MOTION NO. 25-319

AUTHORIZING THE SURPLUS DOWN TIMBER LOCATED AT
LAKE ROESIGNER PARK KNOWN AS A PORTION OF
SNOHOMISH COUNTY TAX ACCOUNT NO.: 29072100300400

WHEREAS, in the severe “bomb cyclone” storm which took place in November 2024, a stand of trees about 10 acres in size adjacent to the campground at Lake Roesigner Park, blew down, making the site inaccessible and unsafe for recreation; and

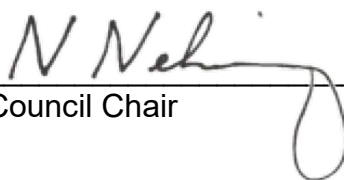

WHEREAS, the quantity of trees that fell was significant (estimated 500 MBF), and will require removal before the site can be restored to forest conditions. We propose to conduct a salvage sale of the downed trees; and

WHEREAS, the goal of the salvage sale is not only to restore the site to forested conditions, but to prevent forest health problems from arising for the remaining stand of trees;

NOW, THEREFORE, ON MOTION, the Snohomish County Council hereby finds it is in the public interest to surplus the down timber created by the November storm and authorizes the Property Officer of the Department of Facilities and Fleet, Property Management Division to surplus said downed timber allowing the Snohomish County Parks Department to conduct a salvage sale of said timber later in the year. All parties and departments involved with this matter have been conferred with and agree with the proposed Council action as described herein.

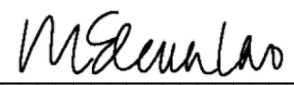

PASSED this 16th day of July, 2025.
