Consideration:

Confirm the appointment of six new members and one re-appointment to the Parks Advisory Board.

Background:

The Parks Advisory Board was established in 1985 through Ordinance 85-032. The Board’s purpose is to assist the DCNR Director and Parks Division Manager in reviewing and recommending policies relating to parks, playgrounds or other recreational facilities owned by the County. The Board is composed of 11 members, five members representing Council Districts (one each), and six at- large members.

Currently, the District 2 and 3 seats are vacant and District 4 and 5 seats have served their maximum allowable terms as of January 15, 2023. Additionally, there are two vacant At-Large Seats.

Current Proposal:

The seven motions before you would fill six vacancies on the Parks Advisory Board, and re-appoint one member to their second term. For all seven nominees, their term would expire January 15, 2027.
