

SNOHOMISH COUNTY COUNCIL  
Snohomish County, Washington

MOTION NO. 26-069

AUTHORIZING THE SURPLUS OF GRANITE FALLS BRIDGE 102  
BY SNOHOMISH COUNTY PUBLIC WORKS DEPARTMENT

WHEREAS, pursuant to federal and state laws and regulations, Granite Falls Bridge 102 is considered to be a historic bridge subject to the requirements of the Federal Highway Administration (FHWA), and must be removed from its current location because of a federally funded bridge replacement project; and

WHEREAS, Snohomish County is therefore required to market and attempt to donate the bridge to a State, locality, or responsible private entity for the purpose of maintaining Granite Falls Bridge 102 and its features that give it historic significance; and

WHEREAS, to sell Granite Falls Bridge 102 for use as materials rather than as a unit would constitute a failure to conform to the requirements of both Title 23 United States Code § 144, and Section 106 of the National Historic Preservation Act, as amended; and

WHEREAS, the Director of the Department of Public Works has determined that Granite Falls Bridge 102 is surplus to the needs of the Department; and

WHEREAS, the Director of the Department of Public Works and the Property Officer recommend the surplus and transfer of Granite Falls Bridge 102 by donation;

NOW, THEREFORE, ON MOTION, the Snohomish County Council hereby approves of the surplus declaration of Granite Falls Bridge 102, finds it is in the public interest to donate said bridge through a request for proposals process, finds that the federal requirements mandating donation constitute an emergency as to said bridge creating the basis for a donation in lieu other methods of disposition, authorizes the Property Officer of the Department of Fleet and Facilities to execute on behalf of the County any and all documents necessary to effectuate the donation and transfer of said bridge and take all steps that are necessary to consummate the donation and transfer on behalf of Snohomish County.

PASSED this 18<sup>th</sup> day of February, 2026.
