If the Subrecipient fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the Subrecipient to claim any exemption from disclosure under the Act. The County shall not be liable to the Subrecipient for releasing records not clearly identified by the Subrecipient as confidential or proprietary. The County shall not be liable to the Subrecipient for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

45. Time of the Essence.

Time is of the essence in the performance of each party's obligations under this Agreement. Each party will carry out its obligations under this Agreement diligently and in good faith.

Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of unused materials and equipment as required herein, unspent cash advances, program income balances, and accounts receivable to the County and the Subrecipient), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over U.S. Department of Health & Human Services. The County will close-out the award when it determines, in its sole discretion, that all applicable administrative actions and all required work of the grant have been completed.

SCOPE OF WORK

The Subrecipient will employ Community Navigators to connect with and disseminate public health information in a culturally relevant format to marginalized communities and communities with the lowest COVID-19 vaccination rates in Snohomish County as determined by the Snohomish County Health Department (“SCHD”) in its sole discretion. More particularly, Community Navigators will perform the following functions:

Program Description:

1. Attend all Community Navigators team and individual meetings with SCHD staff. During meetings, Community Navigators will inform SCHD staff of current community engagement activities and high-level public health concerns facing the Community Navigator’s assigned community. Community Navigators and SCHD staff will determine during the monthly 1:1 meeting with the SCHD program staff a minimum of flyers distributed, technical support assistance, and outreach, etc., to be completed.
2. Organize and conduct at least once each quarter a public health information session to educate community members on health topics, preventive measures, and available services, which may include: COVID-19 vaccine educational webinars and presentations, substance-use educational webinars and presentations, chronic disease educational webinars and presentations, and injury-violence educational webinars and presentations. All public health information session materials will be developed collaboratively between SCHD staff and the Subrecipient. SCHD may provide funding for room rental costs at its sole discretion.
3. Assist community members in scheduling vaccine appointments hosted by SCHD.
4. Distribute culturally appropriate public health information to the Community Navigator’s assigned communities, ensuring messages are clear and relevant. All health information materials will be developed collaboratively between SCHD staff and the Subrecipient.
5. Facilitate community meetings, forums, or events to discuss public health concerns (as approved by SCHD staff), gather feedback, and promote SCHD’s public health initiatives.
6. Assist in collecting data on community health indicators, concerns, and service utilization, as determined and requested by SCHD in its sole discretion.
7. Assist in setting up community events such as vaccination events and health fairs hosted by SCHD or collaborating agencies, as determined by SCHD in its sole discretion.

Program Performance Measures: Every month Community Navigators will input their activities into two different reporting systems.

The first reporting system will ask Community Navigators to input data into a Word or Excel template designed and made available to them by SCHD to capture activities, frequency, and number of community members reached through the Community Navigator’s community

engagement efforts. The Community Navigators will turn in this first reporting document weekly to SCHD.

The second reporting system consists of an Excel timesheet that Community Navigators will turn in weekly to SCHD for tracking weekly progress.

Schedule B

Compensation

Subrecipient will be compensated based on Community Navigator performance of deliverables for each month totaling 65 hours (9 hours of meetings and 56 hours of community engagement).

Deliverable 1: Subrecipient will be compensated monthly according to the hours reported by Community Navigators at \$50.00 an hour for 6 hours of meetings to include: Bi-weekly Community Navigator Meetings (2), 1:1 partner program meetings with SCHD program staff (1), 1:1 partner admin meetings with SCHD program staff (1), and other key SCHD meetings as agreed upon with SCHD community navigator program staff.

- a. The bi-weekly community navigator team meetings are required. Attendance will be taken at each meeting by SCHD program staff.
- b. A 1:1 meeting with SCHD Project Monitor staff is mandatory within the monthly performance period. The 1:1 meeting establishes the monthly work plan.
- c. A 1:1 meeting with the SCHD Project Monitor is mandatory within the monthly performance period. This meeting goes over the monthly invoice and ensures adherence to the contract.

Deliverable 2: Subrecipient will be compensated monthly according to the hours reported by Community Navigators at \$50.00 an hour for 15 hours per week.

- a. The County shall compensate the Subrecipient for completion of the services and requirements specified in the compensation section. Compensation will be paid to Subrecipient upon receipt and approval of a signed invoice (template provided by the County, see Exhibit B) along with a monthly report outlining the Community Navigator's community engagement and outreach activities.
- b. The Subrecipient shall submit an invoice and all accompanying reports as specified in the attached exhibits no more than 15 days after the close of each indicated reporting period. The County shall make payment to the Subrecipient no more than 30 days after an invoice is received.
- c. The Subrecipient shall submit the final invoice and all outstanding reports within 30 days of the date this contract end date.

EXHIBIT D

CIVIL RIGHTS CERTIFICATION

The funds provided to The Clearwater School (hereinafter referred to as the (“Contractor”)) are available under. section 1707 of the Public Health Service Act.

The Contactor understands and acknowledges that:

As a condition of receipt of federal financial assistance from the Department of Health and Human Services, with monies distributed through the Snohomish County, the Contractor provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Contractor’s beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or fund made available through the Department of Health and Human Services (“HHS”).

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Contractor’s program(s) and activity(ies), so long as any portion of the

Contractor’s program(s) or activity(ies) is federally assisted in the manner prescribed above

The Contractor certifies the following:

1. Contractor ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Contractor acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Contractor understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Contractor shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Contractor understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient’s programs, services, and activities.
3. Contractor agrees to consider the need for language services for LEP persons when Contractor develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on

taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.

4. Contractor acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Contractor and Contractor's successors, transferees, and assignees for the period in which such assistance is provided.

5. Contractor acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between Contractor and Contractor's subgrantees, contractors, subcontractor, successor, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

If any personal property is provided, this assurance obligates the Contractor for the period during which it retains ownership or possession of the property.

Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Contractor shall comply with information requests, on-site compliance reviews and reporting requirements.

8. Contractor also must inform the Department of the Treasury if Contractor has received no complaints under Title VI.

9. Contractor must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Contractor and the administrative agency that made the finding. If the Contractor settles a case or matter alleging such discrimination, the Contractor must

provide documentation of the settlement. If Contractor has not been the subject of any court or administrative agency finding of discrimination, please so state.
