MEMORANDUM

TO: Snohomish County Planning Commission

Dave Somers
County Executive

FROM: Steve Skorney, Senior Planner

SUBJECT: Final Docket XX PDS Staff Recommendation – Winde (SW6)

DATE: May 7, 2021

INTRODUCTION

Planning and Development Services (PDS) is providing this staff report and recommendation to the planning commission for a May 25, 2021, briefing on Final Docket XX which consists of four docket (citizen-initiated) proposals to amend the Snohomish County GMA Comprehensive Plan General Policy Plan (GPP) and implementing development regulations.

The Winde (SW6) docket proposal was submitted to PDS by the October 31, 2019, deadline which was the last opportunity to submit a minor docket amendment for final action in 2021. The county council placed the SW6 proposal on Final Docket XX by Motion No. 20-116 on July 22, 2020, for further processing and final action in 2021.

SUMMARY OF PROPOSAL:

The Winde (SW6) docket application proposes two options to amend the Future Land Use (FLU) map of the General Policy Plan (GPP) and implementing zoning to:

- Option 1 – Redesignate from Urban Low Density Residential (ULDR) to Urban High Density Residential (UHDR) and rezone from R-7,200 to Multiple Residential (MR); or
- Option 2 – Redesignate from ULDR to Urban Medium Density Residential (UMDR) and rezone from R-7,200 to Low Density Multiple Residential. (LDMR).

The proposal options would allow for increased densities in the Southwest Urban Growth Area (SWUGA) from the current maximum of six dwelling units per acre under ULDR to a maximum of 22 dwelling units per acre (Option 1- UHDR) or a maximum of 11 dwelling units per acre (Option 2 – UMDR).

The 19.96 acre site is located north of Cathcart Way, east of 70th Drive SE, and west of 134th St. SE.

The only improved access to the SW6 site is through local streets in the newly platted Glacier View single-family residential development which is located directly to the north of the site. There is a local street, 134th St SE, that is stubbed to the east side of the site. However, steep topography in that portion of the SW6 site may preclude a connection to the 134th St road stub which connects to 77th Ave SE, a local street, that intersects with Lowell-Larimer Road (State Route 96), one-half mile to the north of the site.

The docket applicant proposes to take vehicle access from the adjoining Glacier View development, which connects to an existing system of local streets in established single family residential neighborhoods and that ultimately connects south to Cathcart Way where there are commercial and public services including public transit.

Water and sewer service can be provided by the Silver Lake Water and Sewer District. The proposal site is within the South County Fire service area.

Critical Areas on the SW6 proposal site include over one-third of the site containing steep slopes greater than 33%. A seasonal non-fish bearing stream is located in the northeast corner of the site.

FINAL DOCKET EVALUATION:

PDS is required to prepare a report including a recommendation on the final docket proposal and forward the report to the Planning Commission. PDS is required to recommend approval if the proposal is consistent with all of the following criteria listed in SCC 30.74.060(2):

Criterion “a”: The proposed amendment and any related proposals on the current final docket maintain consistency with other plan elements or development regulations.

No. The SW6 proposed GPP map amendments do not maintain consistency with other elements of the county’s comprehensive plan, specifically the Transportation Element (TE). Projects and implementation measures identified in the TE for this portion of the SWUGA do not ensure that adequate transportation services and facilities are available or programmed to serve the SW6 proposed future land use changes.

Criterion “b”: All applicable elements of the comprehensive plan, including but not limited to the capital plan and the transportation element, support the proposed amendment.

No. The Transportation Element of the GMA comprehensive plan does not support the SW6 proposed GPP map amendments as the proposal site is located in a portion of the SWUGA where existing and planned transportation improvements identified in the TE are not adequate to support this docket request.

Criterion “c”: The proposed amendment more closely meets the goals, objectives and policies of the comprehensive plan than the relevant existing plan or code provision.

No. The SW6 docket proposal does not more closely meet the goals, objectives, and policies of the comprehensive plan than the existing plan provisions. The most relevant GPP policies for purposes of evaluating this proposal include TR Policy 1.B.3:

Land use designations shall be reviewed where roadway construction or upgrading to serve designated land use intensities is not physically or financially feasible or where concurrency cannot be achieved.

The SW6 proposed redesignation options from ULDR to UHDR or UMDR are not consistent with TR Policy 1.B.3 as the existing roadway system that serves the proposal site is not adequate to meet the expected increase in demand for roadway capacity and circulation from the proposed higher residential densities. Road access to the site is very limited and the surrounding road network system consists of local streets which would likely be burdened by the increased traffic from the proposed higher residential densities. Additionally, there is a lack of street network connectivity in this area which could help disperse traffic volumes, enhance bicycle and pedestrian travel, and provide access to public transit.

Criterion “d”: The proposed amendment is consistent with the countywide planning policies (CPPs).

No. The proposal is inconsistent with CPP TR-4:

The County and cities should provide transportation facilities and services that support the land use elements of their comprehensive plans, including roadway capacities and nonmotorized options together with public transportation services appropriate to the designated land use types and intensities by:

...

d. Reviewing land use designations where roadway capacity and/or transit service capacity cannot adequately serve or expect to achieve concurrency for development allowed under the designation;

Both land use options to redesignate the proposal site to UHDR or UMDR are not supported by the existing transportation facilities and services in the surrounding area. The local streets serving the proposal site do not have adequate capacity and there is no direct access to public transit to support the proposed higher residential densities.

Criterion “e”: The proposed amendment complies with the GMA.

No. The Winde SW6 proposals are not consistent with GMA Planning Goal 12 in RCW 36.70A.020:

(12) Public facilities and services. Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards

Both options to increase planned residential densities on the proposal site would be inconsistent with the GMA requirement that public facilities and services necessary to support development must be adequate to serve the new development. A non-project level of traffic analysis would be necessary to determine if the existing roadway system that serves the proposal site is adequate to meet the expected increase in demand for roadway capacity and circulation from the higher residential densities. Road access to the site is very limited and the surrounding road network system consists of local streets which would likely be burdened by the increased traffic from the proposed higher residential densities. Additionally, there is a lack of street network connectivity in this area which could help disperse traffic volumes, enhance bicycle and pedestrian travel, and provide access to public

transit. The proposed higher residential densities could trigger demand for public transit service. The Puget Sound Regional Council’s recommended minimum population density threshold to support all-day frequent transit service is 7 – 8 dwelling units per gross acre within one-quarter mile of a transit route. The proposal site has no direct access to the nearest frequent transit service route, which is over one-quarter mile southwest on Cathcart Way.

Criterion “f”: New information is available that was not considered at the time the relevant comprehensive plan or development regulation was adopted that changes the underlying assumptions and supports the proposed amendment.

Yes. The SW6 docket proposals were not considered at the time of the adoption of the last major update of the GPP in 2015. This new information changes the underlying assumptions from the last GPP update and supports the proposed amendments.

The following table summarizes the results of the PDS final docket evaluation of SW5:

Consistent with SCC 30.74.060(2)					
(a)	(b)	(c)	(d)	(e)	(f)
No	No	No	No	No	Yes

CONSISTENCY WITH THE MULTICOUNTY PLANNING POLIICIES (MPP):

The Winde SW6 proposals are inconsistent with MPP-DP-22:

Plan for densities that maximize benefits of transit investments in high-capacity transit station areas that are expected to attract significant new population or employment growth.

Both options are inconsistent with RGS-12 as this portion of the SWUGA is not identified as a high capacity transit community in the Regional Growth Strategy. This area does not contain transit-oriented development and there is no plan to invest in high-capacity transit facilities that connect to the regional HCT system.

Both Winde SW6 options are inconsistent with MPP-PS-3:

Time and phase services and facilities to guide growth and development in a manner that supports the Regional Growth Strategy.

The proposed redesignation to UHDR or UMDR would increase demand for transportation facilities that are not available or programmed in this area consistent with the comprehensive plan. The transportation system in this area was designed to support future development based on the adopted ULDR future land use designation. The county would have to identify and program future transportation system deficiencies and needs in this area in order to accommodate the proposed higher density residential land use designations.

STATE ENVIRONMENTAL POLICY ACT (SEPA) ACTION:

On January 13, 2021, PDS issued a determination of significance and request for scoping comments on a supplemental environmental impact statement (SEIS) for the Winde SW6 Final Docket XX proposal. PDS concluded that the SW6 proposal would likely to have a probable significant adverse environmental impact on transportation as a result of the proposal. The Department of Public Works and PDS is preparing a non-project programmatic level of analysis in this SEIS to the Snohomish County GMA Comprehensive Plan 2015 Update Environmental Impact Statement. PDS will issue a Draft SEIS in early June with a 30-day comment period which will include an opportunity to provide public comments on the Draft SEIS during the Planning Commission's June 22, 2021, public hearing on Final Docket XX, which will include the Winde SW6 proposal.

NOTIFICATION OF STATE AGENCIES

Pursuant to RCW 36.70A.106, a 60-day notice of intent to adopt the proposed GMACP map amendments will be transmitted to the Washington State Department of Commerce prior to the planning commission's briefing for distribution to state agencies.

STAFF RECOMMENDATION

Staff recommends holding a public hearing on the Winde SW6 Final Docket XX proposal on June 22, 2021, at which time PDS will provide a final recommendation on the SW6 proposal with recommended supporting findings and conclusions.

ACTION REQUESTED

The Planning Commission is requested to hold a public hearing, consider the proposed Winde SW6 amendments, and provide a recommendation to the County Council.

SNOHOMISH COUNTY PLANNING COMMISSION

July 9, 2021

Snohomish County Council
County Administration Building
M/S 609, 3000 Rockefeller Avenue
Everett, WA 98201-4046

SUBJECT: Planning Commission Recommendations on Final Docket XX

Dear Snohomish County Council:

The Snohomish County Planning Commission is forwarding its recommendations on Final Docket XX which consists of four proposals to amend the Growth Management Act Comprehensive Plan (GMACP):

- Olympic View Water and Sewer District (CFP1) – Amend the Capital Facilities Plan (CFP) of the GMACP to identify the Olympic View Water and Sewer District as the sewer provider to the Point Wells site, and update sewer inventory information in the CFP related to the District.
- Edward Tokarz (SW5) – Amend the Future Land Use (FLU) map of the General Policy Plan (GPP) to redesignate .72 acres in the Southwest Urban Growth Area (SWUGA) from Urban Medium Density Residential (UMDR) to Urban High Density Residential (UHDR), and amend the area-wide zoning map to rezone the property from R-8,400 to Multiple Residential (MR).
- Tom Winde et al. (SW6) – Amend the FLU map of the GPP to:
 - (Option 1) Redesignate 19.96 acres in the SWUGA from Urban Low Density Residential (ULDR) to UHDR and amend the area-wide zoning map to rezone from R-7,200 to MR; or
 - (Option 2) Redesignate 19.96 acres in the SWUGA from ULDR to UMDR and amend the area-wide zoning map to rezone from R-7,200 to Low Density Multiple Residential (LDMR).
- Marv Thomas (SW7) – Amend the FLU map of the GPP to redesignate 6.6 acres in the SWUGA from ULDR to Urban Commercial and amend the area-wide zoning map to rezone from R-7,200 to Community Business (CB).

The Planning Commission held a briefing on the four Final Docket XX proposals on May 25, 2021 and conducted a public hearing on each of the four Final Docket XX proposals on June 22, 2021, to review and take action on the proposed amendments.

After closing public testimony and concluding deliberations on each of the four Final Docket XX proposals, the Planning Commission made the following recommendations to the Snohomish County Council:

- **Olympic View Water and Sewer District (CFP1):** Recommend **APPROVAL [Motion to recommend approval as noticed passed 9-0 with no abstentions]**. This recommendation was made after consideration of oral and written testimony presented during the public hearing process and is based on findings and conclusions recommended in the June 4, 2021, Planning and Development Services (PDS) staff report.

- **Edward Tokarz (SW5):** Recommend **APPROVAL**. [**Motion to recommend approval as noticed passed 9-0 with no abstentions**]. This recommendation was made after consideration of oral and written testimony presented during the public hearing process and is based on findings and conclusions recommended in the June 4, 2021, PDS staff report.

- **Tom Winde et al. (SW6):** Recommend **APPROVAL** [**Motion to recommend approval to redesignate the proposal site from ULDR to UMDR on the GPP FLU Map with no rezone passed 9-0 with no abstentions**]. This recommendation is contrary to the PDS recommendation to deny both of the SW6 options. The Planning Commission's recommendation of approval of the SW6 Option 2 proposal, as modified without a rezone, was made after consideration of oral and written testimony from a representative for the applicant and several property owners who live in the vicinity during the public hearing process, and is based on the following findings and conclusions:
 - The proposed redesignation to UMDR would:
 - Provide additional housing capacity to help accommodate the SWUGA projected 2044 population growth target;
 - Create more opportunities for affordable housing by providing a range of housing types allowed by the UMDR designation and implementing zoning; and
 - Allow for a rezone, at a later date, to a higher density zone that implements the UMDR plan designation when there is a change of circumstances, specifically, a developed access to an appropriately sized road system through the Cathcart West property that will handle the majority of the traffic volume generated by the Winde site.

- **Marv Thomas (SW7):** Recommend **APPROVAL**. [**Motion to recommend approval as noticed passed 9-0 with no abstentions**]. This recommendation was made after consideration of information presented during the public hearing process and is based on findings and conclusions recommended in the June 4, 2021, PDS staff report.

Respectfully submitted,

Robert Larsen

Robert Larsen (Jul 9, 2021 15:07 PDT)

**REGULAR SESSION
JUNE 22, 2021
MINUTES**

A. CALL TO ORDER, ROLL CALL, AND AGENDA REVIEW

Commissioner Robert Larsen, Planning Commission Chair, called the meeting to order at 5:31 p.m. Of the nine (9) currently appointed commissioners, nine (9) were in attendance (a quorum being six (6) members and a majority being six (6) members):

Merle Ash
Leah Everett
Mark James

James Kamp
Robert Larsen
Keri Moore

Tom Norcott
Neil Pedersen
Raymond Sheldon

David Killingstad Planning and Development Services (PDS), Manager, served as Planning Commission Secretary for this meeting.

B. APPROVAL OF MINUTES

The minutes of [May 25, 2021](#) were unanimously approved.

C. STATUS OF PAST RECOMMENDATIONS AND FUTURE AGENDA ITEMS

David Killingstad reviewed anticipated topics for upcoming Planning Commission meetings and the status of past recommendations. He also informed the Commissioners that a joint meeting with the Tulalip Tribes Planning Commission is being scheduled for September 22, 2021. This meeting is likely to be held in-person.

- [Report on Recent Snohomish County Planning Commission Activities](#)
- [Upcoming Planning Commission Meeting Topics](#)

D. UNFINISHED BUSINESS

1. Length of time for oral testimony

Commissioners discussed the length of time for oral testimony. Chair Larsen shared that he and Vice Chair Norcott met with Planning and Development Services (PDS) Manager, David Killingstad, PDS Director Mike McCrary, and Commission Clerk Megan Moore to discuss time for oral testimony and three minutes being the standard at surrounding counties they recommend keeping testimony time to three (3) minutes for public comment and five (5) minutes for a representative of a group.

2. 2021 County-initiated Comprehensive Plan Amendments: Hearing

Steve Skorney, PDS Senior Planner, 425-262-2207, steve.skorney@snoco.org

Snohomish County

PLANNING COMMISSION

PLANNING & DEVELOPMENT SERVICES

Steve Skorney briefly discussed each of the 2021 county-initiated plan amendments. The Planning Commission held a public hearing on the annual consideration of county-initiated amendments to the Growth Management Act Comprehensive Plan (GMACP) according to the requirements of Chapter 30.73 Snohomish County Code. The GPP21-3 Technical Corrections 2021 package of proposed amendments consisted of amendments to maps 1, 2, 4, and 5 of the General Policy Plan (GPP) to recognize properties that are no longer under county jurisdiction due to municipal annexations.

After the presentation the Commissioners had no comments or questions.

Commissioner Larsen opened the **Public Hearing at 5:48 p.m.** for the GPP21-3 Technical Corrections.

No one commented at the public hearing.

The **Public Hearing was closed at 5:48 p.m.**

After the hearing the Commissioners had no questions or comments and were asked to make a motion.

A **Motion** was made by Commissioner Norcott and seconded by Commissioner Everett recommending **approval** of the GPP21-3 Technical Corrections.

VOTE (Motion):

9 in favor (*Ash, Everett, James, Kamp, Larsen, Moore, Norcott, Pederson, and Sheldon*)

0 opposed

0 abstention

Motion PASSED

For further information, please review the following:

- [Presentation dated June 22, 2021](#)
- [GPP21-3 Tech Corrections Staff Recommendation dated June 4, 2021](#)
- [Presentation dated May 25, 2021](#)

3. Final Docket XX: Hearings

Steve Skorney, PDS Senior Planner, 425-262-2207, steve.skorney@snoco.org

Terri Strandberg, PDS Principal Planner, 425-262-2359, terri.strandberg@snoco.org

Jay Larson, Transportation Planning Coordinator, 425-388-3614, jay.larson@co.snohomish.wa.us

The Planning Commission held a public hearing on each Final Docket XX item which consisted of four docket proposals to amend the Growth Management Act Comprehensive Plan (GMACP) and implement zoning according to the requirements of Chapter 30.74 Snohomish County Code (SCC).

3.1 Olympic View Water and Sewer District (CFP1) Hearing – Terri Strandberg presented and gave a few comments and clarifications to the Planning Commission regarding the amendment to the Capital Facilities Plan of the GMACP to identify Olympic View as the

Snohomish County

PLANNING COMMISSION

PLANNING & DEVELOPMENT SERVICES

sewer provider to the Point Wells site and approve a 2019 amendment to Olympic View's 2007 comprehensive sewer plan to include the Point Wells site.

After the presentation the Commissioners had no questions or comments but did clarify the specific motion for the proposal.

Commissioner Larsen opened the **Public Hearing at 6:00 p.m.** for the Docket XX proposal Olympic View Water and Sewer District (CFP1).

One (1) written comment was received by the Planning Commission from the public before the June 22, 2021 hearing. One (1) member of the public commented at the public hearing.

The **Public Hearing was closed at 6:04 p.m.**

After the hearing the Commissioners had no questions or comments and were asked to make a motion.

A **Motion** was made by Commissioner James and seconded by Commissioner Norcott recommending **approval** for Olympic View Water and Sewer District (CFP1) proposal as recommended by staff.

VOTE (Motion):

8 in favor (*Ash, Everett, James, Kamp, Larsen, Moore, Norcott, Pederson, and Sheldon*)

0 opposed

0 abstention

Motion PASSED

For further information, please review the following:

- [Presentation dated June 22, 2021](#)
- [Presentation dated May 25, 2021](#)
- [Olympic View Water and Sewer District Briefing Staff Report dated May 7, 2021](#)

3.2 Edward Tokarz (SW5) Hearing – Steve Skorney gave a presentation regarding the proposed rezone of .72 acres in the Southwest Urban Growth Area (SWUGA) from Urban Medium Density Residential (UMDR) to Urban High Density Residential (UHDR) and rezone from R-8,400 to Multiple Residential (MR). The proposal is consistent with the Growth Management Act (GMA), Multicounty Planning Policies (MPP), Countywide Planning Policies (CPP), and the General Policy Plan (GPP).

After the presentation the Commissioners clarified that the proposal is for a rezone only, and that no project has been planned at this time.

Commissioner Larsen opened the **Public Hearing at 6:11 p.m.** for the Docket XX proposal Edward Tokarz (SW5).

One (1) written comment was received by the Planning Commission from the public before the June 22, 2021 hearing. One (1) member of the public commented at the public hearing.

PLANNING COMMISSION
PLANNING & DEVELOPMENT SERVICES

The **Public Hearing was closed at 6:14 p.m.**

After the hearing the Commissioners deliberated on the location, the infrastructure of the area including traffic, street conditions, and parking requirements and appropriateness of the rezone.

A **Motion** was made by Commissioner Ash and seconded by Commissioner Everett recommending **approval** for the Edward Tokarz (SW5) proposal as recommended by staff.

VOTE (Motion):

8 in favor (*Ash, Everett, James, Kamp, Larsen, Moore, Norcott, Pederson, and Sheldon*)

0 opposed

0 abstention

Motion PASSED

3.3 Tom Winde et al. (SW6) Hearing – Steve Skorney and Jay Larson presented on the proposed options to amend the Future Land Use Map of the General Policy Plan to:

- (Option 1) Redesignate 19.96 acres in the SWUGA from Urban Low Density Residential (ULDR) to UHDR and rezone from R-7,200 to MR; or
- (Option 2) Redesignate 19.96 acres in the SWUGA from ULDR to UMDR and rezone from R-7,200 to Low Density Multiple Residential (LDMR).

After the presentation Commissioner Pedersen commented on the Draft EIS, the timing of the Docket XX SW6 request, and possible changes for traffic management in the future.

Commissioner Larsen opened the **Public Hearing at 7:15 p.m.** for the Docket XX proposal Tom Winde et al. (SW6).

Eight (8) written comments were received by the Planning Commission from the public before the June 22, 2021 hearing. Thirteen (13) members of the public commented at the public hearing.

The **Public Hearing was closed at 7:51 p.m.**

After the hearing the commissioners deliberated on the SW6 proposal. Chief points of the deliberations included the multiple viewpoints of the decision, the need for additional housing options, the possibility of conditional approval contingent on road access, the projected growth of

Snohomish County

**PLANNING COMMISSION
PLANNING & DEVELOPMENT SERVICES**

the county, traffic concerns, fire safety, and school capacity. The commissioners also commented on the timeline of the proposal and how to best mitigate the concerns brought up during the hearing especially road capacity. They also clarified how to make a recommendation to County Council to approve an option, but with conditions.

A **Motion** was made by Commissioner Ash and seconded by Commissioner James recommending **approval** for Option 2 with conditions from the commissioners in accordance with recommendations made during deliberations and added comments from commissioners in the recommendation letter to County Council.

VOTE (Motion):5 in favor (*Ash, James, Kamp, Larsen, Norcott*)4 opposed (*Everett, Moore, Pedersen, Sheldon*)

0 abstention

Motion FAILED

Commissioners continued their deliberations and discussed possible outcomes of leaving the area as it is and the possible outcomes to the county for increased density.

A **Motion** was made by Commissioner Everett and seconded by Commissioner Sheldon to **deny** and to include summary of the findings and deliberations of the commissioners in the recommendation letter to County Council.

VOTE (Motion):5 in favor (*Everett, Larsen, Moore, Pedersen, Sheldon*)4 opposed (*Ash, James, Kamp, Norcott*)

0 abstention

Motion FAILED

Commissioners continued deliberations and clarified that the land could be redesignated to Urban Medium Density Residential and the zoning could remain R-7,200. Then a change in circumstances would need to be proven to have R-7,200 rezoned in the future.

A **motion** was made by Commissioner Ash and seconded by Commissioner James recommending to leave the zoning at R-7,200, and to redesignate the Future Land Use Map to Urban Medium Density Residential and to attach a summary of the deliberations to the recommendation letter to County Council.

VOTE (Motion):8 in favor (*Ash, Everett, James, Kamp, Larsen, Moore, Norcott, Pederson, and Sheldon*)

0 opposed

0 abstention

Motion PASSED

4. County Council Referred Amendments to Mineral Lands Comprehensive Plan Policies and Code Provisions: Hearing

Snohomish County

**PLANNING COMMISSION
PLANNING & DEVELOPMENT SERVICES**

Mitchell Brouse, PDS Senior Planner, 425-388-5127, mitchell.brouse@snoco.org

Mitchell Brouse briefly reviewed and presented on a County Council referred proposal to amend the portions of the Snohomish County Growth Management Act Comprehensive Plan (GMACP) General Policy Plan (GPP) and Snohomish County Code (SCC) Title 30 related to the designation and exhaustion of mineral lands. The proposal was referred by Motion No. 21-124 and includes: (1) amendments to the GPP related to the transition of mine sites to post extractive uses; (2) amendments to the Mineral Resource Lands Map (Map 2); (3) amendments to SCC related to mineral lands and the exhaustion of mining operations; and (4) site specific rezones.

After the presentation the Commissioners had no questions or comments.

Commissioner Larsen opened the **Public Hearing at 9:19 p.m.** for the County Council Referred Amendments to Mineral Lands Comprehensive Plan Policies and code Provisions.

One (1) member of the public commented at the public hearing.
The **Public Hearing was closed at 9:20 p.m.**

After the hearing comments were given on code provisions concerning reclamation activities. Furthermore, clarification was given that development agreements, allow for mitigation measures at long-term development sites.

A **Motion** was made by Commissioner Ash and seconded by Commissioner Norcott recommending **approval** on the for the County Council Referred Amendments to Mineral Lands Comprehensive Plan Policies and Code Provisions as recommended by staff.

VOTE (Motion):

8 in favor (*Ash, Everett, James, Kamp, Larsen, Moore, Norcott, Pederson, and Sheldon*)

**PLANNING COMMISSION
PLANNING & DEVELOPMENT SERVICES**

PLANNING COMMISSION'S RANGE OF POSSIBLE ACTIONS:

At the conclusion of its public hearing, the County Planning Commission will consider transmitting a formal recommendation to County Council concerning adoption of the proposal. The Commission may make a recommendation to adopt or to not adopt the proposal. The Commission's recommendation may also propose amendments to the proposal. The Planning Commission is an advisory body and the final decision rests with the County Council.

PARTY OF RECORD / PUBLIC TESTIMONY:

You may become a party of record for any specific topic that comes before the Planning Commission by submitting a written request or testimony to Brandi Spores, Planning Commission Clerk, PDS, M/S 604, 3000 Rockefeller Avenue, Everett, WA 98201 or via email at Brandi.Spores@snoco.org.

WHERE TO GET COPIES OF DOCUMENTS AND WEBSITE ACCESS:

Please check www.snohomishcountywa.gov for additional information or the Snohomish County Department of Planning and Development Services, Reception Desk, 2nd Floor, County Administration Building-East, 3000 Rockefeller Avenue, Everett. For more information, call Brandi Spores, Planning Commission Clerk, at 425-388-3224.

AMERICANS WITH DISABILITIES ACT NOTICE:

Snohomish County facilities are accessible. The county strives to provide access and services to all members of the public. Sign language interpreters and communication materials in alternate form will be provided upon advance request of one calendar week. Executive/Council Action Form (ECAF)

ITEM TITLE:

..Title

Ordinance 21-058, relating to the Growth Management Act, adopting Future Land Use Map Amendments to the Snohomish County Growth Management Act Comprehensive Plan (SW6 – Tom Winde)

..body

DEPARTMENT: Planning and Development Services

ORIGINATOR: Steve Skorney, Senior Planner

EXECUTIVE RECOMMENDATION: Approve

PURPOSE: Proposal by Tom Winde, as modified by the Planning Commission, to amend the Future Land Use (FLU) map of the General Policy Plan (GPP) to redesignate 19.96 acres in the Southwest Urban Growth Area (SWUGA) from Urban Low Density Residential (ULDR) to Urban Medium Density Residential (UMDR) with no concurrent rezone. The zoning on the site would remain R-7,200 which is an implementing zone for the UMDR FLU map designation.

BACKGROUND: Winde – SW6 is considered a minor docket proposal that can be processed for final action in 2021 as the proposal is not a UGA expansion, does not add a significant amount of population capacity to an urban growth area, and environmental review can be completed within the current docket cycle. The SW6 application proposed two options to amend the GPP FLU map: Option 1 – redesignate the site from ULDR to Urban High Density Residential with a concurrent rezone from R-7,200 to Multiple Residential; or Option 2 – redesignate the site from ULDR to UMDR with a concurrent rezone from R-7,200 to Low Density Multiple Residential. PDS completed a final review and forwarded a recommendation of denial of both SW6 options to the Planning Commission. The Planning Commission held a public hearing on the SW6 proposal on June 22, 2021, and, after a lengthy discussion and extensive public testimony, recommended adoption of a modified Option 2 proposal that would redesignate the SW6 site to UMDR without a concurrent rezone.

6 SNOHOMISH COUNTY COUNCIL
7 SNOHOMISH COUNTY, WASHINGTON

8
9 ORDINANCE NO. 21-058

10
11 RELATING TO THE GROWTH MANAGEMENT ACT, ADOPTING FUTURE LAND USE
12 MAP AMENDMENTS TO THE SNOHOMISH COUNTY GROWTH MANAGEMENT
13 ACT COMPREHENSIVE PLAN (SW6 – TOM WINDE)

14
15 WHEREAS, Revised Code of Washington (RCW) 36.70A.130 and .470 direct
16 counties planning under the Growth Management Act (GMA), chapter 36.70A RCW, to
17 adopt procedures for interested persons to propose amendments and revisions to the
18 Growth Management Act Comprehensive Plan (GMACP) or development regulations;
19 and

20
21 WHEREAS, the Snohomish County Council (“County Council”) adopted Chapter
22 30.74 of the Snohomish County Code (SCC), “Growth Management Act Public
23 Participation Program Docketing,” to comply with the requirements of RCW 36.70A.130
24 and .470; and

25
26 WHEREAS, the Department of Planning and Development Services (PDS)
27 compiled a list of non-county initiated amendments and revisions received by the
28 October 31, 2019, deadline for Docket XX applications and evaluated these proposed
29 amendments, including the SW6 – Tom Winde docket proposal, for consistency with the
30 initial docket review criteria in SCC 30.74.030(1) and 30.74.040; and

31
32 WHEREAS, the SW6 – Winde docket application proposed two options to amend
33 the County’s GMACP; and

34
35 WHEREAS, the first option proposed redesignating the site from Urban Low
36 Density Residential (ULDR) to Urban High Density Residential (UHDR) with a
37 concurrent rezone from R-7,200 to Multiple Residential (MR); and

38
39 WHEREAS, the second option proposed redesignating the site from ULDR to
40 Urban Medium Density Residential (UMDR) with a concurrent rezone from R-7,200 to
41 Low Density Multiple Residential (LDMR); and

1 WHEREAS, on July 22, 2020, the County Council approved, by Amended Motion
2 No. 20-116, a list of proposed non-county initiated comprehensive plan amendments,
3 including SW6 – Tom Winde, to be included on Final Docket XX and authorized the
4 County Executive, through PDS, to further process the proposed minor docket
5 amendments consistent with Chapters 30.73 and 30.74 SCC, including environmental
6 review under the State Environmental Policy Act (SEPA), Chapter 43.21C RCW, for
7 final consideration in 2021; and

8
9 WHEREAS, the Snohomish County Planning Commission (“Planning
10 Commission”) was briefed on the SW6 – Tom Winde proposal on May 25, 2021; and

11
12 WHEREAS, pursuant to Chapter 30.74 SCC, PDS completed a final review and
13 evaluation of the SW6 – Tom Winde proposal and forwarded a recommendation to deny
14 the proposal to the Planning Commission; and

15
16 WHEREAS, the Planning Commission held a public hearing on June 22, 2021, to
17 receive public testimony on the SW6 – Tom Winde proposal, and after a lengthy
18 discussion and receiving extensive public testimony, recommended adoption of a
19 modified Option 2 proposal which would redesignate the Winde property without a
20 concurrent rezone as described in its recommendation letter of July 9, 2021; and

21
22 WHEREAS, on _____, 2021, the County Council held a public
23 hearing, after proper notice, to receive public testimony and consider the entire record
24 related to the SW6 – Tom Winde proposal as modified and recommended by the
25 Planning Commission and contained in this ordinance; and

26
27 WHEREAS, following the public hearing, the County Council deliberated on the
28 proposed amendments contained in this ordinance;

29
30 NOW, THEREFORE, BE IT ORDAINED:

31
32 Section 1. The County Council adopts the following findings to support this ordinance:

- 33
34 A. The foregoing recitals are adopted as findings as if set forth in full herein.
35
36 B. The SW6 – Tom Winde proposal, as modified and recommended by the Planning
37 Commission, would amend the Future Land Use (FLU) map of the General Policy
38 Plan (GPP) by redesignating 19.96 acres in the Southwest Urban Growth Area
39 (SWUGA) from ULDR to UMDR with no concurrent rezone. The zoning on the site
40 would remain R-7,200 which is an implementing zone for the UMDR FLU map
41 designation. The SW6 – Tom Winde proposal is located north of Cathcart Way, east
42 of 70th Drive SE, south of the plat of Glacier View, and west of 134th St. SE.
43

- 1 C. The SW6 proposal as modified and recommended by the Planning Commission
2 would allow for future urban population growth in a portion of the SWUGA that is
3 already characterized by urban growth.
4
- 5 D. The SW6 proposal as modified and recommended by the Planning Commission is
6 consistent with RCW 36.70A.130(2)(a), which requires that proposed
7 comprehensive plan amendments be considered no more frequently than once
8 every year. The proposed non-county initiated amendments were scheduled for final
9 consideration by the County Council according to the requirements in Chapter 30.74
10 SCC and are considered together with county-initiated comprehensive plan
11 amendments for final action no more frequently than once per year.
12
- 13 E. The SW6 proposal as modified and recommended by the Planning Commission
14 maintains internal consistency between the GPP FLU map and the official zoning
15 map.
16
- 17 F. The SW6 proposal was analyzed for consistency with the Puget Sound Regional
18 Council (PSRC) Multicounty Planning Policies (MPP).
19
- 20 G. The SW6 proposal was analyzed for consistency with the Countywide Planning
21 Policies (CPP).
22
- 23 H. The SW6 proposal was analyzed for consistency with the GPP.
24
- 25 I. The SW6 proposal is consistent with GPP LU Policy 2.A.4 because it amends the
26 GPP FLU map to provide opportunities for a mix of affordable housing types within
27 designated urban residential areas.
28
- 29 J. PDS, with assistance from the Snohomish County Department of Public Works,
30 prepared a Draft Supplemental Environmental Impact Statement (DSEIS) to analyze
31 potential transportation impacts related to the changes proposed to the GPP FLU
32 map. The DSEIS, issued on June 7, 2021, evaluated three alternatives which
33 included a high density alternative, a medium density alternative, and a no action
34 alternative.
35
- 36 K. Procedural requirements.
37
- 38 1. This proposal is a Type 3 legislative action pursuant to SCC 30.73.010.
39
- 40 2. State Environmental Policy Act (SEPA) requirements with respect to this non-
41 project action have been met through the completion of a Draft SEIS issued
42 on June 7, 2021, and a Final SEIS issued on _____.
43

- 1 3. Pursuant to RCW 36.70A.106(1), a notice of intent to adopt this ordinance
2 was transmitted to the Washington State Department of Commerce for
3 distribution to state agencies on May 28, 2021.
4
5 4. The public participation process used in the adoption of this ordinance
6 complied with all applicable requirements of the GMA and the SCC.
7
8 5. The Washington State Attorney General last issued an advisory
9 memorandum, as required by RCW 36.70A.370, in September of 2018
10 entitled "Advisory Memorandum: Avoiding Unconstitutional Takings of Private
11 Property" to help local governments avoid the unconstitutional taking of
12 private property. The process outlined in the State Attorney General's 2018
13 advisory memorandum was used by Snohomish County in objectively
14 evaluating the amendments proposed by this ordinance.
15

16 Section 2. The County Council makes the following conclusions:

- 17
18 A. This proposal complies with all requirements of Washington State law and county
19 code.
20
21 B. This proposal is consistent with the MPP.
22
23 C. This proposal is consistent with the CPP.
24
25 D. This proposal is consistent with the goals, objectives, and policies of the GPP.
26
27 E. All SEPA requirements with respect to this non-project action have been satisfied.
28
29 F. This proposal does not result in an unconstitutional taking of private property for a
30 public purpose and does not violate substantive due process guarantees.
31

32 Section 3. The County Council bases its findings and conclusions on the entire record
33 of the Planning Commission and the County Council, including all testimony and
34 exhibits. Any finding which should be deemed a conclusion, and any conclusion which
35 should be deemed a finding, is hereby adopted as such.
36

37 Section 4. Map 1 (Future Land Use) of the GPP, last amended by Ordinance No.
38 _____ on _____, is amended as indicated in Exhibit A to this
39 ordinance, which is attached hereto and incorporated by reference into this ordinance.
40

41 Section 5. The County Council directs the code reviser to update SCC 30.10.060
42 pursuant to SCC 1.02.020(3).
43

1 Section 6. Severability and Savings. If any section, sentence, clause or phrase of this
2 ordinance shall be held to be invalid by the Growth Management Hearings Board
3 ("Board"), or unconstitutional by a court of competent jurisdiction, such invalidity or
4 unconstitutionality shall not affect the validity or constitutionality of any other section,
5 sentence, clause, or phrase of this ordinance. Provided, however, that if any section,
6 sentence, clause, or phrase of this ordinance is held to be invalid by the Board or court
7 of competent jurisdiction, then the section, sentence, clause, or phrase in effect prior to
8 the effective date of this ordinance shall be in full force and effect for that individual
9 section, sentence, clause, or phrase as if this ordinance had never been adopted

MEMORANDUM

TO: Snohomish County Planning Commission

Dave Somers
County Executive

FROM: Steve Skorney, Senior Planner

SUBJECT: Final Docket XX PDS Staff Recommendation – Winde (SW6)

DATE: June 4, 2021

Introduction

The Department of Planning and Development Services (PDS) briefed the planning commission on Final Docket XX at its meeting on May 25, 2021. Final Docket XX includes the Winde (SW6) proposal, one of four non-county initiated proposals to amend the Snohomish County Growth Management Act (GMA) Comprehensive Plan General Policy Plan (GPP) and implementing development regulations. Final Docket XX is being processed according to the requirements in Snohomish County Code (SCC) Chapter 30.74.

Thomas Winde et al (SW6) proposes two options to amend the Future Land Use (FLU) map of the GPP and implementing zoning for a 6.61 acre site: Option 1: Redesignate from Urban Low Density Residential (ULDR) to Urban High Density Residential (UHDR) and rezone from R-7,200 to Multiple Residential (MR); and Option 2: Redesignate from ULDR to Urban Medium Density Residential (UMDR) and rezone from R-7,200 to Low Density Multiple Residential (LDMR). The SW6 proposal is located within the Southwest Urban Growth Area (SWUGA). The PDS staff report, dated May 7, 2021, provides a detailed evaluation of the SW6 proposed amendments.

This staff report conveys the PDS recommendation on the SW6 proposal. Suggested findings and conclusions to support the PDS recommendation are included in Attachment A. The planning commission public hearing on Final Docket XX, including the SW6 proposal, is scheduled for June 22, 2021. At the conclusion of the public hearing, the planning commission will be asked to make a recommendation on the SW6 proposal with supporting findings and conclusions which will be transmitted by ordinance to the county council for review and final action later this year.

State Environmental Policy Act (SEPA) Action

PDS, in conjunction with the Department of Public Works, is preparing a non-project programmatic level of analysis on the Winde SW6 proposal in a Supplemental Environmental Impact Statement (SEIS) to the Snohomish County GMA Comprehensive Plan 2015 Update Environmental Impact Statement (EIS). PDS will issue a Draft SEIS and begin a 30-day comment period on June 7, 2021. The 30-day comment period will include an opportunity to provide public comments on the Draft SEIS during the planning commission's June 22, 2021, public hearing on Final Docket XX that includes the Winde SW6 proposal.

Notification of State Agencies

Pursuant to RCW 36.70A.106, a 60-day notice of intent to adopt the proposed GMA Comprehensive Plan map amendments was transmitted to the Washington State Department of Commerce on May 28, 2021.

Staff Recommendation

PDS recommends that both Option 1 and Option 2 in the Final Docket XX proposal by Winde SW6 be **DENIED** as supported by the attached recommended findings and conclusions.

Attachment

A: SW6 Winde - Proposed Findings and Conclusions

cc: Ken Klein, Executive Director
Mike McCrary, PDS Director
David Killingstad, PDS Manager

Attachment A: SW6 Winde - Proposed Findings and Conclusions

Findings:

1. The SW6 proposal contains two options that would redesignate 6.6 acres within the Southwest Urban Growth Area (SWUGA). Option 1 would amend the subject property's Future Land Use (FLU) within the General Policy Plan's (GPP's) FLU map from Urban Low Density Residential (ULDR) to Urban High Density Residential (UHDR) and rezone the property from R-7,200 to Multiple Residential (MR). Option 2 would amend the subject property's FLU within the GPP's FLU map from ULDR to Urban Medium Density Residential (UMDR) and rezone the property from R-7,200 to Low Density Multiple Residential (LDMR).
2. Both SW6 proposal options are inconsistent with GMA Planning Goal 12 in RCW 36.70A.020. The proposed higher planned residential densities are inconsistent with the GMA requirement that public facilities and services necessary to support development must be adequate to serve the new development. Road access to the site is very limited and consists of local residential streets which would likely be burdened by the increased traffic from the higher residential densities possible through the proposed amendments.

The primary purpose of residential roads is to provide vehicle, pedestrian, and bicycle circulation within a neighborhood, to provide access to residential lots. These roads are narrower with closely spaced driveways, on-street parking, and a variety of activities including vehicle backing movements, children playing, and biking that make safety a priority. The management of traffic on residential roads is designed to improve safety, provide a greater sense of security, and increase neighborhood livability. Neighborhood quality of life suffers when volumes cross a certain threshold.

The County's Engineering Design and Development Standards (EDDS) provide a traffic volume threshold for non-arterial residential roads at less than 2,000 average daily trips. A non-project level traffic analysis prepared for the Draft SEIS has found that the existing residential roads providing primary access to this site would exceed this threshold for either of the proposed options. Given the residential design of these roadways it would be difficult to adequately upgrade them to serve either of the proposed options.

There is a lack of street network connectivity in this area which could help disperse traffic volumes, enhance bicycle and pedestrian travel, and provide access to public transit. The higher residential densities possible through the proposed amendments could trigger higher demand for public transit service.

3. Both SW6 proposal options are inconsistent with Multicounty Planning Policy (MPP) PS-3. The proposed higher planned residential densities would increase demand for transportation facilities that are not available or programmed in this area consistent with the Transportation Element of the comprehensive plan. The transportation system in this area was designed to support future development based on the adopted

ULDR FLU designation. The county would have to identify and program future transportation system deficiencies and needs in this area in order to accommodate the proposed higher density residential FLU designations.

4. Both SW6 proposal options are inconsistent with Countywide Planning Policy (CPP) TR-4. The proposed higher planned residential densities are not supported by the existing transportation facilities and services in the surrounding area. Road access to the site is very limited and consists of residential streets which would likely be burdened by the increased traffic from the proposed higher residential densities.

Public transit access is inadequate to support the proposed higher planned residential densities. The western edge of the site is approximately $\frac{3}{4}$ mile walking distance from the nearest existing bus stop, outside of the approximate $\frac{1}{4}$ mile walking distance considered effective for local fixed route transit service.

Community Transit's long-range transit plans include Cathcart Way as a future Swift corridor with an undetermined development date. Station locations for this service have not yet been determined. If a Swift station is located at 69th Dr SE and Cathcart Way, it will be approximately $\frac{1}{2}$ mile walking distance from the edge of the Winde site, the farthest distance considered effective for high-capacity transit (HCT) service like Swift. This would leave most of the site farther than the $\frac{1}{2}$ mile walking distance. All other possible station locations on Cathcart Way would be farther than $\frac{1}{2}$ mile walking distance.

5. Both SW6 proposal options are inconsistent with GPP TR Policy 1.B.3. The existing roadway system that serves the proposal site is not adequate to meet the expected increase in demand for roadway capacity and circulation from the proposed higher planned residential densities.

Conclusions:

1. Both SW6 Options 1 and 2 are inconsistent with the GMA, MPPs, CPPs, and the goals, objectives and policies of the GPP.

ANALYSIS OF BUILDING AND LAND USE REGULATION EFFECTS ON HOUSING AND JOBS

Title Ordinance No. 21-058, RELATING TO THE GROWTH MANAGEMENT ACT, ADOPTING FUTURE LAND USE MAP AMENDMENTS TO THE SNOHOMISH COUNTY GROWTH MANAGEMENT ACT COMPREHENSIVE PLAN (SW6 – TOM WINDE)

Description This is a non-project proposal to amend the Future Land Use (FLU) map of the General Policy Plan (GPP) by redesignating 19.96 acres in the Southwest Urban Growth Area from Urban Low Density Residential to Urban Medium Density Residential with no concurrent rezone.

Date: August 19, 2021

Councilmember Date

Clerk's Action: Proposed Ordinance No. _____

Assigned to: _____ Date: _____

STANDING COMMITTEE RECOMMENDATION FORM

On _____, the Committee considered the item and by ____ Consensus /
____ Yeas and ____ Nays, made the following recommendation:

____ Move to Council to schedule public hearing _____

Public Hearing Date _____ **at** _____

____ Move to Council as amended to schedule public hearing

____ Move to Council with no recommendation

This item ____ should/ ____ should not be placed on the Consent Agenda.

(Consent agenda may be used for routine items that do not require public hearing and do not need discussion at General Legislative Session)

This item ____ should/ ____ should not be placed on the Administrative Matters Agenda

(Administrative Matters agenda may be used for routine action to set time and date for public hearings)

N. Nehring
Committee Chair

Snohomish County Council

Committee: Planning & Community Development
Analyst: Ryan Countryman
Subject: Annual Comprehensive Plan Amendments
Date: September 7, 2021
ECAF / Proposal: 2021-0624 / Ordinance 21-054 (GPP21-3 – Technical Corrections)
2021-0625 / Ordinance 21-055 (SW7 – Marv Thomas)
2021-0626 / Ordinance 21-053 (SW5 – Edward Tokarz)
2021-0627 / Ordinance 21-058 (SW6 – Tom Winde)
2021-0632 / Ordinance 21-056 (Olympic View Water and Sewer 1)
2021-0633 / Motion 21-289 (Olympic View Water and Sewer 2)

Consideration

The Growth Management Act (GMA, RCW 36.70A) allows jurisdictions to update their comprehensive plans only once per year with few exceptions. Snohomish County itself can initiate annual amendments. Private parties and outside agencies can apply through the docketing process. Actions on annual amendments occur once per year, although each topic or proposal has its own ordinance or motion to allow the County Council to make decisions on a topic-by-topic basis.

Annual amendments discussed in this staff report include:

- Ordinance 21-054 (GPP21-3 – Technical Corrections)
- Ordinance 21-055 (SW7 – Marv Thomas)
- Ordinance 21-053 (SW5 – Edward Tokarz)
- Ordinance 21-058 (SW6 – Tom Winde)
- Ordinance 21-056 (Olympic View Water and Sewer 1)
- Motion 21-289 (Olympic View Water and Sewer 2)

Ord. 21-054 (Technical Corrections) are an annual amendment initiated by the County Executive. The other actions listed above are docket applications placed on the final docket for Docket XX. A separate council-initiated ordinance (21-060, Mineral Resource Lands) has its own staff report but action on it must be at the same time as those items above. This staff report will discuss information on the annual amendments in the same order that staff from Planning and Development Services will be presenting on.

Background – Ordinance 21-055 (SW7 – Marv Thomas)

Marv Thomas owns a farm that spans both sides of Lowell-Larimer Road. The plan designation and zoning of the north side is for agriculture. The south side is in the Urban Growth Area, designated as Urban Low Density Residential (ULDR) on the Future Land Use Map (FLUM) and zoned R-7200. There are several agricultural buildings on the south side in the 6.61 acres proposed to be redesignated and rezoned for commercial.

In his application and testimony before the Planning Commission, Marv Thomas indicated a desire to add a winery to the current agricultural buildings on the south side of Lowell Larimer Road. The current zoning and plan designation would not allow a winery; whereas, the proposed CB zoning and Urban Commercial designation would. PDS finds the proposal in compliance with applicable policies. The Planning Commission recommends approval following a public hearing held on June 22, 2021.

Analysis – Ordinance 21-055 (SW7 – Marv Thomas)

While the proposed changes would make wineries a permitted use on the subject property, the applicant would still need to submit plans and receive approval in order to operate a winery. Agricultural activities could also continue under the proposed changes. However, there is no guarantee that the ultimate result will be a winery located among agricultural buildings.

CB zoning allows many other types of commercial uses or higher density housing. The County Council does not have authority to limit uses when and if the CB zoning were to go into effect. The winery proposal is one possibility but not a guaranteed outcome. Other uses might be added by the proponent over time. A different applicant might submit a development proposal that does not include any winery or ongoing agriculture activities at all. These caveats aside, the access, pass-by traffic, and topography of the site do not lend themselves to typical strip-commercial development. If redesignated and rezoned, any successful commercial development at this location would likely need to take advantage of its setting sitting just above the floodplain and overlooking an agricultural valley. The possible outcomes are many, but not likely as wide as the proposed FLUM designation and zoning would enable elsewhere.

Overview of Proposal in Ordinance 21-055 (SW7 – Marv Thomas)

Summary: Redesignate 6.61 acres on the FLUM to Urban Commercial and rezone the same area to CB from R-7200 on the zoning map
Effective Date: TBD
Fiscal Implications: None
Scope: Future Land Use Map and Official Zoning Map

Background – Ordinance 21-053 (SW5 – Edward Tokarz)

The 0.72-acre Tokarz site sits between an existing townhouse development built circa 2003 and a church, all of which take access from 228th St SW. These uses are west of commercial development along SR-99. The adjacent townhomes have a plan designation of Urban High Density Residential and MR zoning, both of which the Tokarz proposal seeks to match. The Tokarz site currently has an Urban Medium Density Residential (UMDR) plan designation and R-8400 zoning. These are the same as the church-owned properties to the west. PDS finds the proposal in compliance with applicable policies. The Planning Commission recommends approval following a public hearing held on June 22, 2021.

Analysis – Ordinance 21-053 (SW5 – Edward Tokarz)

The proposed changes would allow for increased opportunities for higher density housing in an area with excellent transit and access to commercial services. Adjacent and nearby properties with relatively recent townhouse developments all have the UHDR designation and MR zoning combination proposed for this site.

Overview of Proposal in Ordinance 21-053 (SW5 – Edward Tokarz)

Summary: Redesignate 0.72 acres on the FLUM to UHDR from UMDR and rezone the same area to MR from R-8,400 on the zoning map

Effective Date: TBD

Fiscal Implications: None

Scope: Future Land Use Map and Official Zoning Map

Background – Ordinance 21-058 (SW6 – Tom Winde)

Tom Winde's docket application for this 19.96-acre site in the Southwest Urban Growth Area included two alternatives. The current plan designation is Urban Low Density Residential (ULDR) and the zoning is R-7,200. One alternative was a request to change the plan designation to UHDR with a rezone to MR. The other alternative was to redesignate to UMDR with a rezone to LDMR. Adjacent areas to the north, east and west all have ULDR designations with various zonings and are either existing single-family neighborhoods or homes under construction. To the south is a large undeveloped

property recently sold by Snohomish County to a developer. The adjacent plan designation to the south is UMDR and the zoning is LDMR.

PDS found both alternatives proposed by the applicant to conflict with policies regarding traffic. Development of the Winde site would likely connect existing road stubs to surrounding neighborhoods, thereby allowing cut-through traffic in addition to new traffic generated by development of the property itself. Based on modeling of likely road layouts and expected densities of development, projected traffic volumes on some connecting local roads would exceed adopted standards for those roads. The Department of Public Works (DPW) was not able to identify measures reasonably likely to mitigate traffic to a level within adopted standards.

The Planning Commission held a public hearing on June 22, 2021. Public testimony on the Winde proposal included with several comments from neighbors describing their concerns about potential development. Traffic was a common concern for all neighbors. Planning Commissioners then discussed competing planning objectives and priorities including trade-offs between traffic and housing affordability. Commissioners expressed a wish for authority to apply conditions to a recommendation. In the end, the Planning Commission voted to recommend a modified version of the docket request. The recommendation is to leave the current zoning of R-7,200 in effect but to change the plan designation to UMDR.

Analysis – Ordinance 21-058 (SW6 – Tom Winde)

The Planning Commission recommendation does not fully address concerns about future traffic volumes. Meanwhile, the potential for higher densities on the site would assist with other goals related to housing affordability. Leaving the zoning unchanged is consistent with existing policies. R-7,200 is an implementing zone for both the current ULDR plan designation and the recommended UMDR designation. If the County Council were to adopt the UMDR designation, any subsequent rezone application proposing higher density to the Hearing Examiner would need to demonstrate a change in circumstance as part of its justification (SCC 30.42A.100(4)). Many successful rezone applications cite surrounding population growth as a change in circumstance. For the Winde site, it is unknown whether the Hearing Examiner would find a general truism about population growth to be enough justification.

Snohomish County may require potential development to the south to provide a new road connection between the Winde site and Cathcart Way. This is speculative. If both sites were flat and unconstrained, then existing standards for road connectivity would require a connection. However, there is a ravine between the developable part of the Winde site and the developable area to the south. Detailed evaluation of potential road connections has not taken place. With incomplete information, a route on the west (shallower) end of the ravine appears possible. Even if Snohomish County requires future development to

the south to make a road connection to Winde, there is no guarantee that the south property would develop first.

In sum, the Planning Commission recommendation would allow for higher density which generally helps achieve housing affordable goals. This also comes with a great deal of uncertainty regarding traffic. Current tools available in the comprehensive plan do not provide for controlling timing of potential development on the Winde site and the property to the south. In addition to unknown timing, the likelihood of a new road connection to the south is unclear.

Overview of Proposal in Ordinance 21-058 (SW6 – Tom Winde)

Summary: Redesignate 19.96 acres on the FLUM to UMDR from ULDR. Leave the zoning unchanged at R-7,200.

Effective Date: TBD

Fiscal Implications: None

Scope: Future Land Use Map

Background – Ordinance 21-056 (Olympic View Water and Sewer 1)

Snohomish County's Capital Facilities Plan (CFP) is an element of its GMA comprehensive plan. Amendments to the CFP can therefore only happen once per year and are part of the same annual amendment cycle as the land use changes above. The CFP includes an inventory of service area boundaries for utility providers. Olympic View Water and Sewer District (OVWSD) has separately taken action to expand its service area boundaries to include properties commonly called Point Wells. This area had previously been part of the Ronald Water District. Ordinance 21-056 would reflect those changes in the County's CFP.

Analysis – Ordinance 21-056 (Olympic View Water and Sewer 1)

The change proposed in the CFP by OVWSD would merely update the Snohomish County's inventory utility services provided by the district and it would remove Ronald Water District from the inventory. These changes reflect actions already taken by others. There is a related action under the heading for Motion 21-289 below.

Overview of Proposal in Ordinance 21-056 (Olympic View Water and Sewer 1)

Summary: Update the CFP to show a current OVWSD boundaries and to remove Ronald Water District from the inventory

Effective Date: TBD

Fiscal Implications: None

Scope: Capital Facilities Plan

Background – Motion 21-289 (Olympic View Water and Sewer 2)

State requirement for local improvement districts (RCW 57.16) require that water and sewer districts prepare utility plans. These plans are subject to adoption processes and timelines that are different from GMA requirements. However, the Snohomish County relies on utility comprehensive plans to meet obligations under GMA. Any time a utility provider amends a plan, the County must then apply GMA-required processes to approve the amended utility plan. OVWSD has amended its utility plan. Motion 21-289 would be Snohomish County's action to formally approve the 2007 Olympic View Water and Sewer District Comprehensive Sewer Plan Amendment No. 2, August 2019.

Analysis – Motion 21-289 (Olympic View Water and Sewer 2)

Approving Motion 21-289 would close the loop in how Snohomish County's CFP incorporates OVSWD's updated utility plan. Since OVSWD's update involves facility planning in the former Ronald Water District territory, the County Council should act on this motion action on Ordinance 21-056 to recognize the change in district boundaries.

Overview of Motion 21-289 (Olympic View Water and Sewer 2)

Summary: Motion for Snohomish County to approve Amendment No 2 to the 2007 Olympic View Water and Sewer District Comprehensive Sewer Plan

Effective Date: Upon passage of motion

Fiscal Implications: None

Scope: Capital Facilities Plan

Background – Ordinance 21-054 (GPP21-3 – Technical Corrections)

Most years, PDS processes technical corrections to the comprehensive plan. Proposed Ordinance 21-054 would update several maps in the General Policy Plan to reflect three city annexations since the last update of the maps. There are three proposed amendments, bringing to six the total number of city annexations actions that the maps reflect. These are the only technical corrections in 2021. The last update to the affected maps was on December 6, 2020 (Ord. 20-080). As recommended by the Planning Commission, the ordinance would make change for three city annexations (Arlington, Darrington and Lake Stevens). Finalization of three more annexations took place after issuance of the notice for the Planning Commission public hearing on the original three. Accordingly, staff from Planning and Development Services have prepared three amendment sheets, bringing the total to six annexations. Amendment 1 addresses an annexation by Everett. Amendment 2 is for an annexation by Sultan. Amendment 3 would reflect a second annexation by Lake Stevens during the past year.

Analysis – Ordinance 21-054 (GPP21-3 – Technical Corrections)

Updating the affected maps will simply reflect annexations that have already taken place. This is a regular part of keeping the comprehensive plan current.

Overview of Ordinance 21-054 (GPP21-3 – Technical Corrections)

Summary: This ordinance and its amendment sheets would bring several maps in the GPP up to date with respect to city boundaries.

Effective Date: TBD

Fiscal Implications: None

Scope: Maps 1, 2, 4 and 5 of the GPP, plus a reference in SCC 30.10.060

Processing Summary Common to all 2021 Comprehensive Plan Amendments

Handling: NORMAL

Approved-as-to-form: YES

Risk Management: APPROVE

Request: Move to General Legislative Session on September 15th to set time and date for a public hearing.

Final Docket XX and 2021 County-Initiated Comprehensive Plan Amendments

Snohomish County Council
Planning Committee Briefing
September 7, 2021

Snohomish County

Comprehensive Plan Amendment Process

- The Growth Management Act (GMA) allows changes to a comprehensive plan no more frequently than once per year with limited exceptions.
- The GMA also requires a process (the docket) for persons and non-county agencies to propose amendments to the comprehensive plan.
- Snohomish County docket (non-county initiated) is adopted every two or four years depending if a minor or major docket cycle.
- Snohomish County adopts county-initiated plan amendments annually.

Snohomish County Docket Cycles

Major Dockets

- Include proposals that:
 - Alter UGA boundaries
 - Add significant population or employment capacity
 - Have significant environmental or capital facilities impacts
 - Propose significant policy change
- Final action occurs every four years

Minor Dockets

- All docket proposals that are not considered major
- Final action within two years if a minor docket cycle
- Final action every four years if part of a major docket cycle

Snohomish County Final Docket XX/Annual County-Initiated Amendment Process

1

County Council sets Final Docket XX – 7/22/2020

2

PDS briefed Planning Commission on final docket/county-initiated proposals – 5/25/21

3

PDS prepared recommendations/conducted SEPA review for all proposals

4

Planning Commission held a public hearing, made recommendations – 6/22/21

5

Council briefing (9/7/21) & public hearing/final action by end of 2021

Final Docket XX Proposals

1. Olympic View Water and Sewer District (CFP1)
2. Tokarz (SW5)
3. Winde (SW6)
4. Thomas (SW7)

Marv Thomas (SW7)

- ❑ 6.6 acres along Lowell-Larimer Road within the SWUGA
- ❑ Redesignate from Urban Low Density Residential to Urban Commercial
- ❑ Rezone the site from R-7,200 to Community Business
- ❑ Applicant proposes to use existing farm buildings for a winery

Marv Thomas (SW7)

Planning Commission and PDS Recommend Approval of Thomas SW7

- ❑ Consistent with the GMA, MPPs and CPPs.
- ❑ Infill proposal would provide commercial and employment opportunities in close proximity to urban residential areas and nearby rural residents.
- ❑ The site can be served by urban levels of service including sewer and water and an urban minor arterial, Lowell-Larimer Road.
- ❑ Applicant proposes to establish a winery on the site, which would help diversify the county's agricultural economy and provide living wage jobs.

Edward Tokarz (SW5)

- ❑ Redesignate a .72 acre parcel from Urban Medium to Urban High Density Residential.
- ❑ Rezone the parcel from R-8,400 to Multiple Residential.
- ❑ Located in the Southwest Urban Growth Area (SWUGA) adjacent to City of Edmonds.
- ❑ Access from 228th St. SW, an urban minor arterial. Sewer and water serve the site.
- ❑ Bus Rapid Transit service less than one-quarter mile east on SR 99 (Community Transit Swift line)

Edward Tokarz (SW5)

Planning Commission and PDS Recommend Approval of Tokarz SW5

- ❑ Consistent with the GMA, MPPs, CPPs and GPP.
- ❑ Increased urban residential densities would provide more opportunities for affordable housing.
- ❑ Encourage more compact and efficient residential development, reduces demand for new public facilities and service.
- ❑ Increased multi-family residential densities would support high-capacity public transit service within the nearby SR99 transit emphasis corridor.

Proposed FLU and Zoning Designation
 Parcels

2018 Aerial Imagery

SNOHOMISH COUNTY DATA AND MAP DISCLAIMER
All maps, data, and information set forth herein ("Data"), are for illustrative purposes only and are not to be considered an official opinion, or representation of the Snohomish County Code Administrators and updates to the Data, together with other applicable County Code provisions, may apply which are not depicted herein. SNOHOMISH COUNTY MAKES NO REPRESENTATION OR WARRANTY CONCERNING THE CONTENT, ACCURACY, CURRENCY, COMPLETENESS OR QUALITY OF THE DATA CONTAINED HEREIN AND EXPRESSLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. All persons accessing or otherwise using this Data assume all responsibility for use hereof and agree to hold Snohomish County harmless from and against any damages, loss, claim or liability arising out of any error, defect or omission contained within said Data.

Tom Winde (SW6)

- ❑ Infill a vacant 19.96 acre parcel in the Snohomish Cascade neighborhood.
- ❑ Applicant proposed two infill options.
- ❑ Located in the SWUGA, north of the 147 acre Cathcart West property recently purchased from the County by a developer.
- ❑ Located within the Silver Lake Water and Sewer District and service is accessible to the site.
- ❑ Site contains steep slopes greater than 33% and a seasonal stream.
- ❑ The only improved access to the site is by a local street in the new Glacier View single family residential subdivision, directly to the north.

Tom Winde (SW6)

Winde (SW6) Supplemental EIS

- ❑ PDS prepared a non-project environmental review, with analysis by DPW, of potential transportation impacts from the Winde proposed comprehensive plan and zoning amendments.
- ❑ The SEPA review document is a Draft SEIS to the 2015 Comp Plan Update EIS
- ❑ Draft SEIS issued by PDS on June 7, 2021, with a 30-day public comment period.
- ❑ Draft SEIS analyzed three alternatives (Options 1 and 2, and a no-action alternative).
- ❑ PDS is preparing a Final SEIS which includes responses to public comments on the DSEIS received during the 30-day comment period.
- ❑ The FSEIS will be issued no later than 7 days prior to County Council final action on Docket XX.

Transportation Analysis – Winde SEIS

Provides current and future year (2035) analysis of the transportation impacts for the Winde proposals. Looks at:

- Existing Conditions
- Impacts to key roadway segments
- Impacts to key intersections
- Transit availability
- Possible Mitigation Measures

Transit Availability

- Current and planned local fixed route transit service is not located to provide effective service to the Winde site.
- Future *Swift* BRT service may be located to provide service to a small portion of the Winde site.

Study Roadway Segments

1. Cathcart Way
2. 69th Dr SE
3. 70th Dr SE
4. 134th St SE (east)
5. 134th St SE (west)
6. 77th Ave SE
7. SR 96
8. 144th PI SE
9. Puget Park Dr N

Alternate Access: Scenario 1

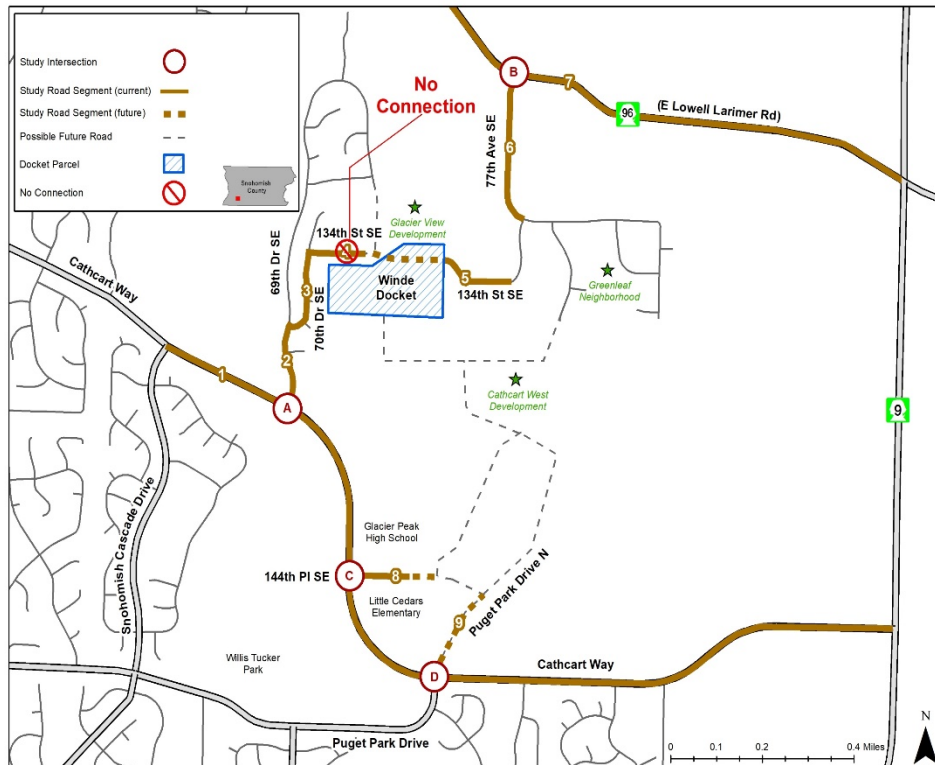

- Assumes that there will not be access to the Winde property from the east through the Greenleaf Neighborhood. Access to the Winde site would be from the west through the Glacier Peak development and from the south through the Cathcart West development only.

Road	EDDS ADT Threshold	2035 ADT		
		No Action	Alternative 1	Alternative 2
70 th Dr SE	Up to 2,000	3,670	5,260	3,970
134 th St SE (West)	Up to 2,000	2,690	4,290	2,990

Alternate Access: Scenario 2

- Assumes that there will not be access to the Winde property from the west through the Glacier Peak development. Access to the Winde site would be from the east through the Greenleaf neighborhood and from the south through the Cathcart West development only.

Road	EDDS ADT Threshold	2035 ADT		
		No Action	Alt 1	Alt 2
134th St SE (East)	Up to 2,000	350	850	430
Possible future road through Cathcart West	?	1130	2610	1410

Tom Winde (SW6)

PDS recommends denial of SW6 Options 1 and 2

- ❑ PDS finds that the proposal options do not meet 5 of the 6 Final Docket evaluation criteria (SCC 30.74.060)
- ❑ Both options inconsistent with the GMA, MPPs and CPPs.
- ❑ Inadequate existing or planned transportation facilities to serve the proposed increased housing densities.
- ❑ SEIS analysis determined that future traffic volumes from both multifamily development options are not supported by the current and planned local road system the site would access.
- ❑ SEIS identified that traffic impact mitigation would require the Winde site take 75% of its access south through the Cathcart West site on a non-existent and unplanned internal roadway system to serve future development.

Tom Winde (SW6)

Planning Commission recommends approval of a modified version of Option 2

- Redesignate from ULDR to UMDR, retain R-7,200 zoning
- PDS drafted an ordinance to recognize the Planning Commission's recommendation.
- PDS does not support the Commission's recommendation
- The Prosecuting Attorney's office cannot approve the ordinance as to form. The modified proposal remains inconsistent with the GMA, MPP, CPP, GPP and county code
- Not rezoning the property to LDMR to fully implement the UMDR plan designation still results in conflicts with transportation policies at every level of planning.
- GMA requires adequate transportation facilities to be planned or built concurrent with any change in land use designation.

Olympic View Water and Sewer District (CFP1)

- ❑ GMA Action: Revise the Wastewater Provider Inventory to show Olympic View as the sewer provider to Point Wells
 - Figure 7, Appendix B, Capital Facilities Plan – *Public Wastewater Systems*
 - Table 1, Section 2.3.A, Capital Facilities Plan

- ❑ Non-GMA Action: Approve a 2019 Amendment to Olympic View’s 2007 comprehensive sewer plan
 - Action authorized under RCW 57.16
 - Sewer plan amendment includes revised service area

SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

NOTICE OF INTRODUCTION OF ORDINANCE
AND
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN, that the Snohomish County Council will hold a public hearing on October 6, 2021, at the hour of 6:30 p.m. and continuing thereafter as necessary, in the Henry M. Jackson Room, 8th Floor, Robert J. Drewel Building, 3000 Rockefeller, Everett, Washington, to consider proposed Ordinance No. 21-058, titled: RELATING TO THE GROWTH MANAGEMENT ACT, ADOPTING FUTURE LAND USE MAP AMENDMENTS TO THE SNOHOMISH COUNTY GROWTH MANAGEMENT ACT COMPREHENSIVE PLAN (SW6 – TOM WINDE)

NOTE: Due to current COVID-19 restrictions, Snohomish County Council is currently holding its public meetings remote only and will hold in-person meetings in conjunction with a remote platform when restrictions and conditions change. Please check the Council webpage 24 hours prior to the scheduled hearing time for the most up-to-date information <https://www.snohomishcountywa.gov/2288/Meetings-Webcasts> or contact the Council Clerk at 425-388-3494 or at contact.council@snoco.org.

Zoom Webinar Information:

Join online at <https://zoom.us/j/94846850772>
or by telephone call 1-253-215-8782 or 1-301-715-8592
Meeting ID: 948 4685 0772

Background: This ordinance consists of a Final Docket XX proposal by Tom Winde, as modified by the Snohomish County Planning Commission, which would amend the Future Land Use (FLU) Map of the General Policy Plan (GPP) by redesignating 19.96 acres in the Southwest Urban Growth Area (SWUGA) from Urban Low Density Residential (ULDR) to Urban Medium Density Residential (UMDR) with no concurrent rezone. The zoning on the proposal site would remain R-7,200 which is an implementing zone for the UMDR FLU Map designation. A summary of the proposed ordinance is as follows:

A summary of the proposed ordinance is as follows:

PROPOSED ORDINANCE NO. 21-058

Sections 1 – 3. Adopts recitals, findings of fact, and conclusions, and states that the Council bases its findings and conclusions on the entire record of the Planning Commission and the County Council.

Section 4. Adopts Exhibit A, amending Map 1 (Future Land Use) of the GPP.

Section 5. Directs the code reviser to update SCC 30.10.060 pursuant to SCC 1.02.020(3).

Section 6. Provides a standard severability and savings clause.

=====
State Environmental Policy Act: Requirements with respect to this non-project action have been met through the completion of a Draft Supplemental Environmental Impact Statement

(DSEIS) issued on June 7, 2021, and a Final SEIS to be issued at least seven day prior to County Council action on the proposal. Copies of all applicable SEPA documents are available at the office of the County Council.

Where to Get Copies of the Proposed Ordinance: Copies of the full ordinance and other documentation are available upon request by calling the Snohomish County Council Office at (425) 388-3494, 1-(800) 562-4367x3494, TDD (425) 388-3700 or by e-mailing contact.council@snoco.org.

Website Access: The ordinance can also be accessed through the County Council website at: <http://www.snohomishcountywa.gov/2134/County-Hearings-Calendar>

Range of Possible Actions the County Council May Take on This Proposal: At the conclusion of its public hearing(s), the County Council may make one of the following decisions regarding the proposed actions: (1) adopt the proposed ordinance; (2) adopt an amended version of the proposed ordinance; (3) decline to adopt the proposed ordinance; (4) adopt such other proposals or modification of such proposals as were considered by the County Council at its own hearing; or (5) take any other action permitted by law.

Public Testimony: Anyone interested may testify concerning the above described matter at the time and place indicated above or by remote participation in the meeting. The County Council may continue the hearing to another date to allow additional public testimony thereafter, if deemed necessary. Written testimony is encouraged and may be sent to the office of the Snohomish County Council at 3000 Rockefeller Ave M/S 609, Everett, WA 98201; faxed to (425) 388-3496 or e-mailing Contact.Council@snoco.org. Submitting public comments 24 hours prior to the hearing will ensure that comments are provided to the Council and appropriate staff in advance of the hearing .

Party of Record: You may become a party of record on this matter by sending a written request to the Clerk of the County Council at the above address, testifying at the public hearing, or entering your name and address on a register provided for that purpose at the public hearing.

Americans with Disabilities Act Notice: Accommodations for persons with disabilities will be provided upon request. Please make arrangements one week prior to the hearing by calling Debbie Eco at (425) 388-3494, 1(800) 562-4367 X3494, or TDD #1-800-877-8339, or by e-mailing Debbie.Eco@snoco.org.

QUESTIONS: For additional information or specific questions on the proposed ordinance please call Steve Skorney in the Department of Planning and Development Services at 425-262-2207.

DATED this 17th day of September, 2021.
