on June 4, 2024, the County Council received testimony during its Planning and Community Development Committee discussion of the 2024 Comprehensive Plan Update requesting that Warehouse should be a permitted use in the PCB zone within the Maltby UGA; and

WHEREAS, the testimony received on June 4, 2024, discussed a large vacant parcel that has split zoning including PCB, non-conforming General Commercial zoning and Industrial Park (IP) zoning; and

**EXHIBIT A – PROPOSED CODE REVISIONS
ALLOWING WAREHOUSE AS A PERMITTED USE IN THE PCB ZONE**

WHEREAS, the PCB zone allows both residential and non-residential uses but does not currently allow Warehouse as a permitted use; and

WHEREAS, SCC 30.21.025(1)(c)(ii) states that the intent and function of the PCB zone is to “provide for community business enterprises in areas desirable for business but having highly sensitive elements of vehicular circulation, or natural site and environmental conditions while minimizing impacts upon these elements through the establishment of performance criteria. Performance criteria for this zone are intended to control external as well as internal effects of commercial development. It is the goal of this zone to discourage ‘piecemeal’ and strip development by encouraging development under unified control”; and

WHEREAS, the GC allows warehouse as a permitted use; and

WHEREAS, the GC zone has different building bulk regulations than the PCB zone; and

WHEREAS, the scenario of split zoning with different development standards on each part of a parcel makes it difficult to achieve the “unified control” part of the purpose of PCB zoning; and

WHEREAS, warehouses are a type of community business enterprise consistent with the purpose of PCB zoning; and

WHEREAS, County Council staff briefed the Planning Commission on [REDACTED], 2024, and

WHEREAS, on [REDACTED], 2024, the Planning Commission held a public hearing to receive public testimony concerning the code amendments contained in this ordinance; and

WHEREAS, at the conclusion of the Planning Commission’s public hearing, the Planning Commission recommended adoption of the code amendments contained in this ordinance; and

WHEREAS, on [REDACTED], 2024, the County Council held a public hearing after proper notice, and considered public comment and the entire record related to the code amendments contained in this ordinance; and

- A. The foregoing recitals are adopted as findings as if set forth in full herein.
- B. This ordinance will amend provisions in SCC 30.22.100 and 30.22.130 to allow Warehouse as a permitted use in PCB zoning when in the Maltby UGA and subject to the bulk regulations of GC zoning; and
- C. In considering the proposed amendments, the County evaluated factors including the need to provide land uses and implementing regulations reasonably designed to meet the growth targets associated with the GMACP.
- D. In considering the proposed amendments, the County considered the goals and standards of the GMA. The proposed amendments are consistent with:
 - 1. GMA Goal 5 – Economic Development. Encourage economic development that is consistent with adopted comprehensive plans.

This ordinance encourages employment growth in the Maltby UGA consistent with the growth targets adopted and proposed for that UGA.

- E. The proposed amendments will better achieve, comply with, and implement the Housing Goal of the CPPs, including policy CPP DP-42 by allowing warehouse uses on PCB-zoned property adjacent to industrial land, thereby reducing the likelihood of additional residential development which may not be as compatible with industrial uses as warehouse development would be.
- G. In considering the proposed amendments, the County considered the goals, objectives, and policies of the Snohomish County GMACP. The proposed amendments will work to support, implement, and balance the following goals, objectives, and policies in the GPP:

**EXHIBIT A – PROPOSED CODE REVISIONS

State Environmental Policy Act (SEPA), chapter 43.21C RCW, requirements with respect to this non-project action have been satisfied through the completion of an environmental checklist and the issuance on [REDACTED], [REDACTED], 2024, of a Determination of Non-Significance (DNS) for this non-project proposal to Amend Title 30 Snohomish County Code (SCC).
2. The proposal is a Type 3 legislative action pursuant to SCC 30.73.010.
3. Pursuant to RCW 36.70A.106(1), a notice of intent to adopt this ordinance was transmitted to the Washington State Department of Commerce for distribution to state agencies on June 24, 2024 2024, and assigned material number 2024-S-7165.
4. The public participation process used in the adoption of this ordinance complies with all applicable requirements of the GMA and the SCC.
5. The Washington State Attorney General last issued an advisory memorandum, as required by RCW 36.70A.370, in September of 2018 entitled “Advisory Memorandum: Avoiding Unconstitutional Takings of Private Property” to help local governments avoid the unconstitutional taking of private property. The process outlined in the State Attorney General’s 2018 advisory memorandum was used by the County in objectively evaluating the regulatory changes proposed by this ordinance.

Section 2. The County Council makes the following conclusions:
