## **ARTICLE 3 - UNION MEMBERSHIP**

**Section 1. Deduction of Union Dues.** The County must, for the duration of this Agreement, deduct regular periodic Union dues from the paycheck of each employee who has authorized the withholding of such dues in a form determined by the Union. The County will begin withholding dues no later than the second payroll period following its receipt of written notice from the Union that an employee has authorized dues deduction.

Funds so deducted will be remitted by the County to such officer or agent of the Union as the agent shall, in writing, designate.

**Section 2. Revocation of Dues Deduction.** The employee's dues authorization will remain in effect until expressly revoked by the employee by written notice to the Union and the County. This policy applies to all areas of employment and to relations with employees including recruitment, appointment, compensation, promotion, disciplinary measures, layoffs, terminations and other terms and conditions of employment. Disputes related to the interpretation or application of this article shall be resolved in accordance with the grievance procedures of this agreement, except that such disputes shall not be subject to arbitration, but instead shall be subject to mediation.

**Section 2. Out of Class Assignment Pay.** An employee who is officially appointed on a temporary basis, for a term that is expected to be more than thirty (30) days, to a position in a higher classification will be paid at the step of the higher position's salary schedule which represents at least one step increase over their current rate of pay for such time as the temporary appointment is in effect.

- Additional payment of thirty dollars (\$30.00) per month after completion of ten (10) years of continuous full-time service.

This payment shall be made at the employee's then current pay rate.
- C. Retiree Medical Insurance. For employees eligible to receive a Washington State or Washington Municipal retirement benefit immediately following separation from employment, the Employer will pay one month of the total premium of the county's retiree medical insurance program for the retiree and spouse for each one-hundred (100) hours of unused sick leave in excess of sick leave cashed out pursuant to subsections A and B of this section to a maximum of twelve (12) months of premium payments. Upon the death of an enrolled retiree, a surviving spouse/registered domestic partner who has been enrolled in the county retiree medical plan shall be offered COBRA retiree medical coverage, at their own expense, as required by law.

**Section 4. Payment Upon Employee Death.** Upon death of an employee, payment of one hundred percent (100%) of accumulated sick leave will be made to the heirs or estate of the employee.

## **ARTICLE 10 - OTHER PAID LEAVES**

**Section 1. Bereavement Leave.** Upon notification, a Department Head shall grant an employee bereavement leave with pay in the event of death in the immediate family of the employee. The maximum number of working days leave shall be three (3), except that when the occurrence is at a distance beyond 300 miles, additional time not exceeding four (4) additional working days may be granted to attend the funeral and to make necessary arrangements. If the employee is the personal representative or is the trustee of the estate of the deceased, the Department Head shall grant an additional three (3) days of bereavement leave and the employee may also, upon notification to the Supervisor, use two (2) days of sick leave.

The term "immediate family" shall include:

- A. Spouse, state registered domestic partner (per RCW 26.60, et seq.), children of employee, children of spouse, or children of state registered domestic partner;
- B. Mother, father, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, stepmother, stepfather, stepbrother, or stepsister of employee or spouse or state registered domestic partner;
- C. Grandparents and grandchildren of employee or spouse or state registered domestic partner; or
- D. Any relative living in the immediate household of the employee.

In relationships other than those set forth above, or in cases where an employee is responsible for funeral arrangements, bereavement leave may be granted by the employing official or department head upon request.

**Section 2. Jury Pay.** Leave with pay will be granted to employees required to serve as a member of a jury or when required to appear in court on any matter in which the employee is not a party. Compensation received by the employee for jury service or court service will be the employee's normal salary provided the employee submits their jury duty warrant or witness fee for time served. An employee shall report for work during normal scheduled hours upon release from jury duty or court service.

**Section 3. Paid Military Leave.** Paid military leave shall be granted as provided in RCW 38.40.060 and Snohomish County Code 3A.06.055 (as written or as modified). Re-employment rights shall be granted as provided in Uniformed Services Employment and Re-employment Rights Act (USERRA).

## **ARTICLE 11 - PROBATION PERIODS; TRIAL SERVICE**

**Section 1. Purpose.** Probationary and trial service periods are working test periods and shall be an integral part of the examination process and shall be utilized as an opportunity to observe an employee's work, to train and aid the employee in adjustment to their position, and to reject any employee whose work performance fails to meet required work standards.

**Section 2. Duration.** All new (or initial) employment, promotional, transfer and reinstatement (where required by this contract) appointments of regular employees shall be tentative and subject to a probationary or trial service period which starts upon the effective date of an appointment.

A probationary period shall be required for all initial appointments to County employment and where required by this agreement, following reinstatement. A probationary period for initial appointments shall be twelve (12) months in duration.

A trial service period shall be required following a promotion or a transfer and shall be twelve (12) months in duration for promotion or transfers to a) different department and/or b) different job family (e.g. administrative to technical, as defined in Snohomish County Code 3A.02.230 Occupational group). All others shall be six (6) months in duration.

In the event an employee is on leave for more than ten (10) consecutive working days during a probationary or trial service period, the completion date may be extended by an amount of time equal to the period of leave.

Probationary employees who are promoted or transferred to another position during their initial probation period may at the employer's option revert back to their previous position if they don't succeed their trial service period. Such an employee shall resume the remainder of their 12 month probationary period in the position they are reverting to.

Supervisors shall provide probationary and trial service employees with feedback on their job performance including strengths and areas that need improvement. This feedback shall occur at least by the midpoint of their corresponding period. Nothing in this section eliminates or modifies the employer's ability to terminate a probationary employee or fail a trial service employee at any time.

**Section 3. Removal During Probationary Period.** At any time during the probationary period the Department Head may remove an employee whose performance does not meet the required standards, provided that they shall report the removal and the reasons therefore in writing in advance to the Human Resources Director and to the employee

concerned and the Union Representative. Pay in lieu of ten (10) working days, shall be given an employee who is removed. Dismissal during the probationary period is not grievable by the employee.

**Section 4. Trial Service Reversion.** An employee serving as a result of appointment through promotion who is unable to satisfactorily perform the duties of the new position or who within six (6) months voluntarily requests to return to their former position will be reinstated to their former position provided the position is vacant and the employee previously completed an initial probationary period in a position in the Environmental Health bargaining unit. If the position is not vacant, only an employee who is unable to satisfactorily perform the duties of the new position will be permitted to bump the least senior employee within the Environmental Health bargaining unit. If the position is no longer vacant or the reverting Environmental Health declines to bump into the classification belonging to the least senior employee in the Environmental Health bargaining unit, the employee shall be considered laid off from the previously held position in the Environmental Health bargaining unit with recall rights but no bumping rights. Employees with no reversion rights shall receive ten (10) days pay in lieu of notice.

## **ARTICLE 12 – CLASSIFICATION ADMINISTRATION**

**Section 1. Duties and Position Classification.** Individual positions, or sets of duties performed, are assigned to an appropriate class on the basis of kind, difficulty, and responsibility of the work, and are allocated to a classification. Classifications are documented in job descriptions, which set forth the definition, typical duties, and minimum qualifications for positions. Classifications will be used by the County in assigning, directing, and supervising the work of employees. Classifications are recognized as being descriptive in nature and the use of a particular illustration as to duties must not be held to exclude others not mentioned but which are of a similar nature. Classifications are used for setting the pay levels of duties assigned thereto and are enumerated in Appendix A.

**Section 2. Assignment of Duties.** The County will make every effort not to assign duties foreign to those set forth in the employee's job description while recognizing that a flexible interpretation is necessary in order to achieve efficient and effective operation. Nothing in this section is to be construed as preventing the County from changing assignments, on a temporary basis, in the event of a bona fide public health emergency.

**Section 3. Qualifications for Appointment.** The County recognizes the advantage of filling vacancies whenever practicable by promoting qualified employees rather than by appointment of other persons. If the ability and qualifications of a bargaining unit member and an applicant are equal, the County will give selection preference in filling vacancies through promotion of qualified employees.

**Section 4. Temporary Appointments.** Temporary appointments may be made to fill an emergency or short-term need. Such employment will be short-term in nature not to exceed six months. Persons employed under such terms will not advance to regular status without being selected during a competitive recruitment.

### **ARTICLE 13 - SENIORITY, REDUCTION-IN-FORCE, LAYOFF**

**Section 1. Layoff and Reduction in Force.** The County may layoff employees as made necessary due to lack of work or other legitimate reasons. An approved leave of absence does not prevent an employee from being subject to reduction-in-force.

**Section 2. Notice.** Prior to layoff of any regular employee, the County will provide thirty (30) days' written notice to the employee affected and to the Union. During such period the Union may offer proposals regarding alternatives to such layoff which will be duly considered by the County. If the employee to be laid off is an initial trial service employee, the above timeline will not apply and the County will be required to give the employee a minimum of one (1) day advance notice.

**Section 3. Layoff Procedure.** In the event the County determines that a layoff is necessary, the employee with the least amount of classification seniority will be laid off. An employee affected by a layoff will be offered the following options, and will be given two (2) business days following notice to choose among available options:

- A. Layoff. Employees may elect to accept a layoff despite having seniority rights to another position.
- B. Voluntary Demotion Within a Classification Series. An employee may request a voluntary demotion in lieu of a reduction in force to a vacant position in the EH Non-Supervisory bargaining unit.
- C. Bumping Rights. An employee who has previously held a position in the EH Non-Supervisory bargaining unit may displace the employee with the least classification seniority in the prior classification if:
  - (i) the employee doing the bumping has more combined seniority in their current and prior classifications than the employee in the previously held classification;
  - (ii) and the least senior employee in the prior classification was hired on or after May 24, 2021.

An employee with multiple bumping options will be offered the option that allows the employee to best retain their income level. If an employee bumps an EHS I through the provisions of this paragraph, the employee doing the bumping will be placed in/remain in the EHS II classification.

- D. An employee changing classifications as per “B” or “C” above shall have their pay rate continued unchanged unless such pay rate exceeds the top step for the position classification, in which case the employee will be placed at the top step of the new range. Employees must accept the FTE of the position into which they are demoting or bumping.

**Section 4. Priority for Reemployment.** No new employee shall be employed by the County to perform work in the bargaining unit from which employees have been laid off until all eligible laid-off employees have been offered reemployment.

**Section 5. Layoff Register and Recall Process.** In order for a laid off employee to be eligible for reemployment, such employee shall request the County to be placed on the layoff register. Such request shall be in writing and submitted to the County prior to the employee’s date of layoff. Placement on the layoff register means the employee desires to consider return to employment with the County when an appropriate job is available. The procedure for reemployment shall be as follows:

- A. When a position with the County is open for employment and a person on the layoff register possesses the minimum qualifications for said position, the County shall notify the person of the employment opportunity. If there is more than one (1) eligible laid off employee on the register, the County shall notify the laid off employee with the most seniority first.
- B. Notification of the employment opportunity by the County shall be by registered mail, said letter addressed to the laid off employee’s last known address. It shall be the responsibility of each laid off employee listed on the register to keep the County informed of their current home address.
- C. The laid off employee shall respond to the County’s notice within fifteen (15) calendar days (with the date of mailing of the letter by the County being counted as the first day). If the County does not receive a response within this time, the employment offer shall be considered void and withdrawn.
- D. In order to be eligible to accept the offered job, the laid off employee must be able to report for work not later than thirty (30) days after the mailing of the letter by the County.
- E. If the laid off employee rejects the first *bona fide* job offer, their name will be removed from the layoff register.
- F. Names on the layoff register shall be retained for a period of two (2) years for each laid off employee who requests to be placed on the register.

**Section 6. Short-Term Emergency Furlough.** In the event the County is faced with the temporary shutdown of state or federal government and the associated temporary elimination of County funding, the County is authorized to implement short-term furloughs

on an emergency basis, applicable to those employees affected by the funds being temporarily eliminated. In response to such an emergency, the County is authorized to implement temporary hours reductions or temporary furloughs of affected employees. Such temporary actions require a minimum of seven (7) calendar days' notice to affected employees and will last no longer than fourteen (14) calendar days. Affected employees will not have the option to displace other employees and will not be placed on a recall list. If temporarily-eliminated funding is restored in part, such that affected employees in a particular program who hold the same duties and are subject to the same funding source, can be restored in part, then recall shall be based on seniority on a per-program basis. Affected employees on a temporary furlough will continue to receive medical and other insurance benefits on the terms applicable immediately prior to the temporary hours reduction or furlough and will maintain the leave balances accrued at the time of the temporary hours reduction or furlough (i.e. leave balances will not be cashed out). Affected employees may elect to use accrued paid vacation leave during a temporary hours reduction or temporary furlough.

## **ARTICLE 14 - DISCIPLINE AND TERMINATION**

**Section 1. Administration.** The parties agree that in general, discipline shall be corrective and progressive in nature, while recognizing that exceptions are sometimes necessary. Disciplinary action may include oral warning, written reprimand, suspension, demotion, any combination of these, or discharge. The County shall tailor discipline to respond to the nature and severity of the offense, and the employee's prior disciplinary record.

**Section 2. Discipline Removal.** Documentation of disciplinary action at the oral warning or written reprimand level of discipline will be removed from the employee's personnel file after three (3) years upon written request of the employee utilizing the approved Human Resources form or as otherwise agreed to by the parties, provided there are no further similar occurrences in the intervening period.

**Section 3. Discipline During Trial Service.** All disciplinary actions for employees who have successfully completed their initial trial service period shall be for just cause. An employee serving an initial trial service period may be subject to any of the above disciplinary actions or termination without notice of cause or right of appeal, provided that such employee be given a minimum of one (1) day advance notice prior to the discipline taking effect. An employee serving a promotional trial service period may be returned to the previously held position without a right of appeal.

## **ARTICLE 15 - MISCELLANEOUS AND ADMINISTRATIVE PROVISIONS**

**Section 1. Environmental Health Credentials.** All EH Supervisors must be Registered Sanitarians and must maintain their status as Registered Sanitarians as a condition of employment. Employees are required to submit proof of Registered Sanitarian status annually.

**Section 2. Field Staff Vehicles.** Personnel performing field duties shall not be regularly required to drive personally-owned vehicles for County business. The County agrees to provide vehicles for the purpose of conducting County business to employees who are regularly assigned to field duties. Vehicles so provided shall be maintained in a safe condition. Employees residing more than ten (10) miles from a Snohomish County boundary may apply for a waiver according to Snohomish County's Equipment Use Policy to allow for take home privileges.

**Section 3. Membership Dues Reimbursement.** The County will reimburse employees the full amount of the annual credential fees paid to either the Washington State Board of Registered Sanitarians (WSBRS) or the National Environmental Health Association (NEHA). Each employee may select reimbursement for either WSBRS or NEHA, but reimbursement by the County is limited to only one option, not both. In addition, the County will make available, at its expense, sufficient training opportunities during each calendar year for employees to maintain their registered sanitarian status.

The County will reimburse employees the full amount of the annual membership fees paid to either the Washington State Environmental Health Association (WSEHA) or NEHA. Each employee may select reimbursement for either WSEHA or NEHA, but reimbursement by the County is limited to only one option, not both.

Where possible, employees seeking reimbursement under this Article are expected to submit requests to the County within thirty (30) days of incurring the expense.

**Section 4. Professional Development.** The County supports the professional development of its employees. Upon approval by the Employer, employees may be granted paid time to attend professional meetings such as conferences, symposia, and workshops. Such requests must be presented well in advance for consideration by the Employer.

**Section 5. Vaccines/Screenings.** Employees will comply with all Centers for Disease Control recommendations, Federal or Washington State laws and regulations regarding communicable disease and risk exposure, and the Health Department's Personnel Requirements Relating to Communicable Diseases, which is incorporated by reference. Prophylactic medications, vaccines and laboratory testing for immunity required by this provision that are not covered by employees' insurance will be provided without cost to employees. The Health Department will maintain a list of screening and/or vaccines applicable to employees.

The Health Department will not discriminate based on the results of such screening or vaccinations, so long as the public health is not placed at risk. Employees refusing prophylactic medications, vaccines or other recommended course of action based on religious or other personal beliefs will be assigned other duties without a reduction in pay or placed on leave without pay, if necessary in the judgment of the Health Department to protect the public health.

**Section 6. VEBA.** The County will maintain the Voluntary Employees' Benefit Association Medical Expense Plan ("VEBA Plan") during the term of this Agreement. The VEBA Plan shall be considered a post-employment VEBA Plan option, limited to eligible medical expenses after an employee's active employment at the County ends. Employees do not have access to VEBA Plan funds while employed at the County. All eligible employees who retire during a calendar year will participate in the VEBA Plan unless the Union determines through a majority vote that it does not wish to participate in the VEBA Plan during that calendar year. The Union must notify the County by November 30<sup>th</sup> if it wishes to change the funding choice for the following year. Provider, however, that no contributions to the VEBA Plan by employees or the County will be permitted in any calendar month or year that triggers tax liability under the excise tax ("Cadillac Tax") of the Affordable Care Act.

## **ARTICLE 16 - GRIEVANCE PROCEDURE**

**Section 1. Grievance Defined.** A "grievance" is hereby defined as an alleged violation of the terms of this Agreement by the County, an employee, or group of employees.

### **Section 2. Grievance Procedure.**

**Step One.** Any employee or group of employees having a grievance shall present the grievance to the immediate supervisor within twenty-one (21) working days of the occurrence of the grievance. The immediate supervisor shall be given fourteen (14) working days to resolve the problem.

**Step One A.** If the grievance was not settled at Step 1, it may be advanced to the Division Manager or Director within fourteen (14) working days of receipt of the Step 1 answer. A grievance meeting shall be scheduled within fourteen (14) working days of receipt of the grievance and a written grievance answer will be given within fourteen (14) working days of the meeting.

**Step Two.** If the grievance was not settled at step 1A, it may be advanced by the Union to the Department Head or designee within fourteen (14) working days of receipt of the step 1A answer. A grievance meeting shall be scheduled within fourteen (14) working days of receipt of the grievance, and a written grievance answer will be given within fourteen (14) working days of the meeting to the President of the Local and the Union Representative.

**Step Three.** If Step One, Step One A, and Step Two fail to resolve the dispute, it may be advanced by the Union to the County Executive or designee within fourteen (14) working days of receipt of the step 2 answer. The bargaining representative shall prepare and present to the County Executive or designee a

written "Notice of Grievance", such notice to be signed by the complaining employee(s). The "Notice of Grievance" shall set forth, so far as may be applicable:

1. The nature of the grievance and the circumstances out of which it arose.
2. The remedy or correction the County is requested to make.
3. The section or section(s) of this Agreement relied upon or claimed to have been violated.

A grievance meeting shall be held within fourteen (14) working days of receipt of the grievance, and a written grievance answer will be given within fourteen (14) working days of the meeting to the President of the Local and the Staff Representative

Extension on the timelines can be accomplished at any Step of the grievance procedure by mutual agreement.

**Grievances Asserted by the County.;** Grievances asserted by the County or the employee's bargaining representative shall be initiated at the Step Three level by the Health Department Director, or their designee, serving upon the bargaining representative a "Notice of Grievance" or the employee's bargaining representative serving upon the Health Department Director a "Notice of Grievance". The bargaining representative or the Health Department Director or their designee, shall take appropriate action to review the merits of the grievance and issue a written decision to the other party within fourteen (14) working days of receipt of the grievance. Such time can be extended by mutual agreement.

**Step 4. Arbitration.** If the grievance is not settled in accordance with the foregoing procedure at Step 3, the Union or Employer, as the "moving party," may refer the grievance to arbitration by providing a written request for arbitration to the opposing party within thirty (30) working days after receipt of the County's answer to Step 3. If the request for arbitration is not sent within thirty (30) working days, the moving party waives its right to pursue the grievance through the arbitration procedure.

- A. Upon receipt of the request for arbitration, the County and the Union shall have thirty (30) working days to attempt to select a sole arbitrator by mutual agreement. In the event the parties are unable to agree upon an arbitrator within this time period, the moving party shall have an additional thirty (30) working days in which to request the American Arbitration Association (AAA) or the Public Employment Relations Commission (PERC) to submit a panel of nine (9) arbitrators for which the parties will use to select an arbitrator

via the alternate strike procedure, specified below. If the moving party fails to make such a request from the AAA OR PERC within this time period, the moving party waves its right to pursue the grievance through the arbitration procedure.

- B. Upon receipt of the list of nine (9) arbitrators from the AAA or PERC, the County and Union shall alternately strike names of arbitrators until one arbitrator's name is left who shall be arbitrator. The order of striking names shall be determined by the flip of a coin. The moving party has the burden of timely initiating the alternate strike procedure, but in no event shall the parties fail to complete the alternate strike procedure within sixty (60) working days of the date the AAA or PERC mailed them the list of arbitrators. Failure to initiate the alternate strike procedure within this period will result in the moving party waiving its right to pursue the grievance through the arbitration procedure.
- C. When an arbitrator has been selected, using any of the above procedures, the moving party has the burden of notifying the arbitrator of their selection by sending a joint letter from the parties requesting that they set a time and a place for hearing, subject to the availability of the County and Union representatives. If the moving party fails to send this notification to the arbitrator within thirty (30) working days of their selection, the moving party waives its right to pursue the grievance through the arbitration procedure.
- D. Once an arbitrator is selected, they shall have jurisdiction over the hearing and any pre-hearing matters arising between the parties concerning the grievance at-issue, unless the parties mutually agree to rescind the appointment of the arbitrator. If the Union prevails, the County will pay the fee and expenses of the arbitrator. If the County prevails, the Union shall pay the fee and expenses of the arbitrator. If the loser or winner cannot be identified, the arbitrator will determine the basis upon which the fee will be split. The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this agreement. They shall consider and decide only the specific issue submitted to them in writing by the County and the Union, and shall have no authority to make a decision on any other issue not submitted to them. The arbitrator shall submit their decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon their interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and

binding. Each party shall be responsible for compensating its own representatives and witnesses.

## **ARTICLE 17 - INSURANCE BENEFITS**

All employees in the bargaining unit will be eligible for County provided medical, dental and vision.

**Section 1. Medical.** Employee medical premiums are paid in the pay periods of the month prior to coverage. The Employer's premium contribution for regular, part-time employees will be to pro-rate the premium contribution on an FTE basis for regular part-time employees working less than thirty-five (35) hours per week.

The County's health plan actuary will determine the percentage increase or decrease in the rates and develop the employee and employer contributions for the 2024 and succeeding plan years using the following methodology:

- All Active Regence plans (except LEOFF) are aggregated, and all Active Kaiser plans are aggregated for rating purposes.
- The percentage changes by carrier will be applied to the current tiered rates.
- The dollar change between the new rates and the current rates by tier is determined (new tiered rate – current tiered rate).
- For the Regence plans, 80% of the dollar change will be added to the current County contribution and 20% will be added to the current employee contribution. If the calculation results in the employee contribution to any rate tier falling below \$0, the employee contribution for that tier will be \$0 and the employer contribution will be 100% of the tiered rate for the plan year.
- For the Kaiser plans, the employee contribution is the difference between Kaiser's tiered rates and the County's contribution to Regence Plan A, or \$0, whichever is higher.

**Section 2. Dental Insurance.** The Employer shall pay one hundred percent (100%) of the premiums for each employee and their dependents.

**Section 3. Vision Care.** The Employer shall pay one hundred percent (100%) of the premiums for each employee and their dependents.

**Section 4. Disability Insurance.** The Employer shall pay the premiums for this program in full for all regular full-time and regular part-time employees.

**Section 5. Life Insurance.** The Employer shall provide a life insurance benefit for employees in the bargaining unit in the amount of sixty thousand dollars (\$60,000) (term face value), and shall provide an additional forty thousand dollars (\$40,000) for accidental death, provided the death occurs within the time limits specified in the policy.
