RE: State No. D20-228  
Disaster No. 4481-DR-WA  
FEMA No. 061-99061-00

Dear Ms. Fotheringill:

Snohomish County's disaster grant under the 4481-DR-WA COVID-19 Pandemic event grant period has been extended.

Due to circumstances beyond the Applicant's control, the repair and restoration to all of the damaged public facilities have not been completed. An extension of the period of performance is allowable under grant provisions. FEMA and the Grant Program Manager have approved the period of performance time extension.

**The Public Assistance Grant Agreement Face Sheet Block 6. Grant End Date has been changed from March 22, 2024 to May 11, 2026.**

No other changes are required. All other terms and conditions of the original contract and any previous amendments remain in full force and effect.

*Please keep in mind that this extension is for the grant period. Any uncompleted work will require an individual time extension.*

If there are questions regarding the time extension, please contact Kirsten Zerbe, Program Closeout Manager, at (253) 512-7048 or [kirsten.zerbe@mil.wa.gov](mailto:kirsten.zerbe@mil.wa.gov).

Sincerely,

Gerard Urbas
