

A photograph of a flooded residential area. In the foreground, several large, light-colored rocks are partially submerged in the water. A red car is floating in the middle ground, with only its roof and windows visible above the water level. In the background, there are bare trees and a utility pole with a street sign. The scene is overcast and appears to be a winter or early spring setting.

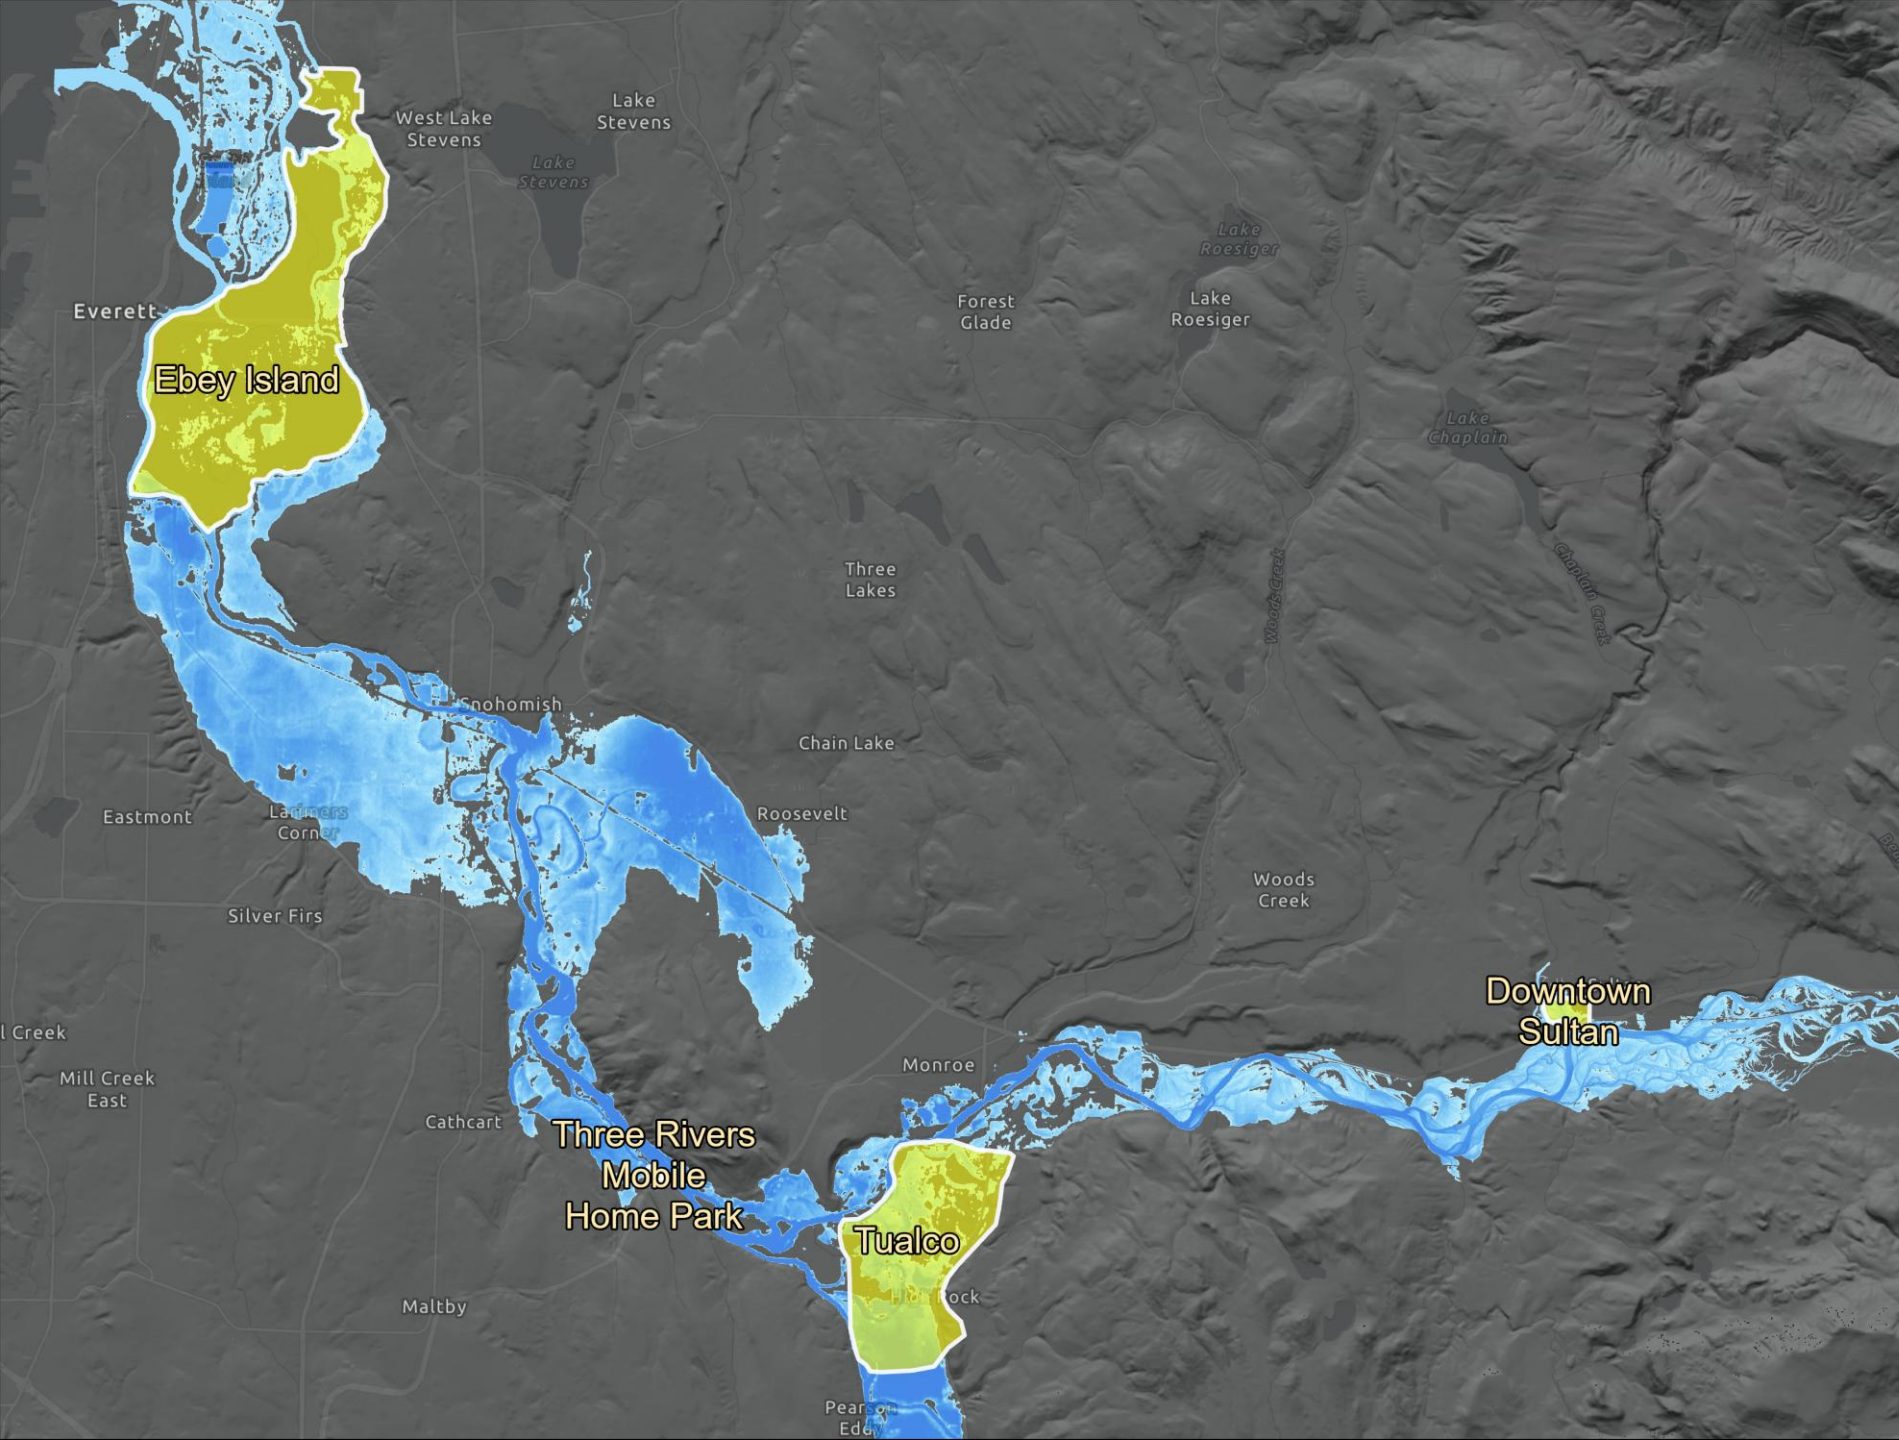

# **Snohomish County December 2025 Flood Impacts**

36,000 ACRES  
(56 SQ. MILES)  
UNDER WATER

- MAJOR FLOODING ON ALL RIVER BASINS IN THE COUNTY
- RECORD FLOODING ON THE SNOHOMISH

  - 140 chickens,
  - three rabbits and
  - two turkeys.

# Public Works

- 52 emergency road closures
- Hundreds of unique locations requiring:
  - debris removal,
  - road sweeping,
  - embankment repairs,
  - shoulder repairs,
  - washouts,
  - catch basin cleaning, and
  - pipe cleaning.
- Inspected more than 30 scour critical bridges
- Solid Waste voucher program active until March 19th

# FLOOD EVENT REPAIR PROJECTS

- Ben Howard Rd (3 locations)
- Index Galena Road (6 locations)
- Lowell Snohomish River Road
- Mountain Loop Hwy (2 locations)
- Old Snohomish-Monroe Road
- Riverview Road
- Mann Road
- 168<sup>th</sup> St SE
- Marine Drive
- Treosti Road
- Reiter Road
- Dike Road
- 311th Ave SE (Bridge 94)
- 28th Ave NW
- Marsh Road
- S. Lake Roesiger Road
- Clear Creek Road
- Home Acres Road

**Estimated repairs:**  
**\$3,650,000**

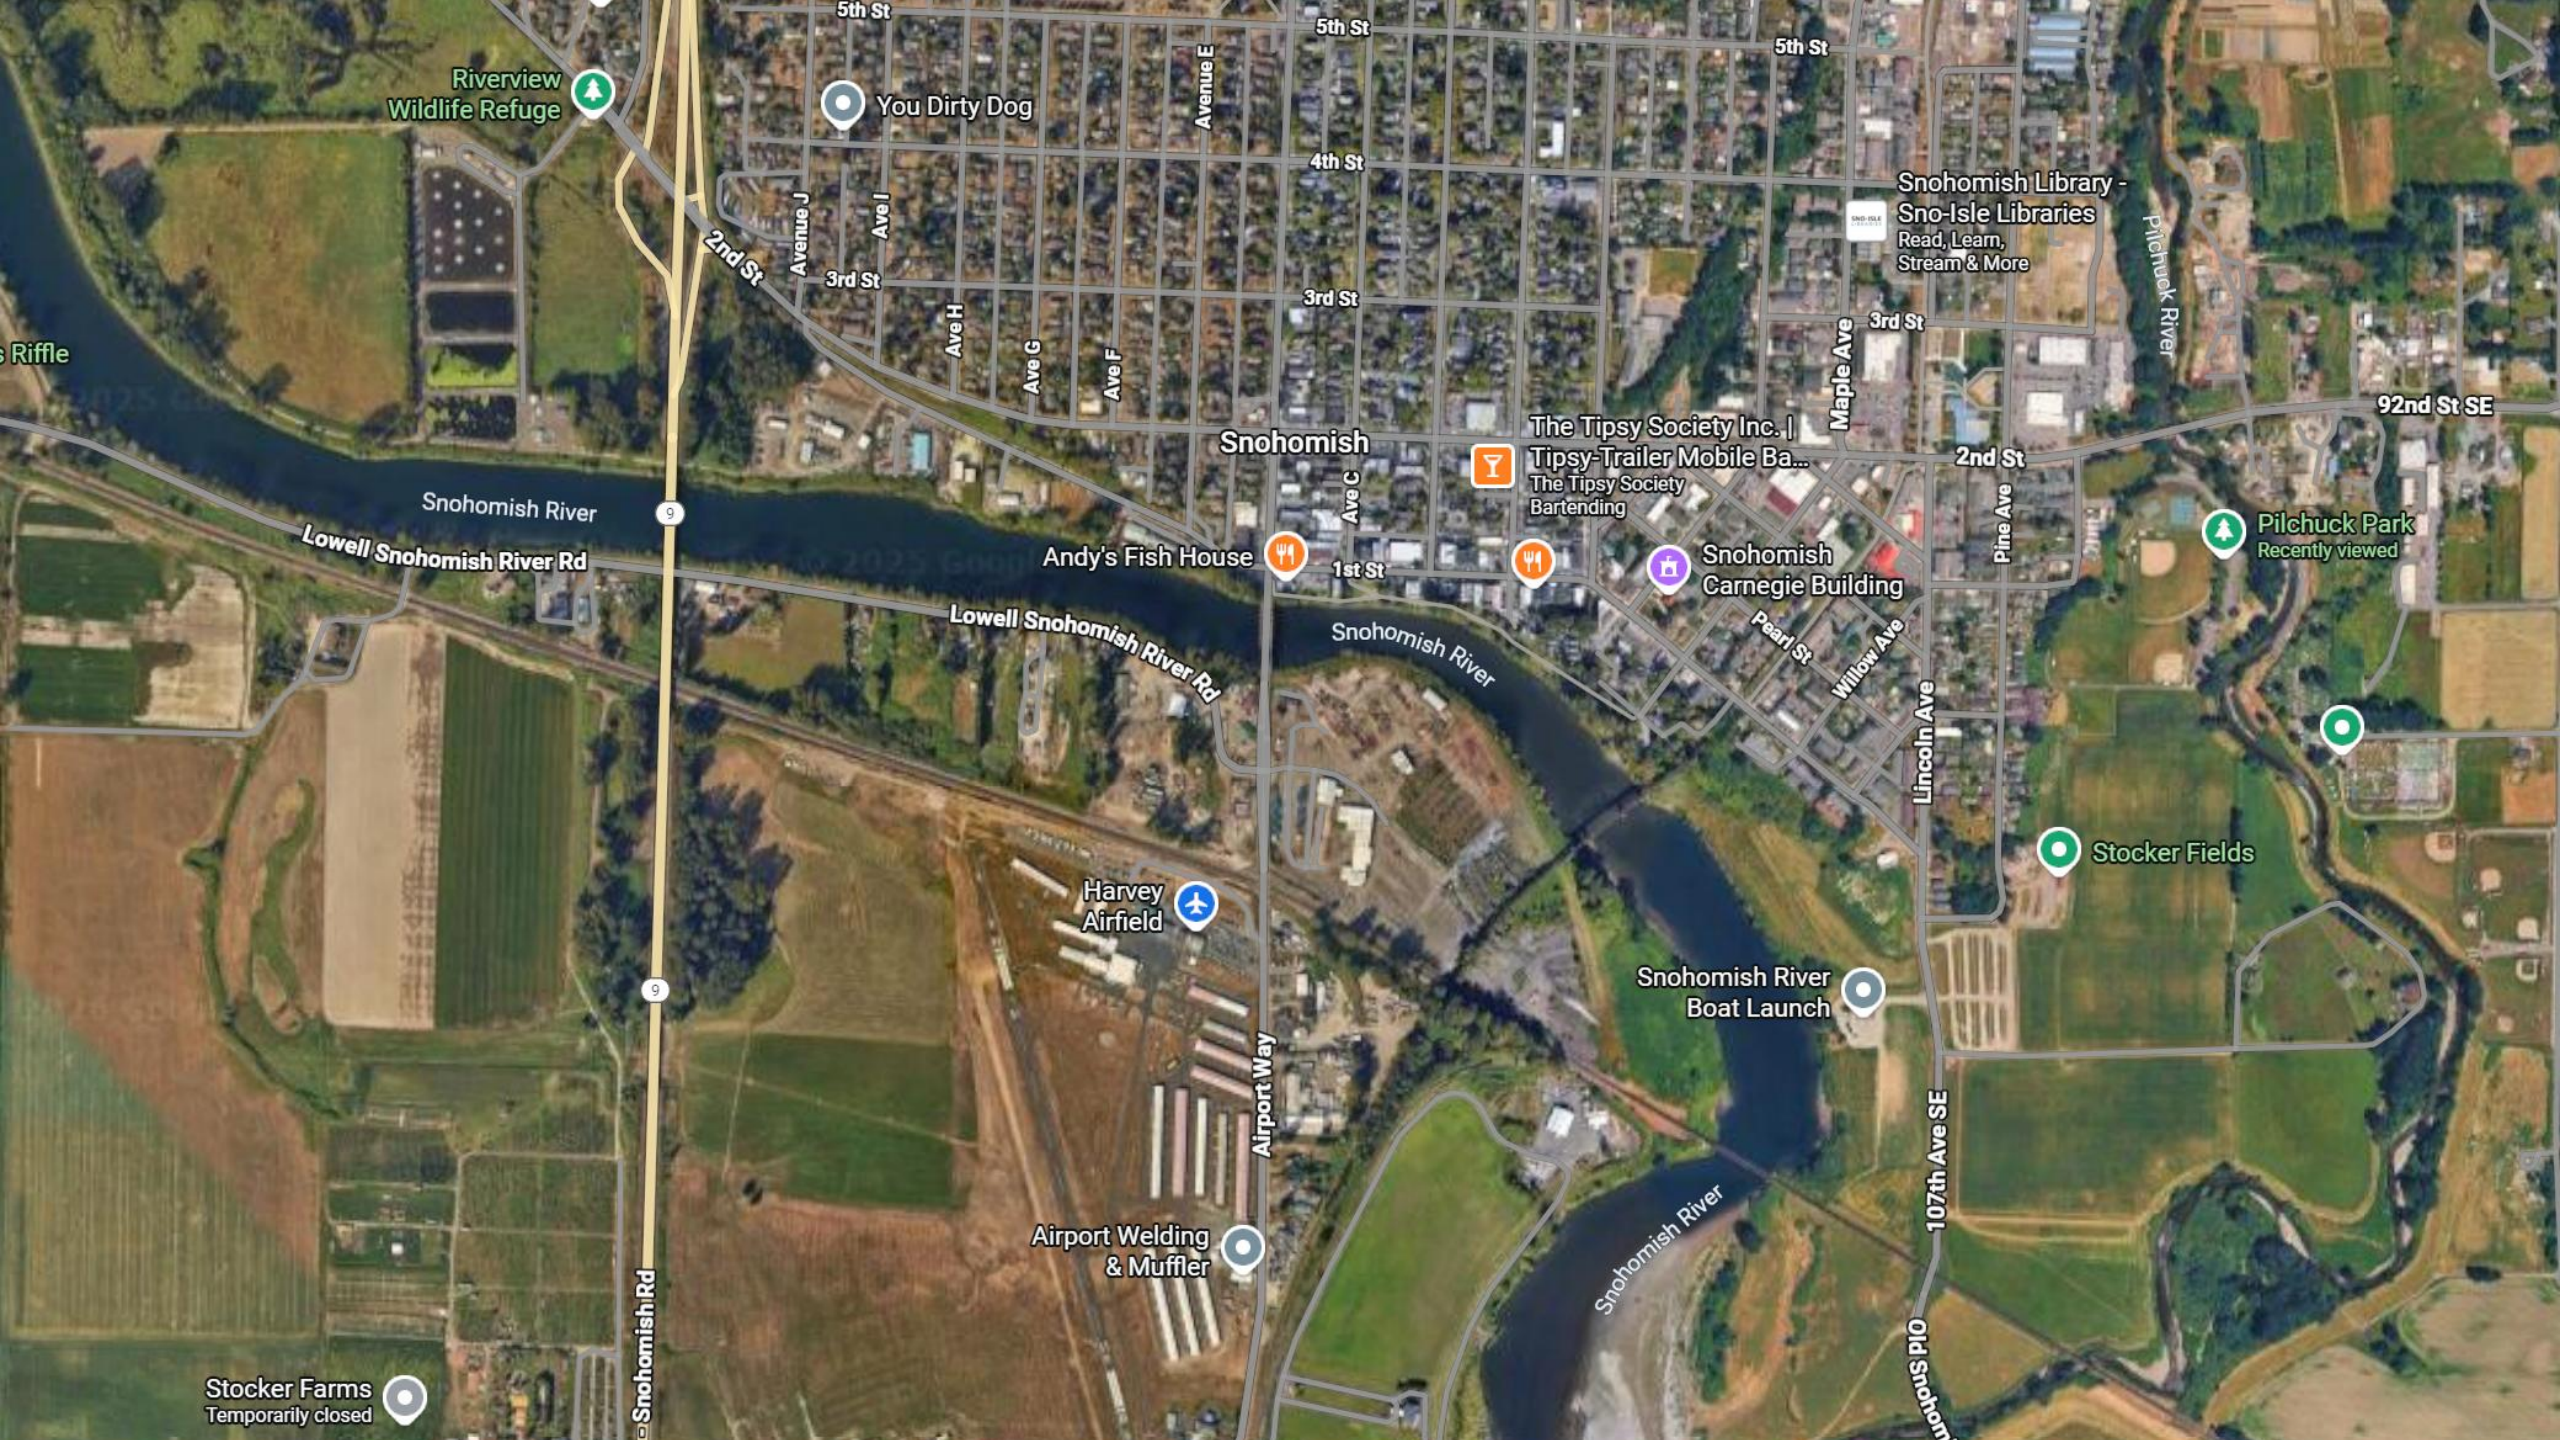

# Public Damage/Impact Estimate:

**\$18.4 Million**

Organization	Cost Estimate
SnoCo Public Works	\$2,400,000
Other SnoCo	\$710,000
City of Everett	\$1,310,000
Other Cities/Towns	\$730,000
Marshland Flood Control District	\$5,700,000
Other Special Purpose Districts	\$240,000
Public Utility District	\$7,300,000

FEMA Category	Cost Estimate
A: Debris Management	\$1,333,000
B: Protective Measures	\$1,711,000
C: Road Systems	\$2,615,000
D: Water Control Facilities	\$5,631,000
E: Public Buildings & Equipment	\$43,000
F: Public Utilities	\$6,783,000
G: Parks/Other	\$356,000

# City of Snohomish Public Works Yard

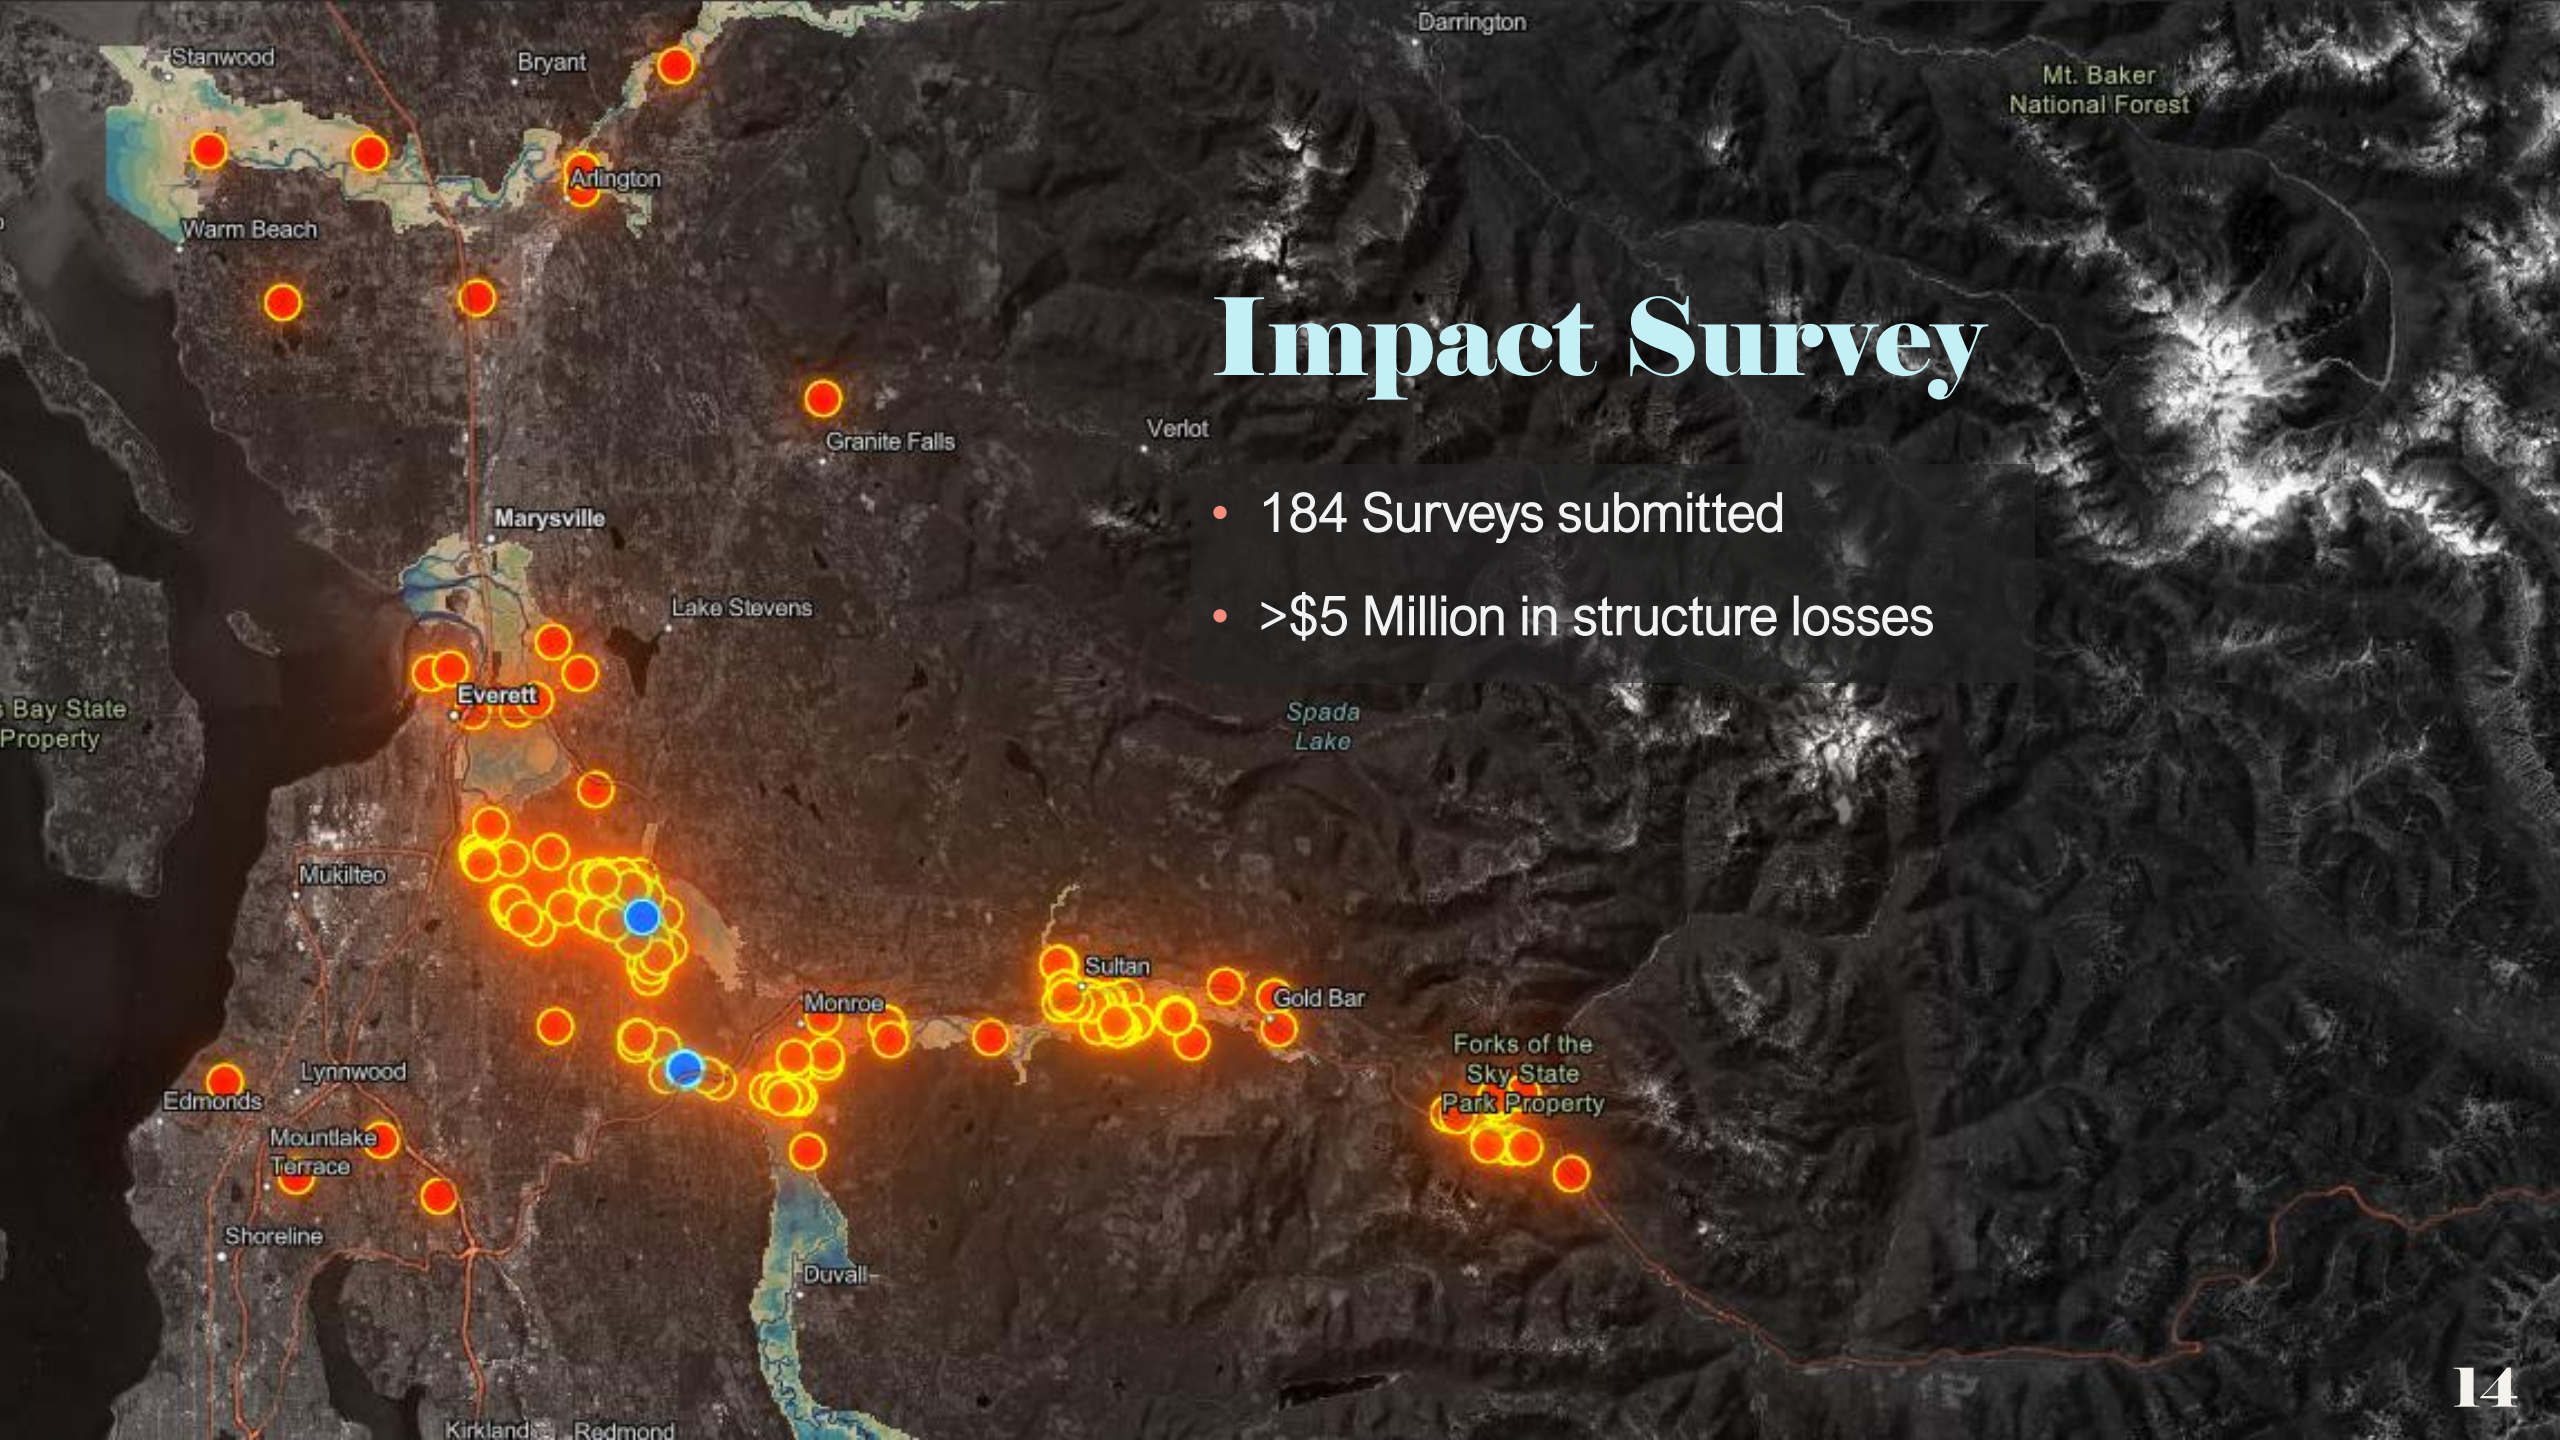

# Community Recovery

# Impact Survey

- 184 Surveys submitted
- >\$5 Million in structure losses

# Recovery Outreach

- Disaster Assistance Centers at Sky Valley VOA on January 11, 13 & 14
- 65 households assisted
- Participating Agencies
  - Department of Emergency Management
  - Human Services
  - Public Health
  - Solid Waste
  - WA Department of Licensing
  - WA Office of the Insurance Commissioner
  - WA EMD
  - WA Department of Social and Human Services
  - WorkSource/Workforce Snohomish
  - Volunteers of America
  - Refugee and Immigrant Services of the Northwest
  - Take the Next Step
  - Salvation Army
  - Red Cross
  - Tzu Chi
  - United Methodist Committee on Relief

# Remaining Needs

- Community needs: debris transport
- RV replacement
- Uncertainty of Federal reimbursement
  - Response:
    - National Guard requests
    - LiDAR flights
  - Recovery:
    - Roads and Trails

# Economic Impact: Agriculture

- Loss of hay, feed, fences, equipment, tools, plants, bulbs
- Est. loss ~40% of blueberry buds, assuming plants survive
- Greenhouses/hoop houses

# Economic Impact: Tourism

- Tourism-dependent businesses along highway 2 lost busiest time of year
- Hopeful to have USFS roads repaired prior to summer tourism season
  - Would require road maintenance appropriation

**Thank you**
