To the extent practicable, the Parties shall use their best, good faith efforts cooperatively and collaboratively to resolve any dispute that may arise in connection with this Agreement as efficiently as practicable, and at the lowest possible level with authority to resolve such dispute. The Parties shall make a good faith effort to continue without

delay to carry out their respective responsibilities under this Agreement while attempting to resolve any such dispute.

Except as otherwise provided in this Agreement, when a dispute arises between the parties and it cannot be resolved by direct negotiation, the parties shall participate in mediation in good faith. The parties shall choose the mediator by agreement. If the parties cannot agree on a mediator, the parties shall use a mediation service that selects the mediator for the parties. The parties agree that mediation must precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Agreement will be construed to limit the parties' choice of a mutually acceptable alternative resolution method such as a dispute resolution board or arbitration.

14.16. ELECTRONIC SIGNATURES

An electronic signature or electronic record of this Contract or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Contract or such other ancillary agreement for all purposes.

14.17. EXHIBITS AND HYPERLINKS

Each of the exhibits referenced herein or attached hereto and documents hyperlinked herein are incorporated into this Agreement.

14.18. FORCE MAJEURE

Neither Contractor/Recipient nor OPD shall be liable or responsible for delays or failures in performance resulting from events beyond the reasonable control of such party and without fault or negligence of such party. Such events shall include but not be limited to strikes, lockouts, riots, acts of war, epidemics, pandemics, acts of government, fire, power failures, nuclear accidents, earthquakes, unusually severe weather, acts of terrorism, or other disasters, whether or not similar to the foregoing, and acts or omissions or failure to cooperate of the other party or third parties (except Subcontractors).

In the event a Force Majeure occurs after the effective date and prior to completion or expiration date of this Contract, OPD, at its sole discretion, may elect to suspend performance of the Contract until OPD determines the Force Majeure event resolved. OPD may exercise this option with no notification restrictions.

14.19. GOVERNING LAW AND VENUE

This Contract will be construed and interpreted in accordance with the laws of the state of Washington and the venue of any action brought hereunder must be in the Superior Court for Thurston County.

14.20. HARASSMENT

Contractor/Recipient shall not engage in unlawful harassment, including sexual harassment, with respect to any persons with whom Contractor/Recipient interacts in the performance of this Contract.

14.21. HEADINGS & CAPTIONS

The headings and captions used herein are for reference and convenience only and shall not enter into the interpretation hereof unless otherwise specified herein.

14.22. INDEMNIFICATION

Contractor/Recipient shall defend, protect, and hold harmless the state of Washington, including all elected officials, public agencies, officers, and employees thereof, from and against all claims, suits, and actions, including all costs of defense, arising from any negligent act or omission of Contractor/Recipient or any authorized subcontractor or any employee or agent of either, in the performance of this Contract.

14.23. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties to this Contract, in the performance of it, will be acting in their individual capacities and not as agents, employees, partners, joint ventures, or associates of one another. The employees or agents of one party will not be considered or construed to be employees or agents of the other party for any purpose whatsoever. Moreover, Contractor/Recipient shall not hold themselves out as employees of OPD.

As provided in Chapter 236 Laws of 2012 and Washington Public Employees' Retirement System RCW 41.40.010 section 13(c), Contractor/Recipient and any employees of Contractor/Recipient providing services under this Contract are not, as a result of providing services under this Contract, eligible for any public benefits, including membership in any public retirement programs of the State of Washington.

14.24. INSURANCE INDUSTRIAL COVERAGE

If required by law, Contractor/Recipient shall provide or purchase industrial insurance coverage prior to performing work under this Contract. OPD will not be responsible for payment of industrial insurance premiums or for any other claim or benefit for Contractor/Recipient or any authorized subcontractor or employee of Contractor/Recipient that might arise under the industrial insurance laws during the performance of duties and services under this Contract. If the Department of Labor and Industries, upon audit, determines that industrial insurance payments are due and owing as a result of work performed under this Contract, those payments shall be made by Contractor/Recipient; Contractor/Recipient shall indemnify OPD and guarantee payment of such amounts.

14.25. INSURANCE LIABILITY COVERAGE

Unless otherwise specified herein, Contractor/Recipient shall maintain adequate insurance coverage. OPD will not be responsible for payment of insurance premiums. The intent of the required insurance is to protect the state should there be any claims, suits, actions, costs, damages, or expenses arising from any negligent or intentional act or omission of Contractor/Recipient or subcontractor or agents of either while performing under the terms of this Contract.

Contractor/Recipient shall, prior to commencement of this Contract, obtain, at its sole cost and expense, and at all times during the term of this Contract, maintain insurance coverage. Failure to maintain sufficient coverage shall not relieve the Contractor/Recipient of its duty of indemnification as stated in this Contract.

Contractor/Recipient agrees to provide evidence of insurance coverage upon request from OPD. If Contractor/Recipient is a government agency covered by a governmental self-insurance program, it can provide verification of self-insurance to satisfy the evidence of insurance requirement.

Contractor/Recipient is advised to assess services delivered pursuant to this Contract and to purchase insurance coverage for risks associated with those services. For example, while not necessarily required under the Contract, services may involve advising clients or associated parties, hosting clients or associated parties on its premises, transporting clients or associated parties in its vehicle, or storing personal information associated with a client or associated parties on its electronic systems, amongst others. Consequently, pursuant to the assessment, Contractor/Recipient may determine to purchase insurance policies like professional liability errors and omissions coverage, general liability coverage, business use automobile coverage, or cyber risk liability coverage, amongst others, for perils associated with those activities.

Contractor/Recipient is advised to carry short term disability insurance for any extended unavailability due to illness, injury, or similar.

Failure to provide and maintain insurance as required may result in termination of the Contract.

By requiring insurance, the State of Washington and OPD do not represent that the coverage and limits specified will be adequate to protect the Contractor/Recipient. Such coverage and limits shall not be construed to relieve the Contractor/Recipient from liability in excess of the required coverage and limits and shall not limit the

Contractor's/Recipient's liability under the indemnities and reimbursements granted to the State and OPD in this Contract. All insurance provided in compliance with this Contract shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the State.

Contractor/Recipient waives all rights, claims, and causes of action against the State of Washington and OPD for the recovery of damages covered by insurance maintained by Contractor/Recipient.

14.26. LAWS

Contractor/Recipient shall comply with all applicable laws, ordinances, codes, regulations, court rules, policies of local and state and federal governments, as now or hereafter amended.

14.27. LICENSING AND ACCREDITATION STANDARDS

Contractor/Recipient shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary in the performance of this Contract.

14.28. NON-DISCRIMINATION

Contractor/Recipient shall comply with all federal and state nondiscrimination laws, regulations, and policies in the performance of this Contract. Contractor/Recipient shall not discriminate against any client or person with whom Contractor/Recipient interacts in the performance of this Contract because of race, national origin, color, gender, religion or age; disability, pregnancy, or physical or mental health condition; sexual orientation, or gender identity or expression; marital or veteran status; or English proficiency or speaking accent. In the event of Contractor's/Recipient's noncompliance or refusal to comply with any nondiscrimination law, regulation, or policy, OPD may terminate this Contract in whole or in part in accordance with the Termination for Default section below, and OPD may declare Contractor/Recipient ineligible for further contracts with OPD.

14.29. NON-EXCLUSIVITY

This Contract is non-exclusive. During the term of this Contract, OPD reserves the right to enter into agreements with other parties as it deems fit. Nothing contained in this Contract shall be construed to limit in any way OPD's right to enter a like or similar agreement or grant a like or similar license to any other entity or party on such terms as OPD may in its sole discretion deem appropriate.

14.30. OBLIGATIONS UPON EXPIRATION OR TERMINATION

Upon expiration or termination of this Contract, Contractor/Recipient shall continue to fulfill Contractor's/Recipient's obligations with respect to any Services and provisions of this Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of this Contract.

14.31. OVERPAYMENTS

If an audit of Contractor's/Recipient's or OPD's records determines that fees paid pursuant to this Contract are in excess of those authorized under this Contract, Contractor/Recipient shall immediately reimburse OPD for any excess amounts as determined by such audit.

14.32. POLITICAL ACTIVITIES

Political activities of Contractor's/Recipient's employees and officers are limited by the State Campaign Finances and Lobbying provisions of Chapter 42.17A RCW and the Federal Hatch Act, 5 USC 1501 - 1508. None of the funds provided under this Contract shall be used for publicity, lobbying, or propaganda purposes designed to support or defeat legislation pending before any federal, state, or local government, ballot measures or candidacy of any person for public office.

14.33. PRIVACY PROTECTION

Information collected, used or acquired in connection with this Contract shall be used solely for the purposes of this Contract. Contractor/Recipient and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons confidential information without the express written consent of OPD or as provided by law or applicable rules of professional conduct. Contractor/Recipient agrees to implement physical, electronic and managerial safeguards to prevent unauthorized access to any confidential information that comes into Contractor's/Recipient's possession as a result of the work performed under this Contract.

Confidential information includes, but is not limited to, any information identifiable to an individual that relates to a natural person's health, finances, education, business, use or receipt of governmental services, names, addresses, telephone numbers, social security numbers, driver license numbers, financial profiles, credit card numbers, financial identifiers and any other identifying numbers, law enforcement records, or health care or state security information.

14.34. PROFESSIONAL COURTESY AND CONDUCT

Contractor/Recipient agrees to conduct all interactions with clients, peers, OPD, and the justice system, in a professional, respectful, and courteous manner. The parties shall strive to maintain a collaborative and constructive working relationship, avoiding any behavior that could be perceived as hostile, disrespectful, or disruptive. This includes timely communication, responsiveness to inquiries, and adherence to mutually agreed timelines. OPD likewise agrees to extend the same level of professional courtesy to the Contractor/Recipient.

14.35. PUBLIC INFORMATION

Unless statutorily exempt from public disclosure, this Contract and all related records are subject to public disclosure as required by Washington's General Rule 31.1, Access to Administrative Records.

Contractor/Recipient, when submitting records to OPD or otherwise making written inquiries or requests to OPD, shall redact any confidential information contained therein and shall not identify clients or other case-related parties by name, unless specifically requested by OPD to do so.

14.36. PUBLICITY

Contractor/Recipient shall submit to OPD all advertising and publicity materials relating to this Contract wherein OPD's name is mentioned or language is used from which the connection of OPD may, in OPD's judgment, be inferred or implied. Contractor/Recipient shall not publish or use such advertising and publicity materials without OPD's prior written consent.

14.37. RECAPTURE

If the Contractor/Recipient fails to perform this Contract in accordance with state laws, federal laws, and/or the provisions of the Contract, OPD reserves the right to recapture funds in an amount to compensate OPD for the noncompliance in addition to any other remedies available at law or in equity.

14.38. RECORDS, DOCUMENTS, AND REPORTS

Contractor/Recipient shall maintain books, records, documents, data, and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract.

Contractor/Recipient shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, will be subject at all reasonable times to inspection, review, or audit by OPD, personnel duly authorized by the OPD, the Office of the State Auditor, and federal and state officials so authorized by law, regulation, or agreement.

If any litigation, claim, or audit is started before the expiration of the six-year period, Contractor/Recipient shall retain the records until all litigation, claims, or audit findings involving the records have been resolved.

14.39. REGISTRATION WITH DEPARTMENT OF REVENUE

The Contractor/Recipient shall complete registration with the Washington State Department of Revenue and shall be responsible for payment of all taxes due on payments made under this Contract.

14.40. REGISTRATION WITH STATEWIDE VENDOR REGISTRY

OPD will process payments using the Contractor's/Recipient's or authorized service provider's statewide vendor number (SWV). Contractor/Recipient or authorized service provider shall complete registration for the SWV and maintain its accuracy with the Washington State Office of Financial Management, Statewide Vendor/Payee Services. Contractor/Recipient may find all information regarding registration at: <https://ofm.wa.gov/tech-support/statewide-vendor-payee-services>. OPD cannot guarantee timely payment without the Contractor's/Recipient's or authorized service provider's current SWV.

14.41. RIGHT TO INSPECTION

At no additional cost, all records relating to the Contractor's/Recipient's performance under this Contract shall be subject at all reasonable times to inspection, review, and audit by OPD, the Office of the State Auditor, and state officials authorized by law, in order to monitor and evaluate performance, compliance, and quality assurance under this Contract. The Contractor/Recipient shall provide access to its facilities for this purpose.

14.42. RIGHT TO MONITOR

Contractor/Recipient shall provide right of access to its facilities to OPD or any of its officers at all reasonable times in order for OPD to monitor and evaluate performance, compliance, and quality assurance under this Contract, not to include inspection of confidential client information. OPD shall perform all inspections and evaluations in such a manner that will not unduly interfere with Contractor's/Recipient's business or work hereunder.

14.43. SEVERABILITY

If any provision of this Contract or any provision of any document incorporated by reference is held invalid, such invalidity shall not affect the other provisions of this Contract that can be given effect without the invalid provision if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Contract. To this end, the provisions of this Contract are declared to be severable.

14.44. SUBCONTRACTING

Neither Contractor/Recipient nor any OPD approved subcontractor shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of OPD. Contractor's employees are not considered subcontractors.

In no event will the existence of a subcontract operate to release or reduce the liability of Contractor/Recipient to OPD for any breach in the performance of Contractor's/Recipient's duties. If Contractor/Recipient violates this provision OPD may, at its option, terminate this Contract in accordance with the Termination for Default section below.

14.45. SURVIVORSHIP

The terms, conditions and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, expiration or termination of this Contract shall so survive.

14.46. SUSPENSION FOR CONVENIENCE

OPD may suspend this Contract or any portion thereof for a temporary period by providing written notice to the Contractor/Recipient a minimum of seven (7) calendar days before the suspension date. Contractor/Recipient shall resume performance on the first business day following the suspension period unless another day is specified in writing by OPD prior to the expiration of the suspension period.

14.47. TAXES

Where required by statute or regulation, Contractor/Recipient shall pay for and maintain in current status all taxes that are necessary for Contract performance. If Contractor/Recipient is a business registered out-of-state or out-of-country, then OPD will pay use taxes, if any, imposed on the services and materials acquired hereunder, to the Washington State Department of Revenue (DOR) on behalf of the Contractor/Recipient.

Contractor/Recipient shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract. An Out-of-State Contractor/Recipient must contact the Department of Revenue to determine whether they meet criteria to register and establish an account with the Department of Revenue. Refer to WAC 458-20-101 (Tax registration and tax reporting) and call the Department of Revenue at 800-647-7706 for additional information.

All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance, or other expenses for Contractor/Recipient or Contractor's/Recipient's staff shall be Contractor's/Recipient's sole responsibility.

14.48. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract, either party may, by written notice, beginning on the second day after the mailing, provide notice to terminate this Contract in whole or in part. If this Contract is so terminated, OPD will be liable only for payment required under the terms of this Contract for services rendered prior to the effective date of termination.

14.49. TERMINATION FOR DEFAULT/CAUSE

OPD may terminate this Contract for default, in whole or in part, by written notice to Contractor/Recipient if OPD has a reasonable basis to believe that Contractor/Recipient has:

- failed to meet or maintain any requirement for contracting with OPD.
- failed to render adequate representation or services to clients or willfully disregarded the rights and best interests of the client.
- failed to perform under or otherwise breached any term or condition of this Contract.
- violated any applicable law or regulation.
- or otherwise breached any provision or condition of this Contract.

If it is later determined that Contractor/Recipient was not in default, the termination will be considered a termination for convenience.

14.50. TERMINATION OR SUSPENSION FOR NON-AVAILABILITY OF FUNDS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way, OPD, at its sole discretion, may elect to suspend or terminate the Contract, in whole or part, for convenience or to renegotiate the Contract subject to new funding limitations and conditions.

14.51. TERMINATION PROCEDURE

Upon expiration, suspension, or termination of this Contract, and except as otherwise directed by OPD, Contractor/Recipient shall comply with all directions contained in OPD's notice of expiration, suspension, or termination, including:

- stopping work on any cases, services or deliverables where OPD directs the cessation of work.
- completing work on any cases, services or deliverables where OPD directs the completion of work.
- complying with any other requirements for completion of work that OPD specifies.

On termination, OPD may withhold from any amounts due Contractor/Recipient for completed work, services or deliverables such sum as OPD determines to be reasonably necessary to protect OPD against potential loss or liability.

The rights of and remedies available to OPD provided in this clause are not exclusive and are in addition to any other rights and remedies provided by law or this Contract.

In the event of termination of this Contract, OPD reserves the right to require a bond to assure completion of the work by Contractor/Recipient, pursuant to state law.

14.52. TRAVEL

If there are OPD-approved travel expenses, including but not limited to, airfare, mileage, and lodging, they will be purchased or reimbursed in accordance with the Washington State Office of Financial Management's (OFM) State Accounting and Administrative Manual (SAAM) travel policies and rates or its successor the Washington Administrative and Accounting Manual (WAAM). OPD may have more restrictive procedures or applicable OPD policies further limiting travel expense purchases or reimbursement.
