Background:

The County, through the Sheriff's office, provides contract law enforcement services to agencies throughout Snohomish County, this includes providing School Resource Officers to school districts. RCW's <u>28A.320.124</u>, <u>28A.320.1241</u>, <u>28A.320.1242</u> and <u>28A.320.125</u> all provide information related to the nature of the agreements and services performed.

Historically, one deputy would be assigned to a school districts for the school year and the District would be responsible for covering 75% of the that positions cost. In the summers the County would reassign that position to Sheriff's Office work and the County would pay for the remaining 25% of the positions cost (9 months assigned to the district, 3 months to the County). Due to current staffing levels at the Sheriff's Office and Lakewood's strong desire to have an SRO, this contract is funded and staffed differently than the typical agreements, using OT and a rotation of deputies to provide this service.
