Certified Residential Appraiser and I hold the SRA designation from the Appraisal Institute

**Why would you like to serve on this board/commission?**

Residential real estate is my particular area of professional expertise and it would be a natural fit for my talents and experience. We should all pay our "fair share" of the tax burden and it would be gratifying to help the County, and it's citizens, resolve disagreements. I am finishing a period of service, teaching, and volunteering with a local mountaineering club and have the bandwidth to take on this role.

**Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.**

I've been appraising in Snohomish County since the early 1990's and have appraised nearly all types of residential properties, including leasehold properties on and off the reservations, vacation properties, and even floating homes on Lake Union. In addition to the direct work experience, I've been an active member of the board for the Seattle chapter of the Appraisal Institute for many years and have extensive experience working collaboratively with others, including resolving disputes amongst people in disagreement. I work daily with a team at my company and we enjoy a very collaborative environment.

**Please list community involvement/volunteer activities**

I volunteer with a number of organizations that help people recover from addiction/dependency, including teaching people to become mountaineers. I also volunteer on the board of the local Appraisal Institute chapter.

**How did you learn of this opportunity?**

A colleague sent me the information about the opening on the board.

**Do you currently serve on a Snohomish County board or commission?\***

No
