Hello Clerk and Mr. Goforth,

Based on the incomplete response I received regarding public access at Hillman Place, I have updated my remarks. Attached are the updated **3-minute address** and **detailed reference memo**.

Please distribute these to the Council and include them in the official record. I plan to attend the September 17 session at 9:00 a.m. via Zoom.

Respectfully,

Hello Clerk and Mr. Goforth,

I plan to speak at the next meeting on Tuesday on an emergency access obstruction at Hillman Place.

Attached is a 2015 Traffic Investigator's Report showing concrete pillars blocking the right of way. Fire District 14 stated this is their only access to the beach. The pillars remain in 2025.

Thank you.
