**EXHIBIT A  
to  
MOTION NO. 22-185**

**INTERLOCAL AGREEMENT BETWEEN THE NORTH COUNTY REGIONAL FIRE  
AUTHORITY AND SNOHOMISH COUNTY CONCERNING PROVISION OF FIRE  
INVESTIGATION SERVICES**

[See Attached]

**INTERLOCAL AGREEMENT  
BETWEEN NORTH COUNTY REGIONAL FIRE AUTHORITY  
AND SNOHOMISH COUNTY  
CONCERNING PROVISION OF FIRE INVESTIGATION SERVICES**

THIS INTERLOCAL AGREEMENT BETWEEN NORTH COUNTY REGIONAL FIRE AUTHORITY AND SNOHOMISH COUNTY CONCERNING PROVISION OF FIRE INVESTIGATION SERVICES (this "Agreement") is made and entered into as of this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between Snohomish County, a political subdivision of the State of Washington (the "County"), and North County Regional Fire Authority, a special district and a political subdivision of the State of Washington (the "RFA").

**RECITALS**

A. The International Fire Code (the "IFC"), as adopted by the Washington State Building Code Council, is in effect within the jurisdictional boundaries and areas served by the County and the RFA, in compliance with chapter 19.27 RCW.

B. The IFC and RCW 43.44.050 requires local jurisdictions to investigate the origin, cause, and circumstances of fire events and document those findings in a report authored by a qualified fire investigator.

C. The RFA occasionally does not have qualified personnel available to perform these investigative functions, due to the simultaneous occurrence of multiple fire events, staffing fluctuations and/or other reasons. In such event, the RFA desires to engage the County to perform the required investigative functions and the County is willing to perform such investigative functions, pursuant to the terms and conditions contained in this Agreement.

D. Under other circumstances, either the RFA or the County may have qualified personnel available to perform some or all of the investigative functions required by the IFC and RCW 43.44.050, but may desire assistance in performing those functions. In the event that either party desires assistance in performing their investigative functions, the other party is willing to provide such assistance, pursuant to the terms and conditions contained in this Agreement.

E. The RFA and the County desire to enter into this Agreement to provide fire investigation services to the areas within the RFA's jurisdictional boundaries, which include the City of Stanwood and City of Arlington.

F. Separate from this Agreement, the RFA and the County are parties to the "Interlocal Agreement Between North County Regional Fire Authority and Snohomish County Concerning the Provision of Fire Investigation Services" executed on October 8, 2018, and which is limited to the jurisdictional boundaries of the City of Stanwood (the "Stanwood ILA"). The Stanwood ILA is in effect until December 31, 2023, however because the RFA's jurisdictional boundaries now include the City of Stanwood there is

no longer a need for a Stanwood-specific fire investigation services ILA. Upon execution of this Agreement, the RFA and the County intend to terminate the Stanwood ILA and consolidate the provision of fire investigation services into one ILA through this Agreement.

G. Also separate from this Agreement, the City of Arlington and the County are parties to the "Interlocal Agreement Between the City of Arlington and Snohomish County Concerning Provision of Fire Investigation Services" executed on April 24, 2014, and amended on December 19, 2019 (the "Arlington ILA"). The Arlington ILA is in effect until December 31, 2024, however because the RFA's jurisdictional boundaries now include the City of Arlington, there is no longer a need for an Arlington-specific fire investigation services ILA. Upon execution of this Agreement, the County and the City of Arlington intend to terminate the Arlington Fire Investigation Services ILA and consolidate fire investigation services into one ILA through this Agreement, which is applicable to RFA's jurisdictional boundaries, including the City of Arlington.

H. This Agreement, which will replace the existing Stanwood and Arlington ILAs, will also include an updated fee schedule that reflects the actual cost to the County for performing fire investigation services.

I. This Agreement is made pursuant to the authority granted by the Interlocal Cooperation Act, chapter 39.34 RCW, RCW 19.27.110, RCW 43.44.050, RCW 52.26.090; and SCC 30.53A.176.

## **AGREEMENT**

NOW, THEREFORE, in consideration of the respective agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the RFA and the County agree as follows:

**Section 1. SCOPE OF SERVICES FOR FIRE INVESTIGATION**

- 1.1 The RFA's requests for Fire Investigation Services (as such term is defined in Section 1.2 below) will be made by the North County Regional Fire Authority Incident Commander or any fire command officer. The term "fire command officer" means North County Regional Fire Authority officer in charge of the scene. The request for Office of the County Fire Marshal ("OCFM") Fire Investigation Services will be made through the Snohomish County 911 Dispatch Center. The parties understand and agree that the County's ability to perform Fire Investigation Services pursuant to this Agreement may be limited, delayed, or otherwise impacted by the availability of OCFM personnel.
- 1.2 The term "Fire Investigation Services," as used in this Agreement, shall include, by way of example but not by way of limitation, the following types of services: (i) acting as the on-scene agency in charge of the investigation; (ii) origin and cause determination; (iii) documenting and recording the scene; (iv) identification, collection, and preservation of evidence; (v) witness interviewing; (vi) assisting local law enforcement; (vii) preparation of initial and follow-up reports; and (viii) court appearances.
- 1.3 Both parties understand and agree that the qualified OCFM personnel who provide Fire Investigation Services to the RFA pursuant to this Agreement shall at all times be acting in their official capacities as employees of Snohomish County. OCFM personnel shall at all times be an agent or employee of the County and shall not be considered for any purpose to be an agent or employee of the RFA in providing Fire Investigation Services to the RFA pursuant to this Agreement.
- 1.4 The scope of the Fire Investigation Services to be rendered upon any specific request shall be determined by mutual agreement on a case-by-case basis; provided, however, that in all instances the performance of Fire Investigation Services by OCFM personnel shall include (i) acting as the on-scene agency in charge of the investigation, and (ii) preparing the initial and follow-up reports.
- 1.5 The RFA and OCFM personnel shall work cooperatively in any fire investigation conducted pursuant to this Agreement. The RFA and OCFM shall furnish to the other party any information, personnel or other material available that may be needed in the course of performing Fire Investigation Services pursuant to this Agreement.
- 1.6 The RFA hereby authorizes said OCFM personnel to investigate fires for origin and cause, and perform, within the jurisdictional boundaries of the RFA as those boundaries may be adjusted throughout the term of this Agreement, all other Fire Investigation Services that the RFA has expressly requested or that are

incidental to the performance of the Fire Investigation Services the RFA has expressly requested.

- 1.7 In addition, the RFA hereby authorizes OCFM to provide Fire Investigation Services described in this Section 1 outside the jurisdictional boundaries of the RFA but within any area served by the RFA under a separate contract or agreement to provide fire investigation services; PROVIDED such contract or agreement authorizes the RFA to assign its fire investigation obligations to OCFM as a third party, and the County is provided a copy of the contract or agreement.

## **Section 2. COMPENSATION**

- 2.1 The RFA shall pay the County for Fire Investigation Services provided pursuant to Section 1 of this Agreement on an hourly basis in accordance with the rate schedule in Appendix A.
- 2.2 County staff time will be billed in one-tenth hour increments.
- 2.3 The OCFM agrees to provide the RFA with a written invoice for Fire Investigation Services rendered pursuant to this Agreement no later than 90 days after the date on which the services were rendered.
- 2.4 The RFA agrees to remit payment in full within 30 days of receipt of an OCFM invoice. The payment shall be made to the OCFM.
- 2.5 The County will maintain all records reflecting fees and costs billed to the RFA.
- 2.6 All billing invoices and payments shall be delivered to the following:

County:        Snohomish County  
                  Planning and Development Services, Accounting  
                  3000 Rockefeller Avenue  
                  M/S 604  
                  Everett, WA 98201-4046

RFA:            North County Regional Fire Authority  
                  8117 267<sup>th</sup> St NW  
                  Stanwood WA 98292

## **Section 3. MUTUAL AID INVESTIGATION ASSISTANCE**

- 3.1 The parties hereby establish a mutual aid program pursuant to which either party may assist the other party with the performance of Fire Investigation Services ("Investigation Assistance") at no charge.

- 3.2 Investigation Assistance may include, by way of example and not by way of limitation, any one or more of the following types of activities: (i) assisting with the determination of origin and cause; (ii) assisting with documentation of the scene; (iii) assisting with witness interviews; and/or (iv) assisting with any of the other investigative functions required by law. Provided, however, that in no event shall Investigation Assistance include either of the following activities: (a) acting as the on-scene commander in charge of the investigation; or (b) preparing initial or follow-up reports (except for those reports documenting first hand observations and conclusions not otherwise available to the Requesting Party).
- 3.3 Should either the RFA or the County desire Investigation Assistance from the other party, the party desiring Investigation Assistance (the "Requesting Party") may request Investigation Assistance from the other party (the "Responding Party") through Snohomish County 911 Dispatch Center.
- 3.4 If the Responding Party has sufficient resources available to provide the requested Investigation Assistance to the Requesting Party, the Responding Party shall send the relevant personnel and/or equipment to the specified fire event site.
- 3.5 If a Responding Party does not, in its good-faith, business judgment, believe that it has sufficient resources available to provide the requested Investigation Assistance, the Responding Party shall so inform the Requesting Party and the Responding Party shall thereafter have no further obligations with respect to that request for assistance.
- 3.6 The Requesting Party shall at all times be in charge of the fire event scene, and any personnel from the Responding Party who provide Investigation Assistance to the Requesting Party shall take direction from the Fire Chief or Fire Marshal of the Requesting Party, as applicable.
- 3.7 Personnel providing Investigation Assistance pursuant to this Section 3 are acting in their official capacity as employees of their respective jurisdictions.
- 3.8 Notwithstanding, anything to the contrary contained elsewhere in this Section 3, the County and the RFA each understand and agree that each party's primary responsibility is to its own citizens and/or constituents, and that such responsibility takes precedence over any commitment made to the other party pursuant to this Section 3. Accordingly, neither party to this Agreement shall be required to provide Investigation Assistance to the other party if such party has a good-faith belief that it needs some or all of the resources at issue for its own use.

#### **Section 4. INSURANCE REQUIREMENTS**

- 4.1 Each party shall maintain and provide evidence to the other of insurance or self-insurance adequate to cover its liability obligations under this Agreement and/or arising out of each party's activities hereunder.
- 4.2 The RFA is part of a Public Entity insurance pool sanctioned by the Washington State Office of Financial Management Risk Management Division and it will provide a letter signed and executed by an authorized agent indicating the RFA's participation in said pool.
- 4.3 The County self-insures its common law and assumed liability for bodily injury and/or property damage to third parties. The County maintains a fully-funded self-insurance program as defined in Snohomish County Code 2.90 for the protection and handling of the County's liabilities, including injuries to persons and damage to property. The self-funded program will respond if an incident occurs involving negligence of County employees acting in the scope of their employment. The County will provide a letter of self-insurance signed and executed by an authorized agent.

#### **Section 5. INDEMNIFICATION AND LIABILITY**

- 5.1 RFA Held Harmless. The County shall indemnify and hold harmless the RFA and its officers, agents, and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by any reason of or arising out of any negligent act or omission of the County, its officers, agents, and employees, or any of them relating to or arising out of performing services pursuant to this Agreement. In the event that any such suit based upon such a claim, action, loss, or damages is brought against the RFA, the County shall defend the same at its sole cost and expense; provided that the RFA reserves the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment in said suit be rendered against the RFA, and its officers, agents, and employees, or any of them, or jointly against the RFA and the County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.
- 5.2 County Held Harmless. The RFA shall indemnify and hold harmless the County and its officers, agents, and employees, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by any reason of or arising out of any negligent act or omission of the RFA, its officers, agents, and employees, or any of them relating to or arising out of performing services pursuant to this Agreement. In the event that any suit based upon such a claim, action, loss, or damages is brought against the County, the RFA shall defend the same at its sole cost and expense; provided

that the County reserves the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment be rendered against the County, and its officers, agents, and employees, or any of them, or jointly against the County and the RFA and their respective officers, agents, and employees, or any of them, the RFA shall satisfy the same.

- 5.3 Liability Related to RFA Ordinances, Policies, Rules and Regulations. In executing this Agreement, the County does not assume liability or responsibility for or in any way release the RFA from any liability or responsibility which arises in whole or in part from the existence or effect of RFA ordinances, policies, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such RFA ordinance, policy, rule or regulation is at issue, the RFA shall defend the same at its sole expense and, if judgment is entered or damages are awarded against the RFA, the County, or both, the RFA shall satisfy the same, including all chargeable costs and reasonable attorney's fees.
- 5.4 Waiver under Washington Industrial Insurance Act. The foregoing indemnity is specifically intended to constitute a waiver of each party's immunity under Washington's Industrial Insurance Act, Title 51 RCW, as respects the other party only, and only to the extent necessary to provide the indemnified party with a full and complete indemnity of claims made by the indemnitor's employees. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

#### **Section 6. GOVERNING LAW AND VENUE**

This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. The venue of any action arising out of this Agreement shall be in the Superior Court of the State of Washington, in and for Snohomish County.

- 9.2 Either party may terminate this Agreement, for any reason, upon providing thirty (30) days written notice to the other party. In that event, the RFA shall pay the County for all Fire Investigation Services provided up to and including the date of termination in accordance with Section 2.
- 9.3 The terms and conditions contained in Sections 2 and 5 of this Agreement shall survive the expiration or termination of this Agreement.
