#### **BRIEF DESCRIPTION:**

The Facilities & Fleet Department requests the use of a "piggyback" or "cooperative purchase" under SCC 3.04.220 utilizing a competitive bid process issued and awarded by Sourcewell. A Sourcewell Agreement between Snohomish County and Sourcewell authorizing cooperative purchases was approved by the County Council under Motion 18-247 and is currently in effect.

Sourcewell issued RFP number 011723 for Heavy Construction Equipment with Related Attachments and Technology on November 15, 2022. The bid contained 4 major categories of equipment: (1) Wheeled and tracked backhoe loaders; (2) Motor graders; (3) Wheeled and tracked excavators; and (4) Cranes. Thirteen Suppliers were awarded. This recommendation is for the highest scoring proposer for Categories 1, 2 and 3. The recommended supplier is not located in Snohomish County but has local dealerships. Issuing a county bid is not expected to result in a difference of supplier.

The purchase of this equipment supports the equipment replacement program operated by Facilities & Fleet for the Road Maintenance Division and others. The estimated award amount is to cover the potential need in the event we reach award limits through the ultimate piggyback term ending 4/14/2028.

#### **AWARD AUTHORITY:**

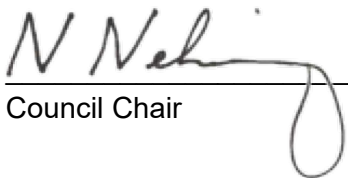

This contract award recommendation is before the County Council for approval to award in accordance with Snohomish County Code section 3.04.120, "Formal sealed bidding," and SCC 3.04.140(5), "Award, execution, by whom," which establish the County Council as the award authority for contracts subject to bidding requirements greater than \$500,000.
