TO: Dave Somers, County Executive
FROM: Dave Schonhard, Solid Waste Director
VIA Kelly Snyder, Public Works Director
SUBJECT: Fee Waiver for Storm Damaged Goods

This memo informs the County Council and Finance Department about the free disposal service offered to residents for flood damaged household goods. SCC 7.41.022 (Solid Waste Disposal Emergencies) requires the County Executive to provide written notification of the elimination of any fees to the County Council and the Finance Department.

A delay in the start of the program is necessary to survey and gather information regarding the extent and severity of the event.

We are also sending an ECAF forward requesting Council to approve the fee elimination through a specified date and a period of 30 days for cleanup. That information is also contained in the memo.
