10 REGULATIONS FOR DAY CARE FACILITIES; AMENDING SNOHOMISH COUNTY
11 CODE SECTIONS 30.22.100, 30.22.110 AND 30.22.130, 30.25.020, 30.26.030,
12 30.91F.100 AND ADDING NEWS SECTIONS 30.25.055, AND 30.28.030
13

15 Development Code and contains Snohomish County’s (“County”) zoning and development
16 regulations; and
17

18 WHEREAS, under the zoning regulations of chapter 30.22 SCC, certain uses are
19 “permitted uses” meaning that they are allowed following administrative approval, and other
20 uses are “conditional uses” which require additional process and a public hearing; and
21

22 WHEREAS, in 1996, the County first adopted a comprehensive plan required under
23 the Growth Management Act (GMA), chapter 36.70A RCW; and
24

25 WHEREAS, periodic updates of the comprehensive plan have occurred since its
26 original adoption, the most recent being in 2024; and
27

28 WHEREAS, Economic Development Goal 2 says that the County should “[p]rovide a
29 planning and regulatory environment which facilitates growth of the local economy”; and
30

31 WHEREAS, Economic Development Policy 2.A.3 requires that to “ensure timeliness,
32 responsiveness, and increased efficiency, the county shall maintain a program of
33 continuous review of the permitting process to eliminate unnecessary procedures that do
34 not respond to legal requirements for public review and resident input”; and
35

36 WHEREAS, on April 22, 2021, the Washington State Legislature passed Engrossed
37 Second Substitute Senate Bill 5237 (ESSB 5237 [2021]), which among other changes
38 began allowing the Washington State Department of Children, Youth and Families (DCYF)

1 to issue waivers allowing family day care home providers to serve more than 12 children at

12 hearing after proper notice, and considered public comment and the entire record related to
13 the code amendments contained in this ordinance; and
14

15 WHEREAS, following the public hearing, the County Council deliberated on the code
16 amendments contained in this ordinance;
17

18 NOW, THEREFORE, BE IT ORDAINED:
19

20 **Section 1.** The County Council adopts the following findings in support of this
21 ordinance:
22

- 23 A. The foregoing recitals are adopted as findings as if set forth in full herein.
- 24
- 25 B. The County Council makes the following findings of fact in support of this ordinance.
26
- 27 C. This ordinance will amend title 30 of the SCC to update development regulations related
28 to day care providers. The proposed amendments seek to:
29
 - 30 1. Help address a documented shortage of childcare services and likely shortage of
31 daytime services for senior citizens and the disabled, which collectively meet the
32 definition of Day Care Centers in SCC 30.91D.050 and Family Day Care Homes in
33 SCC 30.91F.100.
34
 - 35 2. Allow Day Care Centers in more circumstances and with simplified permit
36 processing requirements, by:
37
 - 38 a. Removing a requirement that Day Care Centers in the WFB, R-7,200, R-8,400,
39 R-9,600, R-12,500, R-20,000, and SA-1 zones shall only be permitted in
40 connection with and secondary to a school facility or place of worship.

- 1
- 2 b. Allowing Day Care Centers up to 8,000 square feet as a permitted use in R-5, R-
- 3 9,600, R-8,400, R-7,200, MHP, and T zones and as a conditional use for Day
- 4 Care Centers over 8,000 square feet.
- 5
- 6 c. Allowing Day Care Centers as a permitted use in the LDMR and MR zones.
- 7
- 8 d. Simplifying the calculation of minimum parking requirements for Day Care
- 9 Centers.
- 10
- 11 3. Ensure compatibility between new Day Care Centers and adjacent residential uses
- 12 by including new general development and landscaping standards for the use.
- 13
- 14 4. Allow Family Day Care Homes in PCB, RRT-10, and UC zoning.
- 15
- 16 5. Update Snohomish County's definition of Family Day Care Home to include a waiver
- 17 process to the 12 children maximum authorized by the Legislature in 2021.
- 18
- 19 D. In developing the proposed code amendments, the County considered the goals of the
- 20 GMA codified at RCW 36.70A.020 and specific GMA requirements concerning family
- 21 day-care providers at RCW 36.70A.450.
- 22
- 23 1. This ordinance is consistent with GMA Goal 5: "Economic development. Encourage
- 24 economic development throughout the state that is consistent with adopted
- 25 comprehensive plans, promote economic opportunity for all citizens of this state,
- 26 especially for unemployed and for disadvantaged persons, promote the retention
- 27 and expansion of existing businesses and recruitment of new businesses, recognize
- 28 regional differences impacting economic development opportunities, and encourage
- 29 growth in areas experiencing insufficient economic growth...."
- 30
- 31 The proposal will facilitate an increase in daytime services for care of children,
- 32 seniors, and disabled persons. This will help directly expand economic opportunity
- 33 for business owners and employees. These amendments will help address regional
- 34 disparities in access to day care by allowing new day care centers in zones where
- 35 demand exists, but where current zoning regulations limit the supply.
- 36
- 37 2. This ordinance is consistent with GMA Goal 7: "Permits. Applications for both state
- 38 and local government permits should be processed in a timely and fair manner to
- 39 ensure predictability." The ordinance simplifies the permitting process for day care
- 40 centers.

- 1
2 3. This ordinance is consistent with RCW 36.70A.450 regarding family day-care
3 providers: No county “may enact, enforce, or maintain an ordinance, development
4 regulation, zoning regulation, or official control, policy, or administrative practice that
5 prohibits the use of a residential dwelling, located in an area zoned for residential or
6 commercial use, as a family day-care provider's home facility.”
7

8 This proposal will allow family day care homes in one rural residential zone and two
9 urban commercial zones where currently not permitted. In both commercial zones,
10 code does not permit new single family residences but use of existing non-
11 conforming single family dwellings as family day care homes would be an
12 appropriate transitional use.
13

- 14 E. In addition to the policies cited above, the proposed amendments will better achieve,
15 comply with, and implement the following policies contained in the GPP.
16

- 17 1. Land Use Policy 4.A.2.a: [Urban] “Residential developments should support family
18 households and children of all ages by providing adequate and accessible open
19 space and recreation, and encouraging opportunities for day care, preschool and
20 after school care services within close proximity.”
21

22 Allowing day care centers in more urban zones and reducing procedural
23 requirements where already allowed will encourage more services close to existing
24 residential development.
25

- 26 2. Land Use Policy LU 6.E: “Within rural residential areas, recognize existing
27 businesses that are an integral part of the rural character and provide for community
28 facilities and small-scale commercial developments that support the immediate rural
29 population with necessary goods and services.”
30

31 Allowing day care centers in more rural zones and reducing procedural requirements
32 where already allowed will encourage more day care services in rural areas to serve
33 the immediate rural population.
34

- 35 3. Economic Goal ED 1: “Maintain and enhance a healthy economy.” Economic
36 Objective ED 1.A: “Snohomish County shall endeavor to provide a good quality of
37 life for residents and business – recognizing that business can thrive only in a
38 healthy community.” Objective ED 1.C: “Snohomish County shall recognize and
39 address the needs of small and minority owned businesses as well as larger,
40 established enterprises.”

1
2 Day care services, including childcare, are an essential need for many working
3 residents. The limited availability of childcare services increases the price to a point
4 where many people drop out of the formal workforce to care for family members.
5 Allowing day care centers in more zones will help owners of small family day care
6 homes expand their business into day care centers and to help established day care
7 center providers find additional locations.

- 8
9 4. Transportation Policy 4.E.1: “Design standards, improvements and right-of-way shall
10 be provided that vary by functional class of roadway in order to ensure safe and
11 efficient flow of traffic.”

12
13 Allowing Day Care Centers in R-9,600, R-8,400, and R-7,200 zones but only when
14 the site has frontage to an arterial road provides overall urban design standards that
15 vary by functional class of roadway. To the extent that such allowance also prompts
16 conversion of existing buildings or construction of new buildings on sites with arterial
17 frontage, this new development will be required to upgrade existing road frontage
18 deficiencies to meet contemporary road design standards for the functional class of
19 road.

- 20
21 F. The County Council makes the following additional finding.

22
23 One of the amendments in this ordinance is to allow Family Day Care Home as a
24 permitted use in the Rural Residential Transition 10 Acre (RRT-10) zone by amending
25 the Rural and Resource Zone Use Matrix in SCC 30.22.110. In an unrelated action,
26 adoption of Amended Ordinance 24-044 on January 15, 2025, created a scrivener’s
27 error in the table heading in SCC 30.22.110. The heading now incorrectly identifies the
28 RRT-10 zone as RTT-10. This change appears in Amended Ordinance 24-044 without
29 marking with strikeout or underline, indicating that the change was an unintentional
30 scrivener’s error. To avoid potential confusion regarding Family Day Care Homes (and
31 other uses) in RRT-10 zoning, this ordinance corrects the scrivener’s error by amending
32 the heading in the table for correction in addition to adding Family Day Care Home as a
33 permitted use in the zone.

- 34
35 G. Procedural requirements.

- 36
37 1. The proposal is a Type 3 legislative action pursuant to SCC 30.73.010.
38

- 1 2. Pursuant to RCW 36.70A.106(1), a notice of intent to adopt this ordinance was
2 transmitted to the Washington State Department of Commerce for distribution to
3 state agencies on June 24, 2024, and assigned Submittal ID No. 2024-S-7166.
4
- 5 3. State Environmental Policy Act, chapter 43.21C RCW, (SEPA) requirements with
6 respect to this non-project action have been satisfied through the completion of an
7 environmental checklist and the issuance of a Determination of Nonsignificance
8 (DNS) on February 13, 2025.
9
- 10 4. The public participation process used in the adoption of this ordinance has complied
11 with all applicable requirements of the GMA and the SCC.
12
- 13 5. The Washington State Attorney General last issued an advisory memorandum, as
14 required by RCW 36.70A.370, in October of 2024 entitled “Advisory Memorandum:
15 Avoiding Unconstitutional Takings of Private Property” to help local governments
16 avoid the unconstitutional taking of private property. The process outlined in the
17 State Attorney General’s 2024 advisory memorandum was used by the County in
18 objectively evaluating the regulatory changes proposed by this ordinance.
19

20 **Section 2.** The County Council makes the following conclusions:

- 21
- 22 A. The proposal is consistent with the goals, objectives, and policies of the Snohomish
23 County Comprehensive Plan.
24
- 25 B. The proposal is consistent with Washington State law and the SCC.
26
- 27 C. The County has complied with all SEPA requirements in respect to this non-project
28 action.
29
- 30 D. The regulations proposed by this ordinance do not result in an unconstitutional taking of
31 private property for a public purpose.
32

33 **Section 3.** The County Council bases its findings and conclusions on the entire
34 record of the County Council, including all testimony and exhibits. Any finding, which should
35 be deemed a conclusion, and any conclusion which should be deemed a finding, is hereby
36 adopted as such.
37

1 **Section 4.** Snohomish County Code Section 30.22.100, last amended by Amended
 2 Ordinance No. 24-044 on January 15, 2025, is amended to read:

8 **Section 11.** Snohomish County Code Section 30.91F.100, last amended by Amended
9 Ordinance No. 04-010 on March 3, 2004, is amended to read:

14 relatives. Such care in a family day care home is limited to 12 or fewer persons, including
15 children living in the home or children and other close relatives cared for in the home. The
16 numerical limitation for the facility shall be determined by totaling the number of children
17 and adults being cared for within the home. However, a family day care home may serve
18 more than 12 children if a waiver is obtained from the Washington State Department of
19 Children, Youth, and Families pursuant to RCW 43.216.692.
20

21 **Section 12.** Severability and Savings. If any section, sentence, clause or phrase of

23 ("Board"), or unconstitutional by a court of competent jurisdiction, such invalidity or
24 unconstitutionality shall not affect the validity or constitutionality of any other section,
25 sentence, clause or phrase of this ordinance. Provided, however, that if any section,
26 sentence, clause or phrase of this ordinance is held to be invalid or unconstitutional by the
27 Board or court of competent jurisdiction, then the section, sentence, clause or phrase in
28 effect prior to the effective date of this ordinance shall be in full force and effect for that
29 individual section, sentence, clause or phrase as if this ordinance had never been adopted.
