SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

ORDINANCE NO. 22-059

ADOPTING THE 2023 BUDGET AND MAKING APPROPRIATIONS FOR THE
OPERATION OF COUNTY AGENCIES AND DEPARTMENTS AND CAPITAL
IMPROVEMENTS FOR THE PERIOD BEGINNING JANUARY 1, 2023, AND
ENDING DECEMBER 31, 2023

BE IT ORDAINED:

Section 1. Appropriations. Having considered the County Executive's proposed 2023 budget, including the Executive's proposals regarding property tax revenues, the County Council hereby adopts the budget for the fiscal year beginning January 1, 2023, and ending December 31, 2023, at the program levels set forth in Attachment 1, a computerized compilation of budget detail attached hereto and incorporated as if fully stated herein. In case of conflict, the figures in Attachment 1 shall control over the summary table in section 4.

Section 2. Fire Districts. Pursuant to the requirements of Chapter 49, § 23, Laws of Washington 1982, 1st ex. sess., funding for the fire districts within Snohomish County has been fully considered during the budget process. While such districts provide an important service to the residents of Snohomish County, they are independent taxing entities; therefore this budget does not provide funds for their use.

Section 3. Non-represented Employees.

(a) The base 2023 compensation levels (salaries and wages) of non-represented regular employees (except the elected officials identified in SCC 2.105.010, employees covered by the Sheriff's office exempt employees compensation plan established by SCC 3.69.050 and District and Superior Court Judges and Commissioners) that are set by section 1 of this ordinance are unchanged from the base year 2022 salaries and wages. The intent of this section is to establish that the base 2023 compensation levels of non-represented county employees shall be treated the same as those granted to AFSCME union employees not subject to interest arbitration in their collective bargaining agreements covering the year 2023. The base 2023 compensation for such employees shall be subject to adjustment such that final 2023 compensation for such employees shall be determined at the time wage negotiations between the county and its AFSCME union employees are concluded. Compensation increases granted to non-represented county employees shall be the same in both amount and manner of payment (lump sum and/or increase in total compensation going forward) as those granted to AFSCME union employees not subject to interest arbitration, if any, in their collective bargaining agreements covering the year 2023. The amount and manner of

any compensation increases applicable to non-represented county employees shall be established by the council by written motion.

(b) For active non-represented temporary employees who perform duties that are equivalent to those performed by regular employees and who receive a rate of compensation for such work that is equal to the rate paid for that work done by regular employees, the compensation levels set by section 1 of this ordinance include a cost of living adjustment (COLA) which shall be determined and paid in a manner equivalent to that set forth in subsection (a) of this section for regular employees.

Section 4. Summary Table. The 2023 budget is organized by funds and departments in the following amounts:

The Honorable Members of Snohomish County Council  
3000 Rockefeller Avenue M/S 609  
Everett, WA 98201

Dear Snohomish County Council Members,

We, the undersigned Snohomish County Mayors, write to urge your support for the Prosecuting Attorney's Office's 2023 budget request. The recent spike in homicides and other violent crimes in Snohomish County, and the impact of persistent and repeat felony offenders—particularly those who unlawfully possess and use firearms in furtherance of their criminal activity—is adversely affecting the social well-being and the quality of life for those who live and work in our cities. The responsive and fair prosecution of felony crimes in Snohomish County is essential to keeping our communities safe and livable and holding offenders accountable with timely and efficient justice.

The Snohomish County Prosecuting Attorney's Office is a critically important ally in our law and justice efforts. In this current, turbulent environment, however, their existing resources are inadequate to achieve an optimal level of public safety by way of felony prosecution. It is our understanding that the Prosecuting Attorney's Office has requested funding to hire Deputy Prosecutors and staff to specifically address the escalation in violent crime, the related and continuing scourge of gun violence, and the training needs of an unprecedented number of new employees in their office and in our local law enforcement agencies. We believe fully funding their 2023 budget request is an appropriate and necessary response to the community safety concerns of our citizens.

It is our intention to also work with the current and future County Prosecutors to develop metrics with which to measure progress in the areas cited. We realize that with additional resources should come additional accountability to the goals and commitments cited.

We are mindful that the task of allocating the County's finite fiscal resources is a tall one and requires difficult decision making. Nevertheless, the safety of our citizens is our number one priority and the prosecution of our most dangerous offenders is the surest path to community well-being. We strongly urge you to support the Prosecuting Attorney's Office's 2023 budget request.

Sincerely,

  
Mayor Sid Roberts  
City of Stanwood

## **Re: Prosecuting Attorney's Office 2023 Budget Request**

Dear Members of the Snohomish County Council and Executive Somers:

I write on behalf of the membership of the Snohomish County Sheriff and Police Chiefs' Association to urge your support for the Prosecuting Attorney's Office's 2023 budget request. The ability of our agencies to successfully protect and serve our county's citizens is intrinsically tied to the work of the Prosecuting Attorney's Office. Not only do we rely upon them for the review and prosecution of felony crimes in our county, but we also rely regularly on their assistance in furthering our investigations and providing training for our officers and deputies.

Our communities are at a critical public safety crossroads. Growing concern about an increase in homicides and other violent crimes and the impact of persistent and repeat felony offenders—particularly those who unlawfully possess and use firearms in furtherance of their criminal activity—is compounded by attrition in the law enforcement ranks and the attendant loss, in many cases, of decades of valuable experiential capital. Additionally, police and prosecutors have been required to modify and adapt their practices in the wake of recent, significant changes in the law. The Prosecuting Attorney's Office funding request is a critically important first step toward responsibly addressing these challenges.

The thorough, fair, and timely investigation and prosecution of felony crimes in Snohomish County is essential to both keeping our communities safe and livable, and to holding offenders accountable. The membership of the Snohomish County Sheriff and Police Chiefs' Association believes that fully funding the Prosecuting Attorney's 2023 budget request is an appropriate and necessary response to the specific needs of our agencies and the community safety concerns of our citizens. We strongly urge your support.

Sincerely,

Jonathan Ventura, President  
Snohomish County Sheriff and Police Chiefs' Association  
Chief of Police, Arlington Police Department

Good morning Commissioner,

Budget preparation is upon us and I thought it an appropriate time to reach out to you regarding juvenile detention. Last year, our juvenile court, probation and detention cost Chelan county almost \$3.5 million. Whether you are operating your own facility or contracting with another county, I am sure you are experiencing the same inflation costs. I don't know if you have ever had the chance to visit our juvenile detention facility, but we would like to show you exactly what we have to offer. Just last week, our Juvenile Administrator, Corey Stephens, presented to a neighboring county commission and we would love the opportunity to present to your board as well. Please let me know if you have some time during session to see what we are able to offer. Looking forward to hearing from you to schedule a date. Please let me know if you have any questions.

Chelan County Juvenile Detention offers the following services:

- Crisis mental health response through Catholic Charities.
- Jail Services Program (addresses non-emergent mental health) through Catholic Charities.
- In-house and virtual mental health-related and substance use disorder assessments.
- In-person visitation.
- Institutional Education program.
- WorkSource employment skills training.
- Narcotics Anonymous panel support group.
- EDGE (life skills group).
- Dialectical Behavior Therapy (DBT) groups.
- Celebrate Recovery 12-step self-help recovery group.
- Chaplaincy Program.
- In-house Food service program.
- Contracted non-emergency medical care.
- Yoga.

- North Central Regional Library partnership.
- Prison Rape Elimination Act (PREA) facility certification since 2019.
