ECAF: 22-0655
Proposal: Mot. 22-281

Analyst: Heidi Beazizo
Date: June 27, 2022

Consideration

The Executive's Office requests Council consider approving proposed Motion 22-281 which would approve the proposed success metrics related to law and justice backlog.

Background

The 2022 Adopted Budget (Ordinance 21-093¹) contained a budget condition requesting the Superior Court, District Court, the Office of Public Defense and the Prosecutive Attorney present, for Council approval, proposed success metrics that will, over time, measure the departments/courts progress at reducing the law and justice backlog.

On March 30, 2022, the listed courts/departments submitted a joint memo with their proposed success metrics.

On June 13, 2022, the courts/departments presented those metrics to the Law and Justice Human Services Committee and following a discussion, the Council directed staff to draft a memo adopting the metrics as proposed.

Current Proposal

Scope: Motion 22-281 adopts the success metrics included in the memo and requests that the departments/courts include the success metrics and any related performance data in their 2023 budget presentations.
