The County makes no commitment to support the Project or Property beyond what is provided for in this Agreement and assumes no obligation for future support of the Project or Property except as expressly set forth in this Agreement.
- 4.5. Availability to County Residents. As consideration for the financial assistance provided to the City for the Project, the City shall make all elements of the Skagit Bay Dike Repair project available to all County residents on the same terms as to residents of the City, including community improvements such as public walking paths, trails, and parking lots. The City shall provide invoice(s) with line-item detail for materials, labor and overhead as they apply to individual budget line item included by reference in **Attachment C**. The City shall include any documentation requested by the County, including but not limited to documentation as to what amounts have been spent by the City on the Project.
- 5.2. Payment. If the County disputes the amount of a particular line item in an invoice, the County shall provide written notice to the CITY within twenty (20) days of receipt of invoice. Absent a dispute, the County shall pay invoices within thirty (30) calendar days of receipt.
- 5.3. No Overpayments. Should an overpayment occur, the County shall give written notice to the City of the overpayment, and within thirty (30) days of the notice of overpayment the City shall return to the

County the overpaid Funds plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of the notice of the overpayment, and within thirty (30) days of the notice of overpayment the City shall return to the County the overpaid Funds plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of the notice of overpayment.

In the case of **5.6.1** or **5.6.2**, the County shall make a written demand upon the City for repayment, and the City shall be obligated to repay to the County the Funds demanded within sixty (60) calendar days of the demand. The County's right to demand repayment from the City may be exercised as often as necessary to recoup from the City all Funds required to be returned to the County.

The City is solely responsible for seeking repayment from any subcontractor in conformance with its debt collection policy.

The City acknowledges and agrees that its obligations under this Section 8 will survive expiration, abandonment, or termination of this Agreement.

## **6. Independent Contractor.**

The City will perform all work associated with the Project as an independent contractor and not as an agent, employee, or servant of the County. The City shall be solely responsible for control, supervision, direction and discipline of its personnel, who shall be employees and agents of the City and not the County. The County shall only have the right to ensure performance.

## **7. Indemnification/Hold Harmless.**

The City shall assume the risk of liability for damage, loss, costs and expense arising out of the activities under this Agreement and all use of any improvements funded under this

Agreement.

The City shall hold harmless, indemnify and defend the County, its officers, elected and appointed officials, employees and agents from and against all claims, losses, lawsuits, actions, counsel fees, litigation costs, expenses, damages, judgments, or decrees by reason of damage to any property or business and/or any death, injury or disability to or of any person or party, including but not limited to any employee, arising out of or suffered, directly or indirectly, by reason of or in connection with the activities funded under this Agreement or the use of any improvements funded under this Agreement, including but not limited to claims arising from flooding, water intrusion, erosion, structural failure, or environmental impacts; provided that the City's obligation to defend shall arise immediately upon tender of any claim by the County and shall be performed with counsel reasonably acceptable to the County. PROVIDED that this indemnification applies to all claims, including those caused in part by the negligence of the County, except to the extent such damages are caused by the sole negligence or willful misconduct of the County, its elected and appointed officials, officers, employees, or agents.

This indemnification obligation shall include, but is not limited to, all claims against the County by an employee or former employee of City, and City, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects the County only, under any industrial insurance act, including **Title 51 RCW**, other Worker's Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

The City's obligation under this Section shall not be limited by the availability of insurance but shall be supported by any insurance coverage required under this agreement.

The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.

#### **8. Liability Related to City Ordinances, Policies, Rules and Regulations.**

In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility that arises in whole or in part from the existence or effect of City ordinances, policies, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such City ordinance, policy, rule or regulation is at issue, the City shall defend the same at its sole expense and, if judgment is entered or damages are awarded against the City/Town, the County, or both, the City shall satisfy the same, including all chargeable costs and reasonable attorney's fees.

#### **9. Insurance.**

The City shall procure and maintain for the duration of this Agreement, insurance against claims for injuries to persons or damages to property which may arise from, or in connection with, exercise of the rights and privileges granted by this Agreement, by the City, its agents, representatives, and employees/subcontractors. The cost of such insurance shall be paid by the City.

By requiring the minimum insurance coverage set forth in this **Section 9**, the County shall not be deemed or construed to have assessed the risks that may be applicable to the City under this

Agreement. The City shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

9.1. Minimum Scope and Limits of Insurance.

9.1.1. General Liability: \$6,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$7,000,000 aggregate limit. CG 00 01 current edition, including Products and Completed Operations.

9.2.1. Coverage shall be written on an "Occurrence" form.

9.2.2. The County, its officers, officials, employees, and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the City, in connection with this Agreement. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees and agents. Additional Insured Endorsement shall be included with the certificate of insurance; "CG 2026 07/04" and "CG 20 37" or its equivalent are required.

9.2.3. The City's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

9.3. Verification of Coverage. The City shall furnish the County with certificate(s) of insurance and endorsement(s) required by this Agreement.

9.4. In lieu of the insurance required in this **Section 9**, the City may, upon request of and acceptance by the County, provide the County a letter certifying the City's self-insurance program.

**10. Subcontractor Insurance Requirements.**

The City shall require and verify that all subcontractors and any tier performing work under this Agreement maintain insurance coverage appropriate to the scope and risks of their work. At a minimum, such insurance shall be consistent with the types and limits of coverage required of the City under this Agreement, unless otherwise approved in writing by the County.

The City shall be solely responsible for ensuring that its subcontractors comply with these insurance requirements and shall obtain and maintain proof of such coverage. Upon request, the

City shall provide the County with certificates of insurance or other evidence demonstrating that required coverage is in place for subcontractors.

12.2. Remedies. In the event of a party’s Default under this Agreement, then after giving notice and an opportunity to cure pursuant to **Section 12.1** above, the non-Defaulting party shall have the right to exercise any or all rights and remedies available to it in law or equity.

#### **13. Early Termination.**

13.1. Lack of Funding. This Agreement is contingent upon governmental funding and local legislative appropriations. In the event that funding from any source is withdrawn, reduced, limited, or not appropriated after the effective date of this Agreement, this Agreement may be terminated by either party immediately by delivering written notice to the other party. The termination notice shall specify the date on which the Agreement shall terminate.

In the event the City fails to complete the Project funded by Snohomish County as set forth in **Attachment B** by **December 31, 2026**, commits a Default as described in **Section 12**, or otherwise fails to appropriate the funds necessary to complete the Project, the County may terminate this Agreement immediately by delivering written notice to the City. Within thirty (30) days of such early termination, the City shall return to the County all funds previously provided by the County to the City for the Project plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of early termination.

#### **14. Dispute Resolution.**

In the event differences between the Parties should arise over the terms and conditions or

the performance of this Agreement, the Parties shall use their best efforts to resolve those differences on an informal basis. If those differences cannot be resolved informally, the matter may be referred for mediation to a mediator mutually selected by the Parties. If mediation is not successful or if a party waives mediation, either of the Parties may institute legal action for specific performance of this Agreement or for damages. The prevailing party in any legal action shall be entitled to a reasonable attorney's fee and court costs.

## **15. Notices.**

All notices required to be given by any party to the other party under this Agreement shall be in writing and shall be delivered either in person, by United States mail, or by electronic mail (email) to the applicable Administrator or the Administrator's designee. Notice delivered in person shall be deemed given when accepted by the recipient. Notice by United States mail shall be deemed given as of the date the same is deposited in the United States mail, postage prepaid, and addressed to the Administrator, or their designee, at the addresses set forth in **Section 3** of this Agreement. persons or circumstances shall not be affected thereby, but shall instead continue in full force and effect, to the extent permitted by law.

- 16.6. No Waiver. A party's forbearance or delay in exercising any right or remedy with respect to a Default by the other party under this Agreement shall not constitute a waiver of the Default at issue. Nor shall a waiver by either party of any particular Default constitute a waiver of any other Default or any similar future Default.
- 16.7. No Assignment. This Agreement shall not be assigned, either in whole or in part, by either party without the express written consent of the other party, which may be granted or withheld in such party's sole discretion. To the extent that public records then in the custody of the City are needed for the County to respond to a request under the Act, as determined by the County, the City agrees to make them promptly available to the County. If the City considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the City shall clearly identify any specific information that it claims to be confidential or proprietary. Re: City of Stanwood  
Stanwood Diking District 7 Project

**Evidence of Coverage**

The City of Stanwood is a member of the Washington Cities Insurance Authority (WCIA), which is a self-insured pool of over 160 public entities in the State of Washington.

WCIA has at least \$6 million per occurrence limit of liability coverage that may be applicable in the event an incident occurs that is deemed to be attributed to the negligence of the member. Liability coverage includes general liability, automobile liability, stop-gap coverage, errors or omissions liability, employee benefits liability and employment practices liability coverage.

WCIA provides contractual liability coverage to the City of Stanwood. The contractual liability coverage provides that WCIA shall pay on behalf of the City of Stanwood all sums which the member shall be obligated to pay by reason of liability assumed under contract by the member.

WCIA was created by an interlocal agreement among public entities and liability is self-funded by the membership. As there is no insurance policy involved and WCIA is not an insurance company, your organization cannot be named as an additional insured.
