Subject: Amending sections 1 and 3 of Ordinance No. 22-046 to add an additional capital project to those capital projects financed with proceeds of the County's Limited Tax General Obligation Bonds, 2022.

Scope: The proposed ordinance would authorize the use of \$1,100,000 of bond proceeds that were issued for the Arlington Public Works Operations Center Project towards the Elliot Road Flood Reduction at Anderson Creek project (\$425,000), and the Cedarvale Loop Road Culvert Replacement Project (\$675,000).

Duration: N/A

Authority Granted: N/A

Background: In October of 2022, Snohomish County Council authorized the issuance of Limited Tax General Obligation Bonds in the amount of \$95,000,000 to fund the Arlington Public Works Operations Center Project, and the Sno911 Project. Public Works has determined that they will not need all of the bond proceeds for the Operations Center.

Requested Action: Move to GLS on November 5th to set time and date for a public hearing.
