1. Purpose

This Contract is entered into in accordance with RCW 43.70.512, RCW 43.70.515, the general statutory powers of the Secretary of the Department of Health (DOH), including but not limited to RCW 43.70.020 and RCW 43.70.040, the general statutory powers of local health jurisdictions (LHJs), and RCW 70.05.060, RCW 70.05.070, RCW 70.08.020, and RCW 70.46.060, the authority for joint or cooperative action provided for under RCW 39.34, and any LHJ home rule charter authority. The purpose of this Contract is to define the parties’ joint and cooperative relationship. The contract and all Statements of Work adopted under its provisions are intended to facilitate the delivery of public health services to the people in Washington State. This Contract is the result of cooperative planning efforts between the LHJ and DOH and establishes the terms for reimbursement for services funded by state and federal grants.

2. Statements of Work

The individual program activities, requirements, and outcomes/deliverables to be achieved by the parties under this Contract shall be mutually agreed to and issued as Exhibit A, Statements of Work, subsequent to the execution of this Contract. 7. Access to Records

To the extent authorized by applicable federal and state law, the parties shall provide access to records relevant to this Contract to each other, the Joint Legislative Audit and Review Committee, the State Auditor, and authorized federal officials, at no additional cost. Inspections shall occur at reasonable times and upon reasonable notice.

8. All Writings Contained Herein

This Contract contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any of the parties hereto. The individuals signing this Contract, and subsequent amendments certify by their signatures that they are authorized to sign this Contract on behalf of their respective entity.

9. Assignment

Except for subcontracting as authorized in this Contract, the LHJ shall not assign or delegate, in whole or in part, this Contract or any of its rights, duties, obligations, or responsibilities, without the prior written consent of DOH’s Contracting Officer, which consent shall not be unreasonably withheld.

The LHJ acknowledges its agreement to comply with federal certifications and assurances by signing and returning the following:

1. Standard Federal Certifications and Assurances (page 12)

2. Federal Assurances for Non-Construction Programs (page 17)

11. Confidential Information

The parties agree to comply with all state and federal statutes and regulations relating to Confidential Information. DOH and LHJ will limit access to the Confidential Information to the fewest number of people necessary to complete the work. Everyone having access to Confidential Information covered by this Contract must agree to protect the confidentiality of the information.

Either party to this Contract may designate certain Confidential Information as “Confidential Information/Notice Requested.” The designation shall be made by clearly stamping, watermarking, or otherwise marking each page of the Confidential Information. If a third-party requestor seeks information that has been marked “Confidential Information/Notice Requested,” notice shall be given to the marking party prior to release of the information. Such notice shall be provided to the program contact no less than five (5) business days prior to the date of disclosure, to allow the party objecting to disclosure to seek a protective order from the proper tribunal.

DOH and LHJ agree to establish, document, and maintain security practices and safeguards consistent with state and federal laws, regulations, standards, and guidelines to prevent unauthorized access, use, or disclosure of Confidential Information in any form. In accordance with federal and state contracting requirements, DOH may monitor, audit, or investigate LHJ management of Confidential Information relating to this Contract. Working together, the LHJ and DOH may use any and all tools available to track Contract related Confidential Information.

If one of the parties becomes aware of an actual or suspected breach of confidentiality, that party will promptly notify the Contract Coordinator for the other party of the facts. The parties will work within their respective organizations to take any steps necessary to determine the scope of the breach and to restore reasonable security to the Confidential Information. Both parties agree to mitigate any known harmful effects of a breach in confidentiality, including notifying affected individuals to the extent required by law. The parties will also reasonably cooperate with law enforcement as appropriate.

12. Ethics and Conflict of Interest

Both parties and their officers shall comply with all ethics laws and procurement standards applicable to their activities under this Contract, including RCW 42.23 and RCW 42.52, and 2 CFR 200.318, and as subsequently amended. The LHJ must maintain and comply with written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of subcontracts. The LHJ must comply with the following minimum requirements:

No employee, officer, or agent may participate in the selection, award, or administration of a subcontract supported by a grant award if they have a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of their immediate family, their partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the LHJ may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts and must comply with Chapter 39.26.020 RCW. However, LHJ may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the LHJ.

If a violation occurs and is not cured within a reasonable time after notice, the other party shall have the right to terminate this Contract. This section is expressly subject to section 14. Disputes, in this Contract.

13. Debarment Certification

The LHJ, by signing this Contract, certifies that the LHJ is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Contract by any federal department or agency. The LHJ also agrees to include the above requirement in all subcontracts into which it enters. The LHJ will notify DOH of any such events that may occur during the term of the Contract.

14. Disputes

Except as otherwise provided in this contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, the parties agree to participate in good faith in non-binding mediation. The mediator shall be chosen by agreement of the parties. If the parties cannot agree on a mediator, the parties shall use a mediation service located in Washington State that selects a qualified mediator for the parties. Each party shall bear its own costs for mediation and each party shall contribute equally to the mediator's fee, if any. The parties agree that mediation shall precede any action in a judicial tribunal.

Nothing in this contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution method in addition to the dispute resolution procedure outlined above.

15. Equipment Purchases

Equipment purchased by the LHJ for use by the LHJ or its subcontractors during the term of this Contract using federal funds, in whole or in part, shall be the property of the LHJ. The use, management and disposal of the equipment must comply with federal requirements. These requirements are found in the Office of Management and Budget's (OMB's) Uniform Guidance, Title 2 Code of Federal Regulations Part 200 (2 CFR 200) - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, or are included in the federal funding agency's regulations. Equipment purchased by the LHJ for use by the LHJ or its subcontractors during the term of this Contract using non-federal funds, in whole or in part, shall be the property of the LHJ unless noted otherwise in the respective Statement of Work.

16. Governing Law and Venue

The laws of the state of Washington govern this Contract, venue shall be proper only in Thurston County, Washington.

17. Independent Capacity

The employees or agents of each party who are engaged in the performance of this Contract shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

18. Insurance

The LHJ certifies that it is self-insured, is a member of a risk pool, or maintains insurance coverages sufficient to cover obligations under this Contract. Each party shall pay for losses for which it is found liable. The LHJ agrees to require all subcontractors to maintain insurance in types and with limits as may be determined by the LHJ and/or its risk manager, unless the LHJ and DOH agree otherwise.

19. Licensing, Accreditation, and Registration

The LHJ shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements and standards, necessary for the performance of this Contract.

20. Maintenance of Records

Each party to this Contract shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended by it. All books, records, documents, and other material relevant to this Contract will be retained for six (6) years after expiration unless otherwise required for longer period. If any litigation, claim, or audit is started before the expiration of the six-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

Each party will use reasonable security procedures and protections to ensure that records and documents provided by the other party are not erroneously disclosed to third parties. Both parties agree to continue protecting records in accordance with Section 11. Confidential Information, until such time as the information is destroyed in accordance with applicable state and federal records retention laws.

21. Modifications and Waivers

This Contract, or any term or condition, may be modified only by a written amendment signed by the DOH Contracting Officer and the authorized representative for the LHJ. Either party may propose an amendment. However, any state or federal law, regulation, or grant funding requirement, including anything amended after the fact, that must be included in order to receive or expend the grant funding is hereby incorporated by reference, and may be documented by letter amendment from DOH to the LHJ.

Failure or delay on the part of either party to exercise any right, power, privilege, or remedy provided under this Contract shall not constitute a waiver. No provision of this Contract may be waived by either party except in a writing signed by the DOH Contracting Officer or the authorized representative of the LHJ.

22. No Third-Party Rights Created

This Contract, or any program hereunder, is entered into solely for the benefit of the two parties thereto and shall not be construed as giving rise to any right, remedy or expectancy of any kind or nature on the part of any third party.

23. Nondiscrimination

During the performance of this Contract, the LHJ and DOH shall comply with all federal and state nondiscrimination laws, regulations, and policies. In the event of the LHJ's noncompliance or refusal to comply with any nondiscrimination law, regulation or policy, this Contract may be rescinded, canceled, or terminated in whole or in part, and the LHJ may be declared ineligible for further contracts with DOH. The LHJ shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

24. Order of Precedence

In the event of an inconsistency in the terms of this Contract, or between its terms and any applicable statute or rule, the inconsistency shall be resolved by giving precedence in the following order:

- Applicable state and federal statutes, and local laws, rules, regulations, and funding requirements.
- Terms and conditions of this Contract.
- Statements of Work.
- Any other provisions of this Contract, including other materials incorporated by reference.

25. Ownership of Material/Rights in Data

Records and other documents relevant to this Contract, in any medium, furnished by one party to this Contract to the other party, will remain the property of the furnishing party, unless otherwise agreed. Data which is delivered under the Contract shall be transferred to DOH with a nonexclusive, royalty-free, perpetual, irrevocable license to publish, translate, reproduce, modify, deliver, perform, dispose of, and to authorize others to do so; provided that such license shall be limited to the extent which the LHJ has a right to grant such a license. The LHJ shall exert all reasonable effort to advise DOH, at the time of delivery of data furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. DOH shall receive prompt written notice of each notice or claim or copyright infringement received by the LHJ with respect to any data delivered under this Contract. DOH shall have the right to modify or remove any restrictive markings placed upon the data by the LHJ, provided that if DOH modifies or removes such markings without the LHJ's approval, it assumes all liability for doing so.

26. Public Records Act

Notwithstanding Sections 11 or 18, the parties to this contract are public bodies subject to the Public Records Act, RCW 42.56 (PRA). Under the PRA, all materials relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by a public body or its functional equivalents are considered public records. The PRA requires that public records responsive to a public records request be promptly produced unless the PRA or an "other statute" exempts such records from production. This Contract is not intended to alter any party's obligations under the PRA. The parties agree that if one party receives a public records request (receiving party) for files that may include confidential information under General Terms and Conditions Section 11 (Confidentiality/Safeguarding of Information), the receiving party will notify the other party of the request and of the

date that the records will be released to the requester unless the other party obtains a court order enjoining disclosure. If the other party fails to obtain the court order enjoining disclosure, the receiving party may release the requested information on the date specified. If the other party obtains a court order from a court of competent jurisdiction enjoining disclosure pursuant to the PRA, the receiving party shall maintain the confidentiality of the information per the court order.

27. Publications

Any program reports, articles, and publications that result from information gathered through use of state and federal funds must acknowledge receiving support from DOH and/or the appropriate federal agencies. Correspondingly, such documents resulting from information gathered through use of local funds must acknowledge receipt of such local support.

28. Responsibility for Actions

Each party to this Contract shall be solely responsible for the acts and omissions of its own officers, employees, and agents in the performance of this Contract. Neither party to this Contract will be responsible for the acts and omissions of entities or individuals not party to this Contract. DOH and the LHJ shall cooperate in the defense of tort lawsuits, when possible.

29. Recapture

In the event that the LHJ fails to perform this contract in accordance with state or federal laws, and/or the provisions of this Contract, DOH reserves the right to recapture funds in an amount to compensate DOH for the noncompliance, including the amount of any grant funds administered pursuant to this contract.

30. Loss or Reduction of Funding

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, DOH may elect to suspend or terminate the contract, in whole or in part, under the "Termination for Convenience" clause with a ten (10) business day notice to LHJ, to the extent possible, subject to renegotiation at DOH's discretion under those new funding limitations and conditions.

31. Severability

If any term or condition of this Contract is held invalid, such invalidity shall not affect the validity of the other terms or conditions of this Contract, provided, however, that the remaining terms and conditions can still fairly be given effect.

32. Subcontracts

Unless specifically noted as not allowable within a Statement of Work, the LHJ may subcontract any or all the services or other obligations specified in this Contract. The LHJ will require the subcontractor to comply with all the applicable terms and conditions of this Contract, including all terms, conditions, certifications, and assurances. The LHJ agrees it is responsible for assuring adequate performance on the part of the subcontractor.

The parties agree that all subcontractors must be responsible for any liabilities created by their actions or omissions. In the event DOH, LHJ, and subcontractor are found by a jury or trier of fact to be jointly and severally liable for personal injury damages arising from any act or omission, then each entity shall be responsible for its proportionate share.

33. Subrecipient

For those activities designated as "subrecipient" in Exhibit A, Statements of Work, the LHJ must comply with applicable federal requirements, including but not limited to OMB's Uniform Guidance at 2 CFR 200, Subparts D (Post Federal Award Requirements), E (Cost Principles) and F (Audit Requirements), and program specific federal regulations, and as any of these requirements may subsequently be amended. If the LHJ expends \$1,000,000 or more in federal grants or awards from all sources, it is responsible for obtaining the required single audit.

34. Survivability

The terms and conditions contained in this Contract, which by their sense and context are intended to survive the expiration of the Contract, shall survive. Surviving terms include, but are not limited to: Access to Records, Confidential

Information, Disputes, Responsibility for Actions, Maintenance of Records, Ownership of Material/Rights in Data, Subcontracts, Recapture, Termination for Convenience, Termination for Default, and Termination Procedure.

35. Term

This Contract will be in effect following execution by the parties from January 1, 2025 through December 31, 2027, unless terminated earlier as provided herein.

36. Termination for Convenience

Except as otherwise provided in this Contract, either party may terminate or suspend this Contract, or any program hereunder, for convenience by providing at least thirty (30) days' advance written notice to the other party.

If DOH elects to suspend the Contract, in whole or in part, LHJ shall stop work as of the effective date of DOH's written notice of suspension. During suspension, each Party will reasonably notify the other of any conditions that may affect resumption of performance. Upon DOH's written notice to resume performance, LHJ shall resume work unless the LHJ provides notice to DOH that services cannot be resumed. If LHJ cannot resume performance, the Contract or affected Exhibit A, Statement of Work, will be deemed terminated upon the date the LHJ received notice to suspend performance.

37. Termination for Default

(a) In the event of a default by either party under this Contract, the nondefaulting party may give written notice to the defaulting party that it intends to terminate this Contract, or any program hereunder, if the default is not cured within thirty (30) days of the date of the notice, or such longer period of time as may be reasonable under the circumstances. If the default is not cured within that time, the nondefaulting party may then notify the defaulting party in writing that this Contract is terminated. In the event of such termination, the nondefaulting party shall have all rights and remedies available to it under general law.

(b) A disputed termination for default is expressly subject to the Disputes section of this Contract.

38. Termination Procedure

Upon termination DOH may require the LHJ to deliver to DOH any non-LHJ-owned equipment, data, or other property specifically produced or acquired for the performance of such part of this Contract as has been terminated.

DOH shall pay to the LHJ the agreed upon price, if separately stated, for completed work and services accepted by DOH. In addition, DOH shall pay the amount determined by DOH's Contracting Officer for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by DOH, and (d) the protection and preservation of the property. Disagreement by the LHJ with the determination of DOH's Contracting Officer that relates to the obligations or amounts due to the LHJ shall be considered a dispute within the meaning of the "Disputes" clause of this Contract. DOH may withhold from any amounts due the LHJ for such completed work or services such sum as DOH's Contracting Officer reasonably determines to be necessary to protect DOH against potential loss or liability. The rights and remedies of DOH provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

After receipt of a written notice of termination, the LHJ shall:

- Stop work under the Contract on the date and to the extent specified in the notice.
- Place no further orders or subcontracts for materials, services, or facilities, except as necessary to complete such portion of the work not terminated.
- Assign to DOH, to the extent reasonably directed by DOH's Contracting Officer and to the extent that the LHJ has the legal right to do so, all of the right, title, and interest of the LHJ under the orders and subcontracts in which case DOH has the right, at its reasonable discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

- Settle all outstanding liabilities and all claims arising out of orders or subcontracts, with the approval or ratification of DOH's Contracting Officer to the extent he/she may reasonably require, which approval or ratification shall be final for all the purposes of this clause.
- Transfer title to DOH and deliver, as reasonably directed by DOH's Contracting Officer, any property which, if the Contract had been completed, would have been required to be furnished to DOH.
- Complete performance of such part of the work not terminated by DOH's Contracting Officer; and,
- Take such action as may be necessary, or as DOH's Contracting Officer may reasonably direct, for the protection and preservation of the property related to this Contract, which is in the possession of the LHJ, or its subcontractors, and in which DOH has or may acquire an interest.

IN WITNESS WHEREOF, the parties have executed this Contract.

3. CERTIFICATION REGARDING LOBBYING

Title 31, United States Code, Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a SPECIFIC grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (non-appropriated) funds. These requirements apply to grants and cooperative agreements EXCEEDING \$100,000 in total costs (45 CFR Part 93).

The undersigned (authorized official signing for the contracting organization) certifies, to the best of his or her knowledge and belief, that:

- A. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or

cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. (If needed, Standard Form-LLL, "Disclosure of Lobbying Activities," its instructions, and continuation sheet are included at the end of the application form.)

- C. The undersigned shall require that the language of this certification be included in the award documents for all subcontracts at all tiers (including subcontracts, subcontracts, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering this transaction imposed by Section 1352, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

4. CERTIFICATION REGARDING PROGRAM FRAUD CIVIL REMEDIES ACT (PFCRA)

The undersigned (authorized official signing for the contracting organization) certifies that the statements herein are true, complete, and accurate to the best of his or her knowledge, and that he or she is aware that any false, fictitious, or fraudulent statements or claims may subject him or her to criminal, civil, or administrative penalties. The undersigned agrees that the contracting organization will comply with the Public Health Service terms and conditions of award if a contract is awarded.

5. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds. The law does not apply to children's services provided in private residence, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole source of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing the certification, the undersigned certifies that the contracting organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The contracting organization agrees that it will require that the language of this certification be included in any subcontracts which contain provisions for children's services and that all subrecipients shall certify accordingly.

The Public Health Services strongly encourages all recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

6. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - INSTRUCTIONS FOR CERTIFICATION

By signing and submitting this certification, the prospective contractor is providing the certification set out below.

- A. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective contractor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter this transaction. However, failure of the prospective contractor to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

- B. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter this transaction. If it is later determined that the prospective contractor knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.
- C. The prospective contractor shall provide immediate written notice to the department or agency to whom this contract is submitted if at any time the prospective contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- D. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the person to whom this contract is submitted for assistance in obtaining a copy of those regulations.
- E. The prospective contractor agrees by submitting this contract that, should the proposed covered transaction be entered, it shall not knowingly enter any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DOH.
- F. The prospective contractor further agrees by submitting this contract that it will include the clause titled Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion -- Lower Tier Covered Transaction, provided by HHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- G. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List of excluded parties at <https://sam.gov/content/home>.
- H. Nothing contained in the foregoing shall be construed to require establishment of a system of records to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- I. Except for transactions authorized under paragraph F. of these instructions, if a participant in a covered transaction knowingly enters a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DOH may terminate this transaction for cause or default.

7. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

 - 1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency.

 - 4) Have not within a three-year period preceding this contract had one or more public transactions (Federal, State, or local) terminated for cause or default.

B. Where the prospective contractor is unable to certify to any of the statements in this certification, such prospective contractor shall attach an explanation to this contract.
