Sheila,

Attached is the endorsement and the previous document for approval – it's locked so I cannot combine the two.

Have a great day.

Dee,

Page 10 still is only for Completed Ops (CG 2037). I need a CG 2026 or equivalent for ongoing ops.

Professional Liability is now good.

Sheila,

Attached is the updated insurance documentation – please see below for IBM’s responses-

Dee,

I've gone through the edits to the insurance and indemnification section. I can live with all of those. I think some of their edits are unnecessary, and some are not ideal, but in the interest of negotiation and moving forward, I can accept them.

As far as evidence of insurance goes, 1) there is no additional insured on the CGL for Ongoing Operations and for the Cyber. 2) the Professional Liability requirement is \$5M and this only shows \$1M.

Sheila

Hi Sheila,

Attached is IBM's insurance documentation for approval. The SOW is still being negotiated, so I'm providing the current agreement that you did a bunch of work on and approved their redlines.

Have a great day.
