

SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

NOTICE OF ENACTMENT

NOTICE IS HEREBY GIVEN, that on March 18, 2026, the Snohomish County Council approved Ordinance 26-006.

ORDINANCE NO. 26-006

APPROVING AND AUTHORIZING THE SNOHOMISH COUNTY
EXECUTIVE TO SIGN THE INTERLOCAL AGREEMENT BETWEEN
SNOHOMISH COUNTY AND EAST COUNTY PARK AND RECREATION
DISTRICT FOR PHASE I OF MALTBY SPORTS PARK PROJECT

Summary: The ordinance approves and authorizes the execution of an Interlocal Agreement that will provide financial assistance to the East County Park and Recreation District (ECPRD) for a feasibility study to convert grass sports fields to synthetic turf at Maltby Community Park. ECPRD owns, manages, and maintains Maltby Community Park. The property has grass sports fields that ECPRD would like to convert to synthetic surfaces. Snohomish County has a settlement agreement with King County for the construction of a wastewater treatment plant referred to as the 'Brightwater Project' within its jurisdiction. The settlement agreement agrees to pay Snohomish County in mitigation funding for the impact of the Brightwater project. Of this mitigation funding, \$30,400,000 has been identified towards recreation facilities and improvements in the Maltby area. The County has identified the Park as a potential use for these funds and would like to pursue those options by entering into this agreement.
