SNOHOMISH COUNTY HISTORIC PRESERVATION COMMISSION
Meetings: 3rd Tuesdays, Granite Falls City Hall 215 S. Granite Ave., Granite Falls,
WA 98252 7:00 pm
or by Zoom

This commission was created by the Snohomish County Council as authorized by Ordinance No. 02-007, passed in April 2002, "Adopting a New Snohomish County Code Title 33, Relating to the Protection and Preservation of Snohomish County Archaeological and Historic Resources, Sites and Districts." The Commission is advisory to the County Council and has a mandate to serve as the Design Review Board for special valuation, a state tax incentive for rehabilitation of historic properties. It surveys and inventories historic resources, nominates properties to the local, state, and national registers of historic places, reviews proposals to modify historic register structures, and conducts educational public programming related to historic preservation and archaeological protection. The board consists of 9 members, 1 from each council district; terms are 3 years. Appointments are recommended by the Executive and confirmed by Council. Contact: Gretchen Kaehler, 425-388-3432
