Why would you like to serve on this board/commission?

I enjoy serving the community I live and using the knowledge, skills, and experience I have to make things around my family better. I think serving my community helps me to learn more about it and I have an opportunity to meet new people and make new friends. I have always had a desire to be part of Police work in some fashion, I would love to serve as a reserve Police Officer. I believe being part of this commission will provide me with the opportunity to see Civil service work as well as give me a chance to help make changes or improve processes.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I have taken criminal justice classes in college in the past and I was a Tribal Gaming Agent. As a Gaming agent, I help to create, modify, and enforce State and Tribal compacts, regulations, codes, and internal controls. I think I have a good, varied background and with my IT experience, I will bring a different aspect to this commission.

Please list community involvement/volunteer activities

Citizens' Committee on Pipeline Safety, Tulalip Planning Commission, Tulalip TERO Commission, Coach - Tulalip Hawks Football, Missionary - Mormon Church.
