I have an interest in serving the community and learning more

Why would you like to serve on this board/commission?	about things that impact our residents. Collaborating with others on this commission would provide me an opportunity to do both. I have family members in law enforcement and have a perspective that I feel could lend some interesting insight during discussions. I also hope to learn more about how our local systems interact/compare to others in the region. I'm dedicated to having an open mind and respectful interactions while listening, learning, and representing my area.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	<p>I'm an administrative professional who has worked with community members of all walks of life in Snohomish County. Born and raised here, I've seen the growth and taken note as to how my perspective has shifted throughout my lifetime here-from being a teen to becoming a parent to now, as I approach retirement in the next 10 years.</p> <p>I worked at Providence hospital as an administrative professional in both the emergency department and the critical care unit for 8 years, gaining valuable experience working with a variety of personalities. My time there was important in many ways, allowing me to hone my professional skills and serve the community.</p> <p>I worked for the Snohomish School District, as well, as the executive assistant to the Deputy Superintendent. I learned a great deal. Within my scope of work was the management/facilitation of district-level discipline hearings, which I found interesting.</p> <p>Currently, I'm serving as the executive assistant to the Fire Chief of South Snohomish County Fire & Rescue. With 15 stations and 400+ employees, we are a leader in our area, something in which we take great pride. I've truly enjoyed learning about our agency and the communities we serve. Supporting first responders is an honor and I'm dedicated to working efficiently and compassionately every day.</p>
Please list community involvement/volunteer activities	<p>VP - Snohomish Historical Society (2013-2020)</p> <p>Administration Assistant - Snohomish County Fire Chiefs' Association (2021-2024)</p> <p>Snohomish County Sheriffs' Citizens Advisory Committee (2024-present)</p>
