Authority Granted: Authorizes the County Executive to sign the agreement

Background: Snohomish County Council appropriated funding for Council projects as part of the 2023 Adopted Budget. To address the need presented from the City being the location of multiple facilities that draw Snohomish County residents into Everett for events and other community gatherings, the County has determined that it is in the public interest of its residents to provide funds to support the placement of public restrooms in the City.

Requested Action: Move to GLS on September 20th to set time and date for a public hearing.
