This indemnification obligation shall include, but is not limited to, all claims against the County by an employee or former employee of CITY, and CITY, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects the County only, under any industrial insurance act, including **Title 51 RCW**, other Worker's Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.

8. Liability Related to CITY Ordinances, Policies, Rules and Regulations.

In executing this Agreement, the County does not assume liability or responsibility for or in any way release the CITY from any liability or responsibility which arises in whole or in part from the existence or effect of CITY ordinances, policies, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such CITY ordinance, policy, rule or regulation is at issue, the CITY shall defend the same at its sole expense and, if judgment is entered or damages are awarded against the CITY, the County, or both, the CITY shall satisfy the same, including all chargeable costs and reasonable attorney's fees.

9. Insurance.

The CITY has, upon request of and acceptance by the County, provide the County a letter certifying the CITY'S self-insurance program (**Attachment B**, incorporated herein by this reference).

If either the County or the CITY fails to perform any act or obligation required to be performed by it hereunder, the other party shall deliver written notice of such failure to the non-performing party. The non-performing party shall have twenty (20) days after its receipt of such notice in which to correct its failure to perform the act or obligation at issue, after which time it shall be in default (“Default”) under this Agreement; provided, however, that if the non-performance is of a type that could not reasonably be cured within said twenty (20) day period, then the non-performing party shall not be in Default if it commences cure within said twenty (20) day period and thereafter diligently pursues cure to completion.

11.2 Remedies. In the event of a party’s Default under this Agreement, then after giving notice and an opportunity to cure pursuant to **Section 11.1** above, the non-Defaulting party shall have the right to exercise any or all rights and remedies available to it in law or equity.

12. Early Termination.

12.1 30 Days’ Notice. Except as provided in **Section 12.2** below, either party may terminate this Agreement at any time, with or without cause, upon not less than thirty (30) days advance written notice to the other party. The termination notice shall specify the date on which the Agreement shall terminate.

12.2 Termination for Breach. In the event that the CITY fails to complete the Project by **December 31, 2024**, and/or otherwise commits a Default as described in **Section 11**, the County may terminate this Agreement immediately by delivering written notice to the CITY. Within thirty (30) days of such early termination, the CITY shall return to the County all Funds previously disbursed from the County to the CITY for the Project plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of early termination.

13. Dispute Resolution.

In the event differences between the Parties should arise over the terms and conditions or the performance of this Agreement, the Parties shall use their best efforts to resolve those differences on an informal basis. If those differences cannot be resolved informally, the matter may be referred for mediation to a mediator mutually selected by the Parties. If mediation is not successful or if a party waives mediation, either of the Parties may institute legal action for specific performance of this Agreement or for damages. The prevailing party in any legal action shall be entitled to a reasonable attorney’s fee and court costs.

14. Notices.

All notices required to be given by any party to the other party under this Agreement shall be in writing and shall be delivered either in person, by United States mail, or by electronic mail (email) to the applicable Administrator or the Administrator's designee. Notice delivered in person shall be deemed given when accepted by the recipient. Notice by United States mail shall be deemed given as of the date the same is deposited in the United States mail, postage prepaid, and addressed to the Administrator, or their designee, at the addresses set forth in **Section 3** of this Agreement. To the extent that public records then in the custody of the City are needed for the County to respond to a request under the Act, as determined by the County, the City agrees to make them promptly available to the County. If the City considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the City shall clearly identify any specific information that it claims to be confidential or proprietary. Re: City of Monroe
Grant Recipient Blueberry Playground Construction

Evidence of Coverage

The City of Monroe is a member of the Washington Cities Insurance Authority (WCIA), which is a self-insured pool of over 160 public entities in the State of Washington.

WCIA has at least \$4 million per occurrence limit of liability coverage in its self-insured layer that may be applicable in the event an incident occurs that is deemed to be attributed to the negligence of the member. Liability coverage includes general liability, automobile liability, stop-gap coverage, errors or omissions liability, employee benefits liability and employment practices liability coverage.

WCIA provides contractual liability coverage to the City of Monroe. The contractual liability coverage provides that WCIA shall pay on behalf of the City of Monroe all sums which the member shall be obligated to pay by reason of liability assumed under contract by the member.

WCIA was created by an interlocal agreement among public entities and liability is self-funded by the membership. As there is no insurance policy involved and WCIA is not an insurance company, your organization cannot be named as an additional insured.
