

Snohomish County Council

Committee: Public Works
ECAF: 2021-1114
Proposal: Mot. 22-006

Analyst: Jim Martin
Date: January 6, 2022

Consideration:

Authorizing the County Executive to execute a contract for the award of RFQ 004-21BX for sanitary sewer engineering services with RH2 Engineering, Inc. at the Snohomish County Airport.

Background

Snohomish County Airport issued an RFQ for on-call sewer engineering services, and has evaluated proposals received. TH2 Engineering Services, Inc. was selected as best qualified to meet on-call sewer engineering services.

The scope of work includes preparing and updating a Sanitary Sewer Utility GIS system which can be layered with other Airport utilities. Other tasks include, but are not limited to, investigating and recommending improvements to mitigate infiltration and inflow (I&I); design and construction contract administration of future projects such as pump station and SCADA replacements; and consulting regarding the interface with MWWDD.

The contract is for an initial term of two years, with the possibility of up to three additional one-year terms, at the sole discretion of the County. Compensation during the initial term is not to exceed \$500,000.

Current Proposal

This motion authorizes the County Executive to execute a professional services contract for Airport sanitary sewer on-call engineering consulting services with RH2 Engineering, Inc., not to exceed \$500,000, and further authorizes the Airport Director or their designee to approve individual task orders pursuant to the contract.

Duration: Through December 31, 2023, with possible 3 additional one-year extensions

Fiscal Implications: Not to exceed \$500,000.00

2022 Budget: Yes

Future Budget Impacts: None.

Handling: Normal

Approved-as-to-form: Yes.

Risk Management: Yes.

Executive Recommendation: APPROVE.

Attachments: See ECAF packet.

Amendments: NONE.

Request: Move to GLS on January 19th for consideration.
