Why would you like to serve on this board/commission?

Would love to be a part of the community and better understand what the needs are so that I can help with solutions.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I have spent over 15 years in hospitality with the largest hotels in world (Las Vegas) as a local now in Lynnwood, I know what we can do to help with the local business. I was also a small business owner in Pacific City, Oregon. As a grocery store owner surviving from tourism and local business for 9 years, my entire life depended on tourism. I also served as the Treasurer for the Pacific City Chamber of Commerce. I also served in the US Navy for 9 years. My last tour was with the Blue Angels as part of their Maintenance Team. I traveled around the country performing airshows in small towns and large towns and understand what it takes to execute a large event.

Please list community involvement/volunteer activities

I was the Regional Director for the American Cancer Society in Las Vegas. I had 4 people on staff and 20 volunteers. I also lead the American Cancer Society Leadership Committee with all volunteer board of leaders in the community. Together we created events that would raise money for the research of cancer. This included fundraising and grants.
