Inserting New Ordinance Recitals, Findings, Conclusions or Sections:

On page 9, line 21, insert new section as follows and re-number subsequent sections as needed:

Section 6. Snohomish County Code Section 30.24.020, added by Amended Ordinance No. 12-049 on October 3, 2012, is amended to read:

30.24.020 Connection of road network elements.

- (1) Connections between road network elements are allowed according to SCC Table 30.24.020(1), subject to the county engineer's approval.
- (2) A private road, drive aisle or shared driveway may not make a direct, in-line connection between two sections of public road.

Table 30.24.020(1) Connections to a Road Network Element

How to use the Table. Start in "column A" with the road network element that is being proposed.

Move over to column B to the road network element that the connection is proposed from. If there is an "A" in the box, the connection is allowed. If the box is blank, the connection is not allowed.

Column A Road Network Element Being Proposed	Column B Road Network Element the Connection is Proposed To						
	Public Road	Private Road	Drive Aisle	Alley	Shared Court	Shared Driveway	Driveway
Public Road	A						
Private Road	A	A					
Drive Aisle	A	A	A				
Alley	A	A	<u>A¹</u>	((A)) <u>A¹</u>			
Shared Court	A	A	<u>A</u>				
Shared Driveway	A	A	<u>A</u>				
Driveway	A	A	A	A	A	A	

Footnote 1: The alley must not exceed 150 feet in length pursuant to SCC 30.24.120(2).
