MEMORANDUM

TO: Council Chair Gary Nelson
FROM: County Executive Bob Drewel
RE: Snohomish County Historic Preservation Commission
DATE: July 22, 2002

I am pleased to recommend the appointments of the following citizens to the new Snohomish County Historic Preservation Commission:

Loren Kraetz (Dist. 1)	Timothy Bond (Dist. 1)	Falken Forshaw (Dist. 2)
Gene Fosheim (Dist. 2)	Alex Alexander (Dist. 2)	Donna Walther (Dist. 3)
Marge Wood (Dist. 4)	Windsor Vest (Dist. 5)	Bethany Sugawara (Dist. 5)

On April 3rd, 2002, the County Council adopted Amended Ordinance No. 02-007, Adopting a New Snohomish County Code Title 33, Relating to the Protection and Preservation of Snohomish County Archaeological and Historic Resources, Sites and Districts. Within this document, Chapter 33.05 states the purpose of having an historic commission, membership requirements and the process for appointment, powers and duties of the commission, and functional details relating to the commission's operation.

The historic preservation commission will have nine members with at least one from each Council District. In choosing these candidates, I have taken into consideration the membership criteria in Chapter 33.05.020. The same section states that, "The original appointment of members to the commission shall be as follows: three for two years, three for three years, and three for four years." The terms proposed for each candidate in the attached background information matrix satisfy this requirement.

The recruitment process included notice of the initial and extended deadlines for application in all local newspapers as well as in the Planning and Development Department's *Heritage Perspective* newsletter. The deadline for applications was extended twice: from June 15th to June 30th, and from June 30th to July 15th in order to fill the nine positions available. Nine applications were received and all are included in this recommendation.

I am convinced that the recommended slate of candidates has the skills, desire and ability to contribute positively to the important work of the new commission. Pursuant to SCC 2.03.040(1), I recommend these appointments to the terms proposed in the attached background information matrix. Thank you for your consideration.

RE: Snohomish County Historic Preservation Commission
Re-appointment of Loren Kraetz

DATE : August 22, 2005

I am pleased to recommend the re-appointment of Loren Kraetz of Arlington to the Historic Preservation Commission.

As background, the Historic Preservation Commission was created by Council in 2002 to advise the county on historic preservation issues and serve as the Design Review Board for special valuation, a state tax incentive for rehabilitation of historic properties. It surveys and inventories historic resources; nominates properties to the local, state and national registers of historic places; reviews proposals to modify historic register structures; and conducts educational programming related to historic preservation and archeological preservation.

The Commission recommends the re-appointment of A. Loren Kraetz who was an educator in American History for 31 years. He has been a board member of the Stillaguamish Valley Pioneer Museum since 1966, contributing over 2200 items to the museum. He holds life memberships in the Stanwood Historical Society and the Island county Historical Society. Mr. Kraetz has been an active member of the Commission including work on and leading a tour of north county in 2003. He was interviewed extensively regarding historic properties in a loop from Maryville to Arllington and the tape is now part of the Snohomish County historical archives.

Pursuant to SCC 2.03.030, I concur with the Historic Preservation Commission's recommendation and hereby nominate Mr. kraetz to a second three-year term beginning August 2005. Thank you for your consideration.

FROM: Louise Lindgren, Senior Planner, ext. 2372 LL

DATE: August 4, 2005

SUBJECT: Recommendation for Historical Commission: Loren Kraetz

I am pleased to recommend that Loren Kraetz be re-appointed to the Snohomish County Historical Commission in a three-year position as a resident of District 1, if the County Executive and County Council approve.

Mr. Kraetz has been a responsive, contributing member of the commission since his appointment in 2002, with nearly perfect meeting attendance. He worked many extra hours planning, contributing information and finally leading a tour of north county in the summer of 2003. In addition, he was interviewed on tape for three hours by staff in order to contribute rich historic detail to our understanding of the historic properties in a loop from Marysville to Arlington and Stanwood. This tape-recording is now part of the Snohomish County historical archives.

The commission concurs in this recommendation and regards Mr. Kraetz as one of its most valued members because of his wealth of knowledge about the history of the county, his contributions during his tenure, and his connection with education, which will assist the commission in its work to create public and school information programming regarding preservation.
