Additional legal description is on page        of document

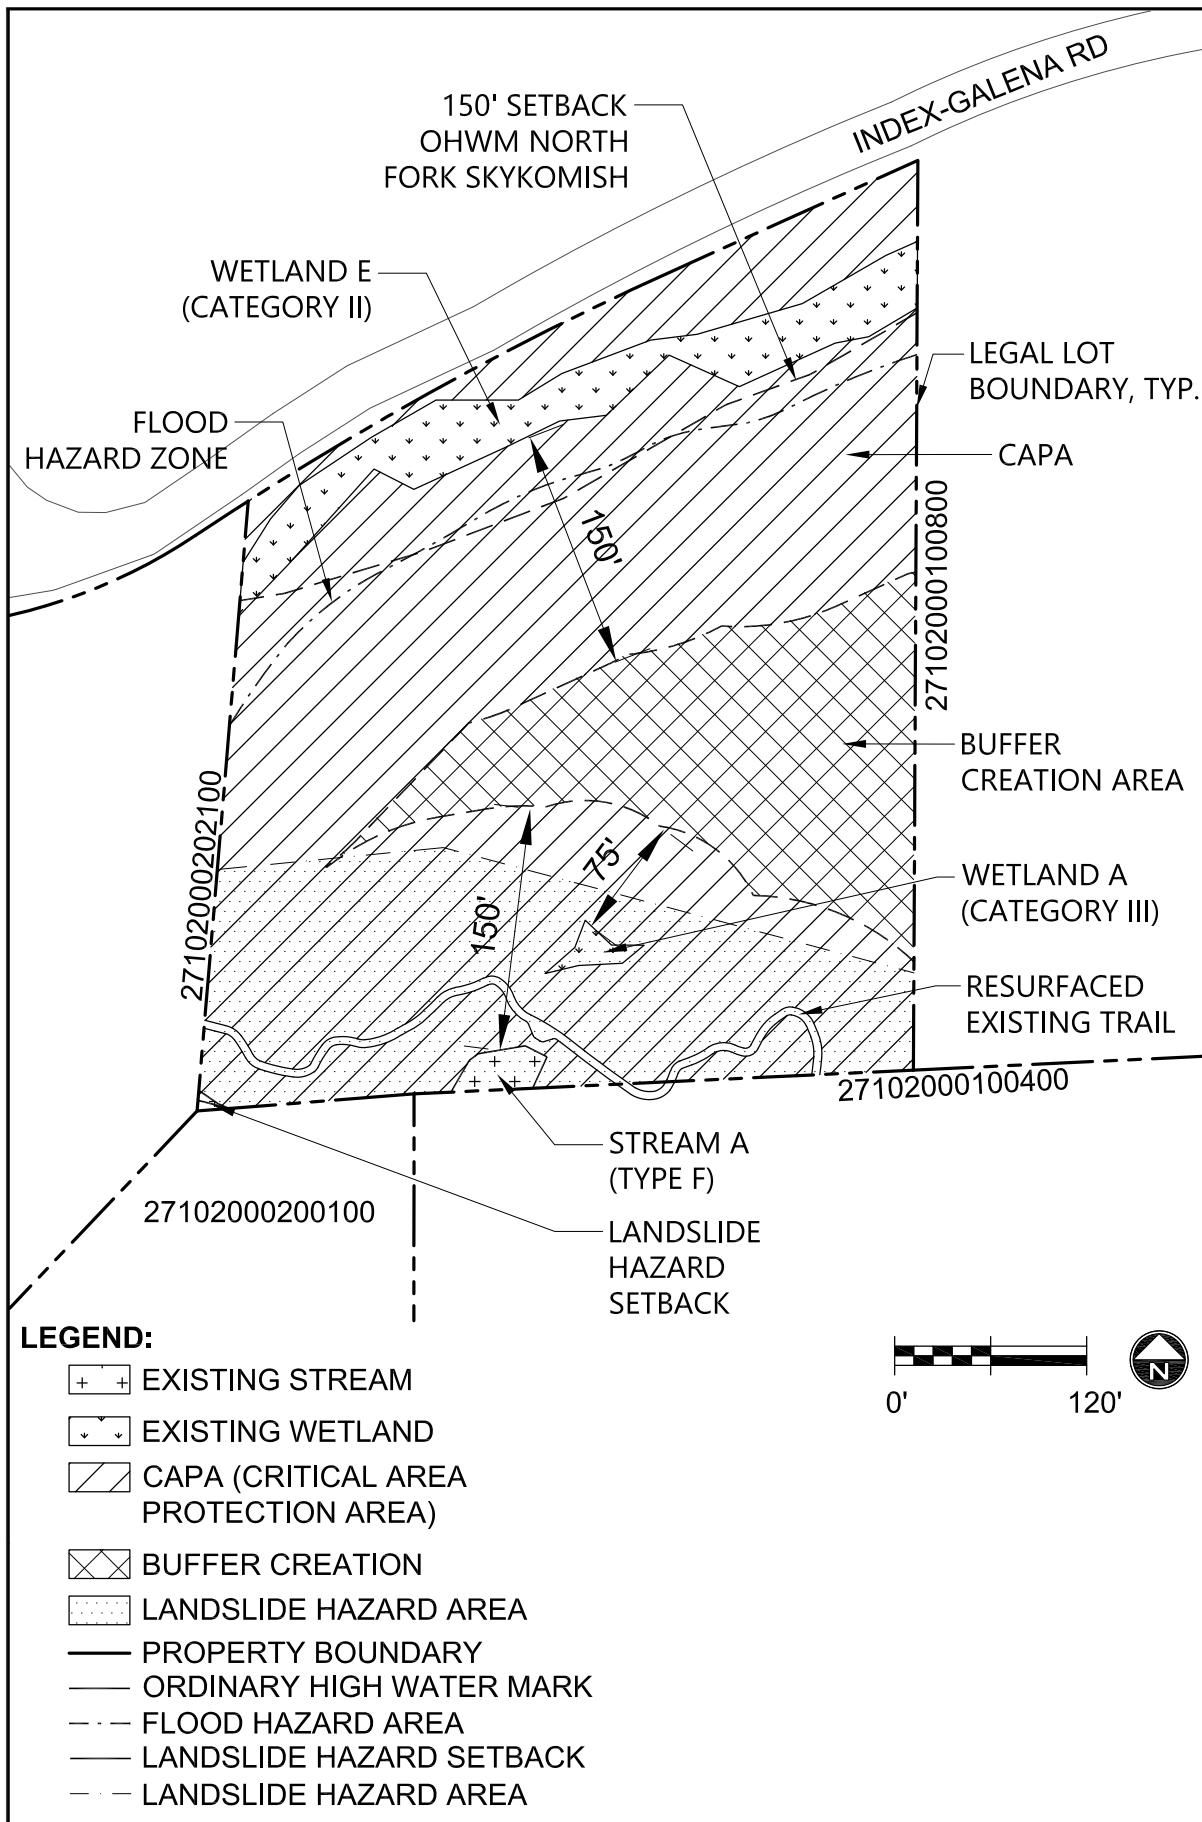

In consideration of Snohomish County Code requirements, except as otherwise provided herein, the CAPA (Critical Area Protection Area) shall be left permanently undisturbed in a substantially natural state.

**Exceptions:** The following are allowed in CAPAs: Existing legally established uses and structures (see site plan); Non-ground disturbing interior or exterior building improvements; routine landscape maintenance of established, ornamental landscaping; non ground disturbing normal maintenance or repair; removal of noxious weeds conducted in accordance with chapter 16-750 WAC; maintenance or replacement that does not expand the affected area of the following existing facilities: (a) septic tanks and drainfields; (b) wells; (c) individual utility service connections; data collection by non-mechanical means, and non-mechanical survey and monument placement.
