ORDINANCE NO. 23-048

APPROVING AND AUTHORIZING FORM AGREEMENTS FOR NALOXONE DISTRIBUTION
(LEAVE-BEHIND PROGRAM) BETWEEN SNOHOMISH COUNTY AND LOCAL
JURISDICTIONS WITHIN SNOHOMISH COUNTY

Summary: The ordinance approves form agreements for naloxone distribution within local jurisdictions of Snohomish County. Prior to integration into Snohomish County, the Snohomish Health District entered into naloxone distribution agreements with intergovernmental agencies and wish to continue and build these partnerships to aid in implementing a Leave-Behind Naloxone Distribution Program with first responders. In exchange for data regarding opioid overdoses within the county, the Snohomish County Health Department provides naloxone to partner jurisdictions that respond to opioid overdoses within the County. The opioid overdose data is used to track areas of high demand for naloxone to shift naloxone resources to those areas as the areas change over time. The Health Department recognizes the public health, safety, and welfare benefits of promoting wider availability of naloxone within Snohomish County.
