Why would you like to serve on this board/commission? I'm interested in serving on the Snohomish County SWAC to contribute my industry knowledge and support sustainable waste and recycling practices in our community. As a Contract Manager with WM, I can offer insights

from one of the largest waste haulers in Snohomish County, and help bridge the gap between policy and operations. With my background in solid waste, recycling, and organics management—both in education and hands-on application—I feel confident in my ability to bring a practical and insightful perspective to the board. I’m eager to learn from fellow members and support meaningful progress in our local waste systems.

Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission. I have a professional background in solid waste, recycling, and organics management, with experience in both education and practical implementation. I currently serve as a Contract Manager for WM, where I oversee municipal contract waste services and ensure compliance with service agreements. My professional role allows me to bring a valuable hauler perspective to policy discussions informed by operational insights. With three years working for WM and participating in the industry, paired with a strong commitment to sustainable waste practices, I’m well-prepared to contribute thoughtfully while continuing to grow in this new leadership role. Thank you for your consideration.

Please list community involvement/volunteer activities. Previous volunteer experience with 21 Acres Center for Sustainable Living. I have recently moved to Snohomish county, and look forward to finding more volunteer opportunities.

How did you learn of this opportunity? Through Jo-Anne Antoun.

Do you currently serve on a Snohomish County board or commission?* No.
