Why would you like to serve on this board/commission? I currently work at the Courtyard by Marriott in downtown Everett. I feel that being a part of this board I can help to drive tourism to the Everett/Snohomish area to help drive the economy. I have great insight into the hospitality community

and I am looking to expand my knowledge in the Everett community specifically.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.

I have worked in the hospitality industry for 12 years and I have my degree in Hospitality Business Management. I have worked in Bellevue and downtown Seattle Center as well during my career. Being at the Courtyard in downtown Everett I am directly impacted by the Tourism being brought to the area and am very motivated to make sure we are doing all we can to get people to come to our area.

I am new to Everett and want to expand my knowledge on the area. Working in hospitality right now is obviously very difficult so anything that I can potentially do to build more room nights in Everett will help my business, my employee's, as well as the city of Everett in general. I would like to be on the board to help me get to know the area and people of Everett better while also being more active in helping to drive the business to Everett.

Please list community involvement/volunteer activities

Currently I am not participating in any volunteer activities, with working full time and I have a 2 year old at home it does not leave very much extra time right now. However, I used to volunteer with the Humane Society. I am also involved with my neighborhood community through Facebook and being active in our area.

How did you learn of this opportunity?

I learned of this opportunity through Sheldon Johnson who is the GM at the Delta in Everett and then through my contact with Carol Peterson.
